Plot summary

Set in 1919 London and various other outlying locales throughout Britain, young couple Tommy Beresford and Prudence Tuppence Cowley, out of work and money, form The Young Adventurers Ltd, planning to hire themselves out as adventurers willing to do anything, go anywhere, on an unreasonable offer. Being overheard by Mr Whittington, Tuppence is offered a comfortable position, only to be rejected after she gives her name as Jane Finn, a name Tommy overheard when he and Tuppence earlier entered Lyons for tea and a bite and were walking to their table. Funny scraps one does overhear. Lyons was the same restaurant at which Whittington overheard Tommy and Tuppence's plan for their new joint venture. Whittington becomes suspicious of Tuppence, believing her to be blackmailing him. The meeting ends abruptly with Tuppence receiving money with the understanding that she will refrain from using her albeit nonexistent knowledge. Convinced that they can get further money out of Whittington if they play their cards right, Tommy and Tuppence prepare to shadow him, only to discover that he has closed his office and disappeared without a trace. His behaviour indicates to them that there is another angle to the story. To find out, they place an advertisement asking for information regarding Jane Finn. One response is from a Mr Carter, a leading figure in an unnamed British intelligence agency who provides the background to Jane Finn, all of which is earlier revealed to the reader in the book's prologue. Jane Finn was a passenger on the RMS Lusitania when it sank four years prior, in 1915. An American man, knowing he would not be on the lifeboats, entrusted her with getting a secret draft treaty to the American embassy in London should she survive the sinking and be rescued. Since that time, neither Jane Finn nor the draft treaty have been found. At the same time, publication of the treaty's contents would compromise the current British government, potentially leading to a Bolshevik coup. Tommy and Tuppence agree to work for Carter on an unofficial basis, with the aim of recovering the treaty and foiling the Bolsheviks, and especially their elusive leader, Mr Brown. Carter agrees to cover all their expenses as well as pay them a large annualized sum.
