

The background of the cover is a photograph of a large, arched stone doorway. The arch is made of light-colored stone blocks. Inside the arch is a dark, heavy metal door with a grid of small square openings. Above the door, the words 'STATE CORRECTIONS FACILITY' are inscribed in stone. Two wall sconces on either side of the door are lit, casting a warm glow. The overall atmosphere is mysterious and institutional.

Adam Ted Dekker,2008-01-30 Enter a world of death and near death that blurs the lines between fiction and reality in a way that will leave you stunned It takes an obsessive mind to know one And Daniel Clark knows the elusive killer he's been stalking He's devoted every waking minute as a profiler to find the serial killer known only as Eve He's pored over the crime scenes of sixteen young women who died mysterious deaths all in underground basements or caverns He's delved into the killer's head and puzzled over the twisted religious overtones of the killings What Daniel can't possibly know is that he will be Eve's next victim He will be the killer's first Adam After sixteen hopeless months the case takes a drastic turn on a very dark night when Daniel is shot and left for dead Resuscitated after twenty minutes of clinical death Daniel finds himself haunted by the experience He knows he's seen the killer's face but the trauma of dying has obscured the memory and left him with crushing panic attacks Nothing not even desperate dangerous attempts to reexperience his own death seems to bring him closer to finding the killer Then Eve strikes again much closer to home And Daniel's obsession explodes into a battle for his life his sanity his very soul If you read one thriller this year make it Adam It's a high octane thriller that lays bare the battle between good and evil in a way that will stun readers Lis Wiehl legal analyst and author of Hunting Charles Manson The detail is stunning pointing to meticulous research in FBI methods forensic medicine and psychological profiling We have to

keep telling ourselves that this is fiction At the same time we can't help thinking that not only could it happen but that it will happen if we're not careful David M Kiely and Christina McKenna authors of *The Dark Sacrament* Fast paced thriller with Christian themes Full length stand alone novel from New York Times bestselling author Ted Dekker **The Girl behind the Red Rope** Ted Dekker, Rachelle Dekker, 2019-09-03 In this mind bending thriller father daughter writing team Ted Dekker and Rachelle Dekker triumph in their faultlessly structured and deconstructed world of religious extremism the book's suspenseful plot drives the story forward at a racing pace making this a riveting novel that will long haunt readers Booklist Starred Review Ten years ago Grace saw something that would forever change the course of history When evil in its purest form is unleashed on the world she and others from their religious community are already hidden deep in the hills of Tennessee abiding by every rule that will keep them safe pure and alive As long as they stay there behind the red perimeter Her older brother's questions and the arrival of the first outsiders she's seen in a decade set in motion events that will question everything Grace has built her life on Enemies rise on all sides but who is the real enemy And what will it cost her to uncover the truth For the first time bestselling authors Ted Dekker and Rachelle Dekker team up and deliver an intense tightly focused ride through the most treacherous world of all **The Slumber of Christianity** Ted Dekker, 2005-07-03 As believers our walk with God is motivated by hope not the bland vague notion most people have but the expectation of an exotic pleasurable inheritance that guides us and fires our passion or at least should Ted Dekker has written an exposé on the death of pleasure within the Church Because many of us have set aside hope and the inspired imagination that drives it Dekker says we have been lulled into a slumber of boredom even despondency Our faith wanes the joy at having been liberated fades and we feel powerless *The Slumber of Christianity* explores what robs us of happiness and how we can rediscover it and live lives that rekindle hope The pursuit of pleasure is a gift to all humans a function of the Creator himself who is bent upon our happiness It's time for Christians to reclaim our inheritance of pleasure *The Slumber of Christianity* will inflame hearts toward full fledged mind expanding encounters with hope through the imagination **Sovereign** Ted Dekker, 2013-06-01 Nine years after Rom Sebastian was thrust into the most unlikely of circumstances as hero and bearer of an unimaginable secret the alliance of his followers is in disarray An epic battle with The Order has left them scattered and deeply divided both in strategy and resolve in their struggle to become truly alive and free Only 49 truly alive followers remain loyal to Rom This meager band must fight for survival as The Order is focused on their total annihilation Misunderstood and despised their journey will be one of desperation against a new more intensely evil Order As the hand of this evil is raised to strike and destroy them they must rely on their faith in the abiding power of love to overcome all and lead them to sovereignty *SOVEREIGN* wonderfully continues the new testament allegory that was introduced in *FORBIDDEN* and continued in *MORTAL* **Showdown** Ted Dekker, 2006 When a stranger appears and announces he's come to bring hope and grace to Paradise the town isn't sure how to respond He knows the unspoken secrets of each person's heart and has the

power to grant them Soon the unthinkable happens
