The Question Cynthia Harrod-Eagles,2003-11-01 The latest edition to the series on five centuries of English history follows the Moreland family into the twentieth century as Victorian England enjoys great stability and prosperity new technology changes the way people live and the Boer War explodes the myth of English supremacy around the globe Original

The Question Cynthia Harrod-Eagles,2011-08-25 In the last years of the nineteenth century the Morlands fortunes are changing for the better as Henrietta and Jerome find a true home at Morland Place and Teddy ploughs his profits into restoring it to its former glory But the reverses and cruelties of the Boer War and the death of Queen Victoria shake the foundations of a confident nation The accession of King Edward seems to mark the end of the old familiar England Old certainties are being questioned everything is changing and the young generation of Morlands faces a new world full of wonders but full of dangers *The Black Pearl* Cynthia Harrod-Eagles,2011-08-25 1659 Cromwell's protectorate is drawing

to a close and the restoration of the monarchy can only improve the fortunes of the Morland family The years of civil war and their aftermath have left Morland Place in dire straits but with the return of the King Ralph Morland believes he can rebuild the family estates For his beautiful and ambitious cousin Annunciata the Restoration means a journey to London one that leads to the amours and intrigues of Charles's court and to the unlocking of her mysterious past A new and kinder age is dawning a time for healing wounds but more uncertainty conflict and sorrow await both Ralph and Annunciata before they can find peace and forgiveness *The Phoenix* Cynthia Harrod-Eagles,2013-09-26 It is 1931 and the world is still reeling from the aftermath of the Wall Street Crash Polly Morland has returned to Morland Place saving it from financial ruin Her plans to change things are met with resistance however and she must prove her mettle in a man's world Jack war hero and family man knows that he must make a change for the sake of those he holds dear so when an opportunity arises that would take him back to York he seizes it with both hands In London Robert is bored with his office job and seeks something grander Fatherless and dealing with the repercussions of his family's bankruptcy he must make his own way now that he has been left to the mercy of the world His sister Charlotte also frustrated with her life and sure that she will never receive an offer of marriage longs for something different as well As the years roll by the threat of another war hangs in the air and when King Edward VIII takes to the throne things seem to be on the brink of change once more But like a phoenix rising up from the ashes the Morlands prove yet again that they will emerge from whatever they must face stronger than ever before

Library + Information Update ,2005 *Forthcoming Books* Rose Arny,2003 *The Fallen Kings* Cynthia Harrod-Eagles,2011-03-03 1918 German troops flood back from the Eastern Front for an all out assault in France before the Americans can join the war The under strength British retreat and for the first time the real possibility of defeat comes home to a shocked nation At the front Bertie struggles to bring his battered battalion out safely while at home Jessie secretly carrying his child knows that sooner or later she must face her family's censure At Morland Place Teddy braves local opinion

to bring German POWs to work on the land little knowing how close to home the consequences of his decision will strike And the terrible news arrives that Jack has been shot down Men are falling each one the King of someone s heart For the Morlands only love faith and compassion will keep the family safe until the longed for days of peace **The Burning Roses** Cynthia Harrod-Eagles,2011-08-25 In 1915 the first euphoria of the war has worn off but the nation is more determined than ever to win When Ned is sent to the Front ahead of his battalion Jessie already involved in various charity works feels the need to do more and becomes an auxiliary nurse But life on the wards is harder than she expects Meanwhile Helen and Jack settle in a home of their own at last and Helen takes on a surprise war role of her own And for Violet in London a chance meeting with talented young artist threatens to destroy her calm and ordered life With stalemate on the Eastern Front everything now hangs on the new September offensive on the Western Front the Battle of Loos Both Ned and Bertie will be leading their men over the top leaving the rest of the family to pray for their safe return **The Publishers Weekly** ,1980
