The Queen of Subtleties Suzannah Dunn, 2011-04-28 A tremendously vivid page turning and plausible novel that depicts the rise and fall of Anne Boleyn the most spirited independent and courageous of Henry's gueens as viewed from both the bedrooms and the kitchens of the Tudor court Scarlette: A Gothic Folktale Davonna Juroe, 2013-12-22 Fans of Aaron Mahnke's Lore will be thrilled to read this top bestselling historical fantasy novel that blurs the line between folklore and reality Ninety years before the Brothers Grimm penned their version of Little Red Riding Hood an historic gruesome series of events shocked all of Europe Starting in 1764 an unidentified wolf like animal ferociously mauled dozens of peasants in the G vaudan region of France Whispered rumors of unnatural creatures blended with age old superstition to cause mass hysteria Alarmed King Louis XV sent his best huntsmen to rid the province of the scourge but this legendary massacre had only just begun Scarlette a 19 year old seamstress who labors to make ends meet lives under this looming threat Although fearful of the nightmarish monster lurking in the surrounding forest she remains naive and skeptical of the dark supernatural gossip Until her grandmother is attacked Scarlette learns her grandmother has been infected by the animal s bite Desperate to save her Scarlette begins to uncover the dark secrets of her village and finds there are those who wish to keep their pasts hidden As time grows short Scarlette is befriended by a local nobleman and a woodcutter who both share an eerie history with the wolf Scarlette must unravel the men s connection and solve a long forgotten crime before her grandmother s infection spreads Based on both the traditional Grimm fairy tale and older known French versions of Little Red Riding Hood this Gothic novel is set against the historic 18th century Beast of G vaudan attacks Attacks which echo the age old fears that may have inspired the original fairy tale Unique to the genre the novel revives the fable of the girl in the red cloak with a new historical angle told in a modern prose style Buy Scarlette today to add some fabled legends to your home library Juroe's skill is evident in her writing since the reader may often feel like

s he is reading a classic gothic romance novel rather than something created for the modern teenaged audience Dayla F M Seattle Post Intelligencer Book Review Davonna Juroe s Scarlette is a captivating retelling of Little Red Riding Hood But it is much more than that Folktale historical fiction and gothic romance all blend harmoniously in this dark and suspenseful novel The characters are compelling and complex The plot will keep you guessing until the very end The story is beautifully written With all this in mind I suspect that Davonna Juroe could be a long lost Bront sister Jeremy C Shipp Bram Stoker Award nominated author of Cursed Vacation and Sheep and Wolves

Winterbay Abbey: A Ghost Story John Bladek, Davonna Juroe, 2016-09-08 The Lady of Misrule Suzannah Dunn, 2015-05-07 I saw her file it away a good Catholic girl come to supervise her in her detention Every girl in England now under the circumstances made sure to be a good Catholic girl Except her of course And if only she knew it me Escorting nine days queen Lady Jane Grey across the Tower of London from throne room into imprisonment is Elizabeth Tilney who surprised even herself by volunteering for the job All Elizabeth knows is she s keen to be away from home she could do with some breathing space And anyway it won t be for long everyone knows Jane will go free as soon as the victorious new queen is crowned Which is a good thing because the two sixteen year olds cooped up together in a room in the Gentleman Gaoler s

house couldn't be less compatible Protestant Jane is an icily self composed idealist and catholic Elizabeth is well anything but They are united though by their disdain for the seventeen year old to whom Jane has recently been married off petulant noisily aggrieved Guildford Dudley held prisoner in a neighbouring tower and keen to pursue his prerogative of a daily walk with his wife As Jane's captivity extends into the increasingly turbulent last months of 1553 the two girls learn to live with each other but Elizabeth finds herself drawn into the difficult relationship between the newlyweds And when at the turn of the year events take an unexpected and dangerous direction her newfound loyalties are put to the test **Violence** Frances E. Dolan, 2010-11-24 Marriage is often described as a melding of two people into one But what or who must be lost fragmented or buried in that process We have inherited a model of marriage so flawed Frances E Dolan contends that its logical consequence is conflict Dolan ranges over sixteenth and seventeenth century Puritan advice literature sensational accounts of true crime and late twentieth century marriage manuals and films about battered women who kill their abusers She reads the inevitable Taming of the Shrew against William Byrd s diary of life on his Virginia plantation Noel Coward's Private Lives and Barbara Ehrenreich's assessment in Nickel and Dimed of the relationship between marriage and housework She traces the connections between Phillippa Gregory s best selling novel The Other Boleyn Girl and documents about Anne Boleyn's fatal marriage and her daughter Elizabeth I's much debated virginity By contrasting depictions of marriage in the sixteenth and seventeenth centuries and our own time she shows that the early modern apprehension of marriage as an economy of scarcity continues to haunt the present in the form of a conceptual structure that can accommodate only one fully developed person When two fractious individuals assert their conflicting wills resolution can be achieved only when one spouse absorbs subordinates or eliminates the other In an era when marriage remains hotly contested this book draws our attention to one of the histories that bears on the present a history in which marriage promises both intimate connection and fierce conflict both companionship and competition Web Designer's **Idea Book, Volume 4** Patrick McNeil, 2014-10-17 Discover the latest trends in web design Looking for inspiration for your latest web design project Expert Patrick McNeil author of the popular Web Designer's Idea Book series is back with all new examples of today s best website design Featuring more than 650 examples of the latest trends this fourth volume of The Web Designer's Idea Book is overflowing with visual inspiration Arranged categorically this fully illustrated guide puts important topics like design styles elements themes and responsive design at your fingertips. Glamour, 2008 **Commencing Our Descent** Suzannah Dunn, 2000 Sadie is in a tailspin will anyone break her fall Having had more than her share of misfortune Sadie Summerfield seems to have finally ended up lucky She has the perfect homelife For the first time in a very long time she has a future So when another man a cautious subdued man so very

