**Ravens in the End** C. L. Zelle, 2018-05-16 Sex power control Yes that's the name of the game now Or wait maybe it's always been that But is this what Vine had in mind when he conned billions into injecting his lies Was this end game part of his master plan all along Now the whole world is his and it was way too easy He's the liar's liar the ultimate gamemaker the grand wizard behind the curtain that would snuff the light of the world out in a single day And I helped him do it My name is Gideon Tyler and I'm a liar too But it's not who I am anymore I once believed love made a man weak but my love for Grace makes me strong in ways I'm not used to Strong enough to break free from the compliance strong enough to be defiant Strong enough to risk my life for what's right despite who I was before and the mistakes I've made But dying isn't on the

agenda today I have unfinished business to attend to I wanted to tell Grace the truths of my past because I love her but she's already so damn wounded How could I hurt her more I didn't want to But it's too late now My lies caught up with us took me away from her and now she's alone out there and in more danger than she realizes The undead are the least of her worries as screwed up as that is They're saints compared to these monsters But I'll do what it takes to save her my songbird my phoenix I'll keep her safe I'll wear the mask of a monster the man I was before make them believe I'm compliant reformed I'll tell more lies I'll put a stop to their games once and for all and we'll survive fly free from the depths of this hell We'll find each other in the dark again because love is our light our strength and it's strong enough to win this game in the end This is the second book in The End Saga formerly The Night Blind Saga If you read the books formerly titled Dysphoria and Grace Murray's Law and Tunnels and Planes then this would be the next installment of the story for you Those three books have now been combined into one full story which is the new first book of the series titled Willows in the End This series will appeal to those who don't mind some diverse adult content in their reading Due to certain triggers this series may not be suitable for everyone and is advised for ages 18 and up     The Seeker's Keys Christina Rozelle, 2016-11-27 Where is The Wall I asked my father one night while he brushed my hair Somewhere east And you're going to find it one day I know you are I hear he whispered there's an underground passageway that leads straight there Joy Montgomery's life has never been as it seems She knows this now Her tragic journey has been a complex mirage of dreams and illusions set in place by her ancestors secrets and driven by the calculated genius of her late father Zephyr the Magnificent In the Greenleigh Tree Factory under the rule of the wretched Superiors he'd prepared her for this future as if he'd already known the outcome He'd instilled into her the quest for truth freedom and love and had given her the strength to guard with her life those she now protects some of whom she must risk her life to save Now the treemakers and the saltminers are split over Bygonne They must acquire the Seeker's Keys with the help of Zephyr's clues which also must be found along the way Stakes are high war is coming and now Joy has everything to lose Will they be triumphant like Cheyenne said they'd be and grasp the promised victory Or will they face defeat at the hands of Lord Daumier and lose the future waiting for them on the other side of The Wall What did you see in me That you're a hero You're my hero I'm no hero Joy Don't ever forget this okay You're the light in the dark You're the love that conquers fear and evil You're the hero Joy You always have been and you always will be This is the third and final installment of the Treemakers Trilogy This series is intended for mature YA audiences as there are mature themes some abuse some graphic violence some sexual situations some language character deaths etc which may be too emotionally intense for younger readers and or disturbing to those sensitive to such content
