Consensus Trance Paul Bondarovski, Walter H. Bowart, H. P. Albarelli Jr., Jerry E. Smith, Jüri Lina, Michael Nield, Ron Patton, Dick Sutphen, Hans Ruesch, Dani Veracity, Walter C. Vetsch, 2016-12-20 Most of us live in consensus trance a state of consciousness produced by ideological blunting of our intellect through intensive manipulation brainwashing which forces us to accept false conception of reality And the worst is that we very rarely know if the thoughts in our head are ours or have been skillfully suggested by someone or something else e g subliminals hidden behind music or flashed on a screen so fast that you don't consciously see them or cleverly incorporated into a picture In the entire history of man no one has ever been brainwashed and realized or believed that he had been brainwashed This book is composed of the articles which present the Big Picture of mass and individual mind control and its various techniques **Phoenix Rising** Donald G. Lett, Donald G Lett Jr, 2008-02 In an age when the supply of gasoline to feed this modern American society has become both more expensive and more scarce questions are being pondered Inquires like How can a modern society scale back its dependence on gasoline as a motive source Are there genuine alternative power sources Are they the answer to a growing crisis Recent announcements of hybrids like those from Honda Toyota and Ford have really brought attention to this issue Hybrids that use both gasoline engines and electric motors Really though alternative power sources have been around for as long as the automobile has been The battle between and among the steam car the electric and the gas car was fought out in the first couple of decades of the twentieth century This book explores the ins and outs of that battle A struggle from which the gasoline car emerged completely victorious To such an extent that steam cars and electric cars virtually disappeared from the scene for many decades We will look over all three alternatives exploring their advantages and disadvantages We will also look over the obstacles to the steamers and the electrics Barriers that still exist to a certain extent Handicaps that caused their disappearance in the first place *Pemerintah Bayangan dan Big Brother* Jagad A.
