The Stolen Child By Keith Donohue:

The Stolen Child Keith Donohue, 2007-05-08 NATIONAL BESTSELLER A haunting fable about identity and the illusory innocence of childhood that moves from small town America deep into the forest of humankind's most basic desires and fears Utterly absorbing a luminous and thrilling novel about our humanity The Washington Post I am a changeling a word that describes within its own name what we are bound and intended to do We kidnap a human child and replace him or her with one of our own The double story of Henry Day begins in 1949 when he is kidnapped at age seven by a band of wild childlike beings who live in an ancient secret community in the forest The changelings rename their captive Aniday and he becomes like them unaging and stuck in time They leave one of their own to take his place an imposter who must try with varying success to hide his true identity from the Day family As the changeling Henry grows up he is haunted by glimpses of his lost double and by vague memories of his own childhood a century earlier Narrated in turns by Henry and Aniday The Stolen Child follows them as their lives converge driven by their obsessive search for who they were before they changed places in the world

The Stolen Child Keith Donohue, 2007 Stolen by changelings from his family and home Henry Day is given the name Aniday by the ageless and magical beings who replace him with another child who takes his place with his parents a young boy who possesses an extraordinary gift of music but who is haunted by persistent memories of a life in another time and place A first novel Reprint **The Stolen Child**, 1989 **The Stolen Child** Keith Donohue, 2007 Seven year old Henry Day is kidnapped by fairy changelings living in the dark forest near his home ageless beings whose secret community is threatened by encroaching modern life They give Henry a new name Aniday and the gift of agelessness now and forever he will be seven years old The group has left another child in Henry's place This changeling boy who has morphed himself into Henry's duplicate must adjust to a new way of life and hide his true identity from the Day family But he can't hide his extraordinary talent for the piano and his near perfect performances prompt his father to suspect that he is an impostor As he grows older the new Henry Day becomes haunted by vague but persistent memories of life in another time and place Both Henry and Aniday search obsessively for who they were before they changed places in the world **Stolen Child** Keith Donohue, 2007-05-01 Stolen from his family by changelings Henry Day is given the name Aniday by the ageless and magical beings who replace him with another child who takes his place with his parents a young boy who possesses an extraordinary gift of music *Plug Your Book!* Steve Weber, 2007 The Absent Mother in the Cultural Imagination Berit

Åström, 2017-07-11 This anthology explores the recurring trope of the dead or absent mother in Western cultural productions Across historical periods and genres this dialogue has been employed to articulate and debate questions of politics and religion social and cultural change as well as issues of power and authority within the family str m seeks to investigate the many functions and meanings of the dialogue by covering extensive material from the 1200s to 2014 including hagiography romances folktales plays novels children's literature and graphic novels as well as film and television This is achieved by

looking at the discourse both as products of the time and culture that produced the various narratives and as part of an on going cultural conversation that spans the centuries resulting in an innovative text that will be of great interest to all scholars of gender feminist and media studies *The Taker* Alma Katsu,2011-09 True love can last an eternity but immortality comes at a price On the midnight shift at a hospital in rural St Andrew Maine Dr Luke Findley is expecting another quiet evening of frostbite and the occasional domestic dispute Until a mysterious woman arrives in his ER escorted by police Lanore McIlvrae is a murder suspect and Luke is inexplicably drawn to her And as Lanny tells him her story an impassioned account of enduring love and consummate betrayal that transcends time and mortality she changes his life forever At the turn of the nineteenth century when St Andrew was a Puritan settlement Lanny was consumed as a child by her love for the son of the town s founder and she will do anything to be with him forever But the price she pays is steep an immortal bond that chains her to a terrible fate for all eternity And now two centuries later the key to her healing and her salvation lies with Dr Luke Findley Part historical novel part supernatural page turner *The Taker* is an unforgettable tale about the power of unrequited love not only to elevate and sustain but also to blind and ultimately destroy It is also a potent reminder that each of us is responsible for finding our own path to redemption **Of Bees and Mist** Erick Setiawan,2009-08-04 Setiawan s

atmospheric debut is a beautiful engrossing fable of three generations of women in two families their loves and losses their destructive jealousies and deceptions and their triumphs *Danger on the Page* Brian Shawver,2015-04-07 Although fiction writers must concern themselves with big picture issues such as plot theme and character development much of the day to day work of writing involves finding answers to seemingly minor questions How should I describe the exterior of a house How can I construct the voice of a historical narrator with authenticity How should I depict a physically atypical character Few books on the market address the problems and opportunities present in these and other questions yet they are the ones that most writers grapple with on a daily basis *Danger on the Page* A Fiction Writer s Guide to Sex Violence Dead Narrators and Other Challenges identifies and explores some of the more common and intractable situational challenges of fiction writing with chapters grouped into the general subject areas such as scenes characters points of view and settings Shawver delves into the pitfalls and opportunities of writing about sex violence sports and love he examines writing from the perspective of a different race gender or species he interrogates conventional beliefs about the use of brand names the description of architecture and the portrayal of nature Throughout he gives dozens of examples from both literary and commercial fiction so readers can borrow or reject other writers techniques and explore the myriad challenges of fiction writing on their own A lively and witty approach to a diverse range of specific writing issues Shawver s book will appeal especially to intermediate level writers seeking to bring their craft to the next level *Ban the Book Report* Graham Foster,2012 More than 20 assignments that will engage student readers in authentic reading response and reflection

