*The Price of Trust* Amanda Stephan, 2010-05-18 What was going on Was she allowing herself to think too much of this little town Or just the people in it She blushed as she remembered how her heart had sped up as Joe had sat next to her Carly Richards is on the run For the last two years she s skipped from town to town ducking her dangerous and well informed ex fianc every few weeks never settling anywhere for long With the death of her parents Carly s vulnerability made her trust a man with an attractive faade now that same man tracked her across the country always nipping at her heels preventing her from reaching out to anyone other than her God Now she s in Montana and surely that is far enough away from Texas and her abusive past that she can rest But her emotional scars are reluctant to heal and Carly resists the friendliness of those in the small town she lights upon especially handsome farmer Joe Baird Without a car and money though she has little choice but to dig in and begin building back up her savings so she can run once more Caught in the circumstances the kind people around her begin to creep into her softening heart God is at work and she has to trust him to not only take care of her but care for the people she is learning to love Carly must learn the Price of Trust
