

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against interference in a residential environment. However, this equipment may cause interference with other equipment, in which case you may need to take certain steps to prevent interference. If this equipment does cause interference to radio or television reception, you can try to correct the interference by one or more of the following steps:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Any changes or modifications to this device not explicitly approved by the manufacturer could void your authority to operate this equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device must not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This device has been tested to meet specific RF exposure requirements. The device can be used in portable exposure condition without restriction.

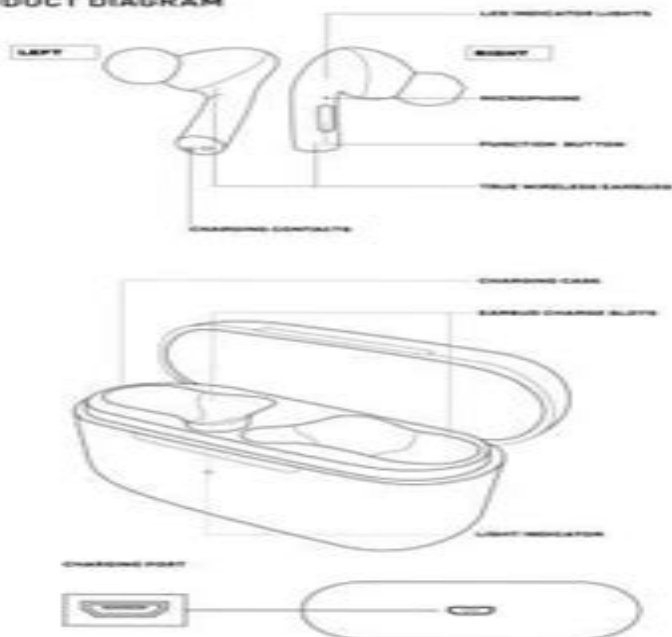

BATTERY SAFETY: This product is fitted with a Li-Ion Polymer battery. Do not damage, open or disassemble the battery and do not use it in damp or other corrosive conditions. Only use compatible chargers. Never dispose batteries in a fire and never expose them to high temperatures. Do not expose the product to temperatures exceeding 60°C (140°F).

BATTERY DISPOSAL: The crossed-out wheeled bin symbol means that you may not dispose of this product together with general household waste. Contact your local authority for electrical and electronic equipment. For more information about local recycling or disposal, contact your local authority. CONTENTS

1 Pair of Earbuds	1 Charging Case	1 User Manual	1 USB Cable	1 Charging Cable	1 Charging Case
-------------------	-----------------	---------------	-------------	------------------	-----------------

CHARGING THE CHARGE CASE

The charge case is used to charge the earbuds, which must be fully charged before first use. Keep it fully charged regularly for maximum performance. If it has not been used in a while, it is recommended to fully charge the battery. To charge:

- Insert the micro-USB connector of the included USB cable into the micro-USB charging input port on the charge case.
- Insert the larger USB end of the cable into a computer USB or a compatible USB DC 5V wall charger that is labeled to charge through a standard wall outlet. The indicator light will turn on while charging and will turn off when charging is complete. Unplug from the power source after charging is complete.
- NOTE: If earbuds are inside the charge case, they will power charging while the case is being charged.

CHARGING THE EARBUDS

The earbuds must be fully charged before use. The charge case must also be fully charged for maximum performance. To charge:

- Insert the left and right earbuds into their corresponding charge slots, ensuring the charge contacts on the bottom of the earbuds line up and connect with the contacts within the charge slots. 2. Close the lid of the charge case. The light indicator on the charge case will turn on when earbuds are charging and will turn off when earbuds are fully charged.
- NOTE: If earbuds are inside the charge case, they will power charging while the case is being charged.
- NOTE: When battery power is low the LED will blink red and there may be an alerting sound, even while music is playing. Fully charge the battery to resume normal operation.

PAIRING WITH A BLUETOOTH DEVICE

- Make sure both earbuds are charged as explained above.
- Turn on the Bluetooth function on the device you want to connect. The earbuds will automatically pair and connect with each other. When they are successfully connected, one of the earbud LED indicator lights will flash rapidly, signaling that the earbuds are in pairing mode.
- To pair the earbuds with your device, activate the Bluetooth function on your device. It should automatically detect the earbuds and connect to them. If it does not, you may need to manually pair the earbuds. To manually pair the earbuds, press and hold the function button on the earbuds for 5 seconds. The earbuds will flash red and there may be an alerting sound, even while music is playing. Fully charge the battery to resume normal operation.
- NOTE: When pairing with a Bluetooth device, the earbuds will automatically connect with the last successfully paired device.

WIRELESS EARBUDS OPERATION

The earbuds have a variety of features that can be controlled using the touch-sensitive controls on the earbuds. To use the earbuds:

- Press and hold the function button on the earbuds for 5 seconds to power on the earbuds.
- To answer or incoming call, press and hold the function button on either earbud for one second.
- To end or hang up a call, press and hold the function button on either earbud for one second.
- To answer or incoming call, press and hold the function button on either earbud for one second.
- To end or hang up a call, press and hold the function button on either earbud for one second.
- To answer or incoming call, press and hold the function button on either earbud for one second.
