The Soul Of Rumi A New Collection Of Ecstatic Poems By Rumi:

The Soul of Rumi Coleman Barks, 2010-12-14 The Soul of Rumi collects the poetry of the thirteenth century Persian mystic that explores the divine from the teachings of Sufism Rumi's masterpieces have inspired countless people throughout the centuries and Coleman Barks's exquisite renderings are widely considered the definitive versions His translations capture the inward exploration and intensity that characterize Rumi's poetry making this unique voice of mysticism and desire contemporary while remaining true to the original poems In this volume readers will encounter the essence of Sufism's insights into the experience of divine love wisdom and the nature of both humanity and God Rumi's voice leaps off these pages with a rapturous power expressing our deepest yearning for the transcendent connection with the source of the divine there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union stories of sexual adventures and of loss poems of love and fury sadness and joy and quiet truths about the beauty and variety of human emotion For Rumi soul and body and emotion are not separate but are rather part of the great mystery of mortal life a riddle whose solution is love Above all else Rumi's poetry exposes us to the delight that comes from being fully alive urging us always to put aside our fears and take the risk of discovering our core self Barks's fresh original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring focusing on the ecstatic experience of the inseparability of human and divine love

The Soul of Rumi Coleman Barks, 2001-09-18 Inside A Lover's Heart There's Another World And Yet Another Rumi's masterpieces have inspired countless people throughout the centuries and Coleman Barks's exquisite renderings of the thirteenth century Persian mystic are widely considered the definitive versions for our time Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry making this unique voice of mysticism and desire contemporary while remaining true to the original poems In this volume readers will encounter the essence of Sufism's insights into the experience of divine love wisdom and the nature of both humanity and God While Barks's stamp on this collection is clear it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless These poems express our deepest yearning for the transcendent connection with the source of the divine there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union stories of sexual adventures and of loss poems of love and fury sadness and joy and quiet truths about the beauty and variety of human emotion For Rumi soul and body and emotion are not separate but are rather part of the great mystery of mortal life a riddle whose solution is love Above all else Rumi's poetry exposes us to the delight that comes from being fully alive urging us always to put aside our fears and take the risk of discovering our core self No one knows what makes the soul wake up so happy Maybe a dawn breeze has blown the veil from the face of God These fresh original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring focusing on the ecstatic experience of the inseparability of human and divine love The match between Rumi's

sublime poetry and Coleman Barks's poetic art are unequaled and here this artistic union is raised to new heights

Mystics William Harmless, 2008 In *Mystics* William Harmless S J introduces readers to the scholarly study of mysticism. He explores both mystics' extraordinary lives and their no less extraordinary writings using a unique case study method centered on detailed examinations of six major Christian mystics: Thomas Merton, Bernard of Clairvaux, Hildegard of Bingen, Bonaventure, Meister Eckhart, and Evagrius Ponticus. Rather than presenting mysticism as a subtle web of psychological or theological abstractions, Harmless's case study approach brings things down to earth, restoring mystics to their historical context.

The Mind of God Dennis Spain, A graphic novel of an unprecedented 821 fine art images married to a compelling storyline. Like the swirling dance of the Dervish, the musical compositions of a young Muslim woman propel us from the war-torn landscape of the Middle East to the 13th Century tableaux of the encounter of Rumi with his teacher Shams of Tabriz. The path of the heroine leads to her enlightenment and ours as the war within us is faced and transformed.

Rumi and Islam, 2011-07-21 Discover the richness of Rumi's spiritual tradition through facing page commentary that brings his writings to life for you. This book you are now holding is a selection of what I believe are the best of Rumi's accounts of the compassionate actions, sayings, and qualities of the Prophet which include Rumi's own inspired comments and explanations. It is my hope that you will be surprised and uplifted by the profound wisdom that Jalaluddin Rumi conveys through these stories and sayings from the Preface. This great Sufi poet and teacher can become a companion for your own spiritual journey. The lyric and wisdom poetry of Mawlana Jalaluddin Rumi has been an inspiration throughout the Middle East and Asia for over seven hundred years. Recently it has also become popular in Western countries through translations and interpretive poetic versions in English. But while popular renderings have created the appreciation of Rumi the mystic, there is little understanding today of the religious and spiritual traditions from which the great mystic came. *Rumi and Islam: Selections from His Stories, Poems, and Discourses* examines not the popularized Rumi of universal love but the Sufi disciple whose works express deep reverence for the Prophet Muhammad. Ibrahim Gamard focuses on Rumi's place within the Sufi tradition of Islam as one of the greatest Muslim followers of the Prophet Muhammad and on the Islamic foundations of his lover. Beloved mystical poetry. By probing verse by verse, Rumi's spiritual teachings, Gamard provides insight into the mystical side of the Qur'an and Islam, a religion that holds a deep love of God at its core. Now you can experience the profound and uplifting wisdom of Rumi even if you have no previous knowledge of Sufism or Islam. This SkyLight Illuminations edition presents the most important of Rumi's writings, mainly from the Mathnawi, with insightful yet unobtrusive commentary that conveys how his teachings about the nature of love for God and God's love for us can increase our understanding of Islamic wisdom in the West.
