The Milkweed Prophecy Epitaph Of The Apocalypse By Milkweed L Augustine:

The Milkweed Prophecy LAMA MILKWEED L. AUGUSTINE, 2006-06-13 THE MILKWEED PROPHECY EPITAPH OF THE APOCALYPSE is an incredible and in depth explanation of not only the Apocalypse but told from an actual involvement where the author herself ensplenders her own emotional framework in a manner of religious literature that has never been captured before All of these events were based solely upon the Professor s lifetime of visions and actual visitations and apparitions and actual visitations of Mary the Mother of God and actual accounted events that have been witnessed by credible people This book of uncommon insights will startled the mind and very heart of the reader as he is taken on horseback into the actual Apocalypse and stares face to face with the Devil himself LUCIFER The near possession this young author claims boldly as this was also documented and witnessed but the literal protection from God saved Milkweed after her only suicide attempt This book powerfully illustrates what it is truly like to be a believer but one who is chosen long ago to understand and to teach and even now fooling her medical doctors and living well beyond her expected time allotted to her but still extremely deteriorated from this catastrophic terminal illness that plagues her mysterious life This work divinely inspired is highly recommended for anyone who truly wants and needs to know about the Book of God s Revelations as well as about himself This same remarkable book of stunning words translate themselves likend to the Bible as the author clearly defines herself but without ever in abruption of the eternal glory of God Her impressive artwork as well as photography is also here to enlighten and illuminate the mind and to hopefully make all understand the truth of God s Kingdom and the ultimate sacrifice the crucifixion and dereliction of our God Jesus the Christ *Dying and Loving It* H.H. The Most Ven. Lama Rimpoche, Miss Milkweed L. Augustine PhD, 2012-10-02 In the unending definement of this book I honestly believe that people will find out soon enough what will happen to them when the moment of life s ending comes along but it is my duty as both a dying patient and as a woman of religion to tell others who may not know and to explain the best of my ability the atrocities that actually occurred in this place Unlike most of the general masses I can hear many other pulses of life but this all comes from knowing God and the child within as she absorbs the building tensions and rechannels that energy into a rightful and God fearing direction hence creating a fulfilling existence regardless if that same individual is hurting or is at peace Radiation Sickness Lama Milkweed L. Augustine, 2007-07-31 I speak candidly about radiation sickness in a poignant manner because of not only the fact concerning myself succumbing to it but I wanted to create a memorable impact as well as there exist people scattered about this world as these same people are suffering and dying from this copiously sad disease or affliction or mans desires to alter the environment as he is now doing more harm than aiding it But as this story that is heart touching as it is revealing the young victim still maintained a sense of gentleness and patience in the direction of his unprovoked enemies which were those at the very nuclear power plant in his eyes gave him life a chance at hope for a brighter future in a rural place but still candidly holding onto the past in which he has grown Becoming completely ravaged

from the terrible effects of the high level of nuclear radiation and from the industrial accident in which he fell prey this toxic waste worker still manages to keep himself peacefully aware of not only the ultimate consequences of their mistake or inexcusable blunder that should never be forgotten or done again The Milkweed Prophecy Lama Milkweed L. Augustine H. H. Ph. D.,Lama Milkweed L. Augustine,2006-06-01 In reading this book you will find that The Six Principles of Service Excellence IS A simple yet comprehensive step by step process that if followed implicitly will lead any organization small or large to achieving and sustaining a work environment that will foster superior employee performance and service excellence More than a theory or concept It is a process that is effectively used in many healthcare financial legal hospitality and food service organizations today by skilled and knowledgeable performance consultants and leaders You will further come to realize that The Six Principles of Service Excellence IS NOT A quick fix It is not about herding a group of employees through a 2 4 hour customer service workshop and calling it a day For everyone nor every organization Without 100% commitment and involvement from senior leadership it will not thrive A superficial Pep Rally It is about making sound decisions and implementing interventions that will create lasting results *The Milkweed Prophecy* Lama Milkweed L. Augustine,2006
