masculinity have been too fixed on the exploration of dominance and subservience and too little on the men and the male characters in fiction who behave following other ethical personal and socially accepted patterns Bringing together research from different periods and genres this collection provides broad multidisciplinary insights into alternative representations of masculinity **Grounded in the Body, in Time and Place, in Scripture** Jill Firth, Denise Cooper-Clarke, 2021-02-01 In my bibliographies there are no women in the evangelical tradition and no Australian women scholars This unique volume addresses this gap with eighteen biblically rich and academically rigorous chapters by established and emerging Australian women scholars in the evangelical tradition The authors consider our relationship with the land and Indigenous peoples neighborhood embodiment disability abortion leadership work architecture the media Song of Songs and domestic violence and Jeremiah and weaponized rape and demonstrate recent methodologies such as a social identity reading of Exodus sensory readings of Psalms and John's Gospel and discipleship readings of Mary and Martha and the woman at the well A contemporary Kriol psalm and stories of pioneering Australian women theological students and teachers complete the volume Valuable for students and teachers across Bible theology ministry and practice subjects this book is an essential inclusion in any theological library Cloudstreet by Tim Winton Sarah Rutherford, 2001 White Vanishing Elspeth Tilley, 2012-01-01 The story of the vulnerable white person vanishing without trace into the harsh Australian landscape is a potent and compelling element in multiple genres of mainstream Australian culture It has been sung in Little Boy Lost brought to life on the big screen in Picnic at Hanging Rock immortalized in Henry Lawson's poems of lost tramps and preserved in the history books tales of Leichhardt or Burke and Wills wandering in mad circles A world wide audience has also witnessed the many layered and oddly strident nature of Australian disappearance symbolism in media coverage of contemporary disappearances such as those of Azaria Chamberlain and Peter Falconio White Vanishing offers a revealing and challenging re-examination of Australian disappearance mythology exposing the political utility at its core Drawing on wide ranging examples of the white vanishing myth the book provides evidence that disappearance mythology encapsulates some of the most dominant and durable categories at the heart of white Australian culture and that many of those ideas have their origin in colonial mechanisms of inequality and oppression White Vanishing deliberately and perhaps controversially reminds readers that while power is never absolute or irresistible some narrative threads carry a particularly authoritative inheritance of ideas and power relations through time Cambridge International AS and A Level Literature in English Coursebook Elizabeth Whittome, 2014-07-24 Comprehensive student friendly resources designed for teaching Cambridge International AS and A Level Literature in English syllabus 9695 This Coursebook is a comprehensive guide to the study of Literature in English at AS and A Level encouraging both the enjoyment of literature and rigorous academic study It provides a clear approach for any Literature studies syllabus and is divided into three parts Part 1 and Part 2 covering poetry prose and drama at AS and A Level respectively and Part 3 covering key skills needed to succeed in assessment It contains a range of stimulating literary