different from her own warm hearted husband drifts into Sadie's life she must ask herself the question Is she ready to risk everything for the sake of love And besides shouldn t affairs begin with a shiver of danger with the thrill of the chase rather than this In Commencing Our Descent Suzannah Dunn proves she has unrivalled access to the most hidden most intimate workings of our lives and longings our marriages and affairs our secrets and lies Wry sharp and witty this is her most astute and affecting novel yet Suzannah here combines the sharpness and tautness of her short stories with the warmth and detail of her novels and achieves perfect balance The Faithful Juliet West, 2017-06-15 As Britain is pulled towards war the secrets within two families threaten to tear them apart in the outstanding novel from Juliet West The Faithful July 1935 In the village of Aldwick on the Sussex coast sixteen year old Hazel faces a long dull summer with just her self centred mother Francine for company But then Francine decamps to London with her lover Charles Oswald Mosley's blackshirts arrive in Aldwick and Hazel's summer suddenly becomes more interesting. She finds herself befriended by two very different people Lucia an upper class blackshirt passionate about the cause and Tom a young working class boy increasingly scornful of Mosley's rhetoric In the end though it is Tom who wins Hazel's heart and Hazel who breaks his Autumn 1936 Now living in London Hazel has grown up fast over the past year But an encounter with Tom sends her into freefall He must never know why she cut off all contact last summer betraying the promises they d made Yet Hazel isn t the only one with secrets Nor is she the only one with reason to keep the two of them apart From the beaches of Sussex to the battlefields of civil war Spain The Faithful is a rich and gripping tale of love deception and desire Past Caring Suzannah Dunn, 1995 Testimony of Alys Twist Suzannah Dunn, 2020-09-24 Arrested by her sister for treason who in her household can Elizabeth trust 1553 deeply divided England rejoices as the rightful heir Mary Tudor sweeps to power on a tide of populist goodwill But the people should have been careful what they wished for Mary's mission is to turn back time to an England of old Within weeks there is widespread rebellion in favour of her heir her half sister Princess Elizabeth who is everything that Mary isn t From now on Elizabeth will have to use her considerable guile just to stay alive Orphan Alys Twist has come a long way further than she ever dared hope to work as a laundress at the royal wardrobe There she meets Bel daughter of the Queen s tailor and seems to have arrived at her own happy ending But in a world where appearance is everything a laundress is in a unique position to see the truth of people s lives and Alys is pressed into service as a spy in the errant princess s household Alys herself though is hardly whiter than white and when the princess is arrested she must make a dangerous choice Reader praise for The Testimony of Alys Twist This is an interesting story with much intrigue It s rare to find an established novelist who includes Sapphic themes within their work but that is exactly what the author has done here It's very much a character driven tale with Alys front and centre Reader review I like Suzannah Dunn s take on Tudor history as she writes well uses modern vernacular to make historical characters just like us and usually does her research on the material aspects of history Here she's clearly done her homework Reader review **Levitation for Beginners** Suzannah Dunn, 2024-04-04 This is a

novel about everything and nothing sour and melancholy with elements of sheer comedy and almost unbearable beauty The older Deborah reflects that I m surprised any of us lived to tell the tale and if this subtle book has a message it is how alien and yet how relatable the past remains Guardian Book of the Day A glorious writer witty well observed and full of heart Irish Independent A bittersweet nostalgia tinged adventure with a steadily growing voltage Daily Mail A deliciously unsettling read Clare Chambers author of Small Pleasures Lovely Patrick Gale A sharp eye and keen wit are brought to bear on the secrets and lies of a small rural community secrets and lies that may prove deadly It s 1972 and ten year old Deborah is living a ten year old life butterscotch angel delight and Raleigh chopper bikes and Clunk Click and Crackajack and Jackanory Layla and the Bee Gees flares and ponchos But new girl Sarah Jayne breezes into school pretty as a picture and full of gossip and speculation as well as unlikely but thrilling stories about levitation The other girls are dazzled but Deborah is wary and keeps her distance That same week eighteen year old brickie Sonny turns up on her doorstep with a stray tortoise and begins an unlikely friendship with her young widowed mum That's bad enough Deborah thinks but then Sonny starts work on a site opposite the school and Sarah Jayne decides he s the latest love of her life Nothing escapes Sarah Jayne and Deborah fears what she ll make of her mum It s good to be different her mum often says but not Deborah knows too different So Deborah changes tactics keeping her friends close and her enemy closer even stepping up for some of Sarah Jayne's levitation sessions Then she s invited to Sarah Jayne s lovely house where she meets her charming family and encounters Sarah Jayne s big sister's fiance Max which is when she senses that all isn't guite as it seems