The Time Remaining Samuel Hazo,2012-09-12 A modern day political thriller *The Time Remaining* grapples with

murder romance and international politics Dodge Didier Gilchrist a Pulitzer Prize winning journalist and consummate ladies man finds himself embroiled in an international conflict when his former college roommate Palestinian scholar Sharif Tabry is killed under mysterious circumstances Tabry s niece Raya who has been recently released from incarceration in Israel begins working for Gilchrist in Washington DC When she is injured while trying to save Tabry Gilchrist quickly discovers he has deep feelings for her Gilchrist embarks on a wild ride from Washington to Israel and Palestine as he learns from both Israelis and Palestinians of the suffering of Palestinians under occupation This spurs an investigation that leads him up the ranks of the Israeli government and into a series of dangerous events A fast paced suspenseful novel The Time Remaining will keep readers absorbed in Gilchrist and Raya s growing romance and intrigued by the exciting political drama that wrestles with the complexities of the Israeli Palestinian conflict

The White Forest Adam McOmber,2012-09-11 Jane Silverlake a young woman from the wild heath regions of Victorian England uses her paranormal ability to see the souls of handcrafted objects to infiltrate a mysterious dream manipulation cult into which the man she loves has gone missing

This Part of the World Samuel Hazo,2008-08-21 Premier Caseres rules his country with a ruthlessness that puts him in the elite category of Trujillo Mugabe and Kim Jong Il A potent orator with a martinet style of leadership Caseres ability to instill fear and reverence in his people has secured his place in power However the dictator s human frailties run as deep as his stoicism He is plagued with a heart condition that keeps him popping pills like pistachios and a son and heir to his leadership who has a taste for fast cars and little else Finally his devotion to Magdalena his mistress threatens to disrupt his unchallenged autocracy This Part of the World traces a new path into the heart of darkness Samuel Hazo offers the reader on an intrepid portrait of conscience charisma and the slow corruption of the human heart Hazo writes with a steely clarity and sharp satirical edge bringing to life his tragic subject and illuminating the fate of a nation

The Water Children Anne Berry,2012-05-08 WHAT WILL DESTROY ONE CHILD WILL BE THE MAKING OF ANOTHER From the icy banks of a secluded country pond to the fevered core of a historic London heat wave and immersion in an abandoned underwater village in the Tuscan mountains four young people each of whose lives has been irrevocably altered by water converge in this brilliantly plotted drama of passion betrayal revenge and redemption Owen is haunted by nightmares of the Merfolk He believes they have stolen his little sister who vanished while he was meant to be watching her on the beach But he was only a child himself Is it fair for his mother to have blamed him all these years Catherine s perfect Christmas was ruined when she went skating on a frozen pond with her cousin and the other girl nearly died Yet it is Catherine who feels as she says permanently trapped under the ice Sean grew up on a farm in Ireland Learning to swim in the River Shannon was his way of escaping the bitter poverty of his childhood but communing with the river spirits incurred his superstitious father s wrath Naomi never feared the water She was orphaned cruelly abused and the sea offered a cleansing balm she reveled in the ocean s power But Naomi has another secret buried deep within her and during one searing hot summer she will be the

catalyst for the coming together and tearing apart of the water children Newsweek ,2006 *Encyclopedia of American Popular Fiction* Geoff Hamilton,Brian Jones,2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides **Canary Fever** John Clute,2016-11-24 Canary Fever is a collection of reviews about the most significant literatures of the twenty first century science fiction fantasy and horror the literatures Clute argues should be recognized as the central modes of fantastika in our times The title refers to the canary in the coal mine who whiffs gas and dies to save miners reviewers of fantastika can find themselves in a similar position though words can only hurt us

The Stolen child Keith Donohue,2007 **Angels of Destruction** Keith Donohue,2010-03-30 Angels of Destruction is the mesmerising story of Norah a nine year old girl who seems to materialise out of thin air when she arrives one bitterly cold night on the doorstep of Margaret Quinn A widow who lives alone Margaret has never got over the loss of her own child a runaway called Erica who fled with her high school sweetheart Wiley to join a 60s style band of West Coast revolutionaries known as Angels of Destruction Norah becomes Margaret s secret a child possessed of magical qualities But who is she really And what is her purpose here And what is this strange child s connection to Margaret s missing daughter
