

Alexis De Tocqueville A Life

Olivier Zunz

Alexis De Tocqueville A Life:

Alexis de Tocqueville Hugh Brogan,2006 It is now 200 years since the birth of Alexis de Tocqueville French aristocrat liberal politician and writer of genius whose great works *Democracy in America* and *the Ancien Regime* are ever more influential and discussed As the son of a noble family which was nearly wiped out in the Revolution and as an ambitious politician during the July Monarchy and the Second Republic he had a front seat at the revolutionary drama of his time His writings are hugely valuable for the study of French British and American society during his life he visited the US in 1831 to gather material It is Brogan s long held ambition to write this biography No one has yet attempted a biography of de Tocqueville in the English tradition and for that reason he is not fully present to the public imagination rather than an intellectual monument This superb work will put that right **Alexis de Tocqueville** Hugh Brogan,2010-08-06 As the son of a noble family which was nearly wiped out in the Revolution and as an ambitious politician during the July Monarchy and the Second Republic Alexis de Tocqueville had a front seat at the revolutionary drama of his time In 1831 Tocqueville made the famous voyage to the United States which led to his masterpiece *Democracy in America* one of the most vital works in the history of democratic thought One of the delights of this remarkable biography is to let its readers see the past as if it were the present through the eyes of civilised Frenchmen like Tocqueville A biography as humane learned humorous and perceptive as this extends our knowledge of ourselves and where we came from as well as painting an incomparable portrait of one of the sharpest and most sympathetic writers of all time Hilary Spurling *Observer* A magisterial book by an eminent scholar of both European and American history this will stand as the standard biography of Tocqueville for years to come

The Man Who Understood Democracy Olivier Zunz,2023-11-14 Olivier Zunz tells the story of a radical thinker who uniquely charged by the events of his time both in America and France used the world as a laboratory for his political ideas Giving equal attention to the French and American sources of Tocqueville s unique blend of political philosophy and political action *The Man Who Understood Democracy* offers the richest most nuanced portrait yet of a man who born between the worlds of aristocracy and democracy fought tirelessly for the only system that he believed could provide both liberty and equality Book cover Alexis de Tocqueville: Selected Letters on Politics and Society Alexis de Tocqueville,2023-11-10 This title opens a new window into the life and thought of Alexis de Tocqueville presenting him as not only a political thinker but also a person deeply shaped by the tensions and ideals of his time Known for *Democracy in America* Tocqueville s insights into American democracy have often overshadowed his reflections on French society friendship and personal struggles This compilation of letters many unpublished in English before spans his political career his friendships and his inner conflicts revealing his ongoing battle between intellectual ideals and the harsh realities of the political landscape His letters bring to light a Tocqueville who was both drawn to political action and increasingly disillusioned by the self serving nature of his era s middle class Tocqueville s correspondence reveals a figure influenced by both Enlightenment rationalism and Romanticism s

emphasis on feeling and individuality While often critical of Romantic melancholy he was himself plagued by existential doubt and frustration over the limited impact of his political actions He viewed society's growing emphasis on materialism and self interest as symptoms of a broader decline leaving him torn between admiration for civic virtues and disappointment in the era's lack of ambition Religion and friendship emerge as stabilizing forces in his life with his close bond with Gustave de Beaumont standing out as a source of both comfort and challenge The letters show how Tocqueville's personal relationships and ethical convictions shaped his intellectual pursuits and his concerns for France's future The editors Roger Boesche and James Toupin present these letters with careful translation and thorough contextual notes giving readers both the historical background and access to Tocqueville's unique literary style The work provides readers with a portrait of a man wrestling with the challenges of his age caught between democratic ideals and the evolving reality of French society For modern readers these letters illuminate how Tocqueville's personal struggles informed his enduring political insights highlighting his belief in community and civic duty as essential defenses against tyranny This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985

Tocqueville between Two Worlds Sheldon S. Wolin, 2009-02-09 Alexis de Tocqueville may be the most influential political thinker in American history He also led an unusually active and ambitious career in French politics In this magisterial book one of America's most important contemporary theorists draws on decades of research and thought to present the first work that fully connects Tocqueville's political and theoretical lives In doing so Sheldon Wolin presents sweeping new interpretations of Tocqueville's major works and of his place in intellectual history As he traces the origins and impact of Tocqueville's ideas Wolin also offers a profound commentary on the general trajectory of Western political life over the past two hundred years Wolin proceeds by examining Tocqueville's key writings in light of his experiences in the troubled world of French politics He portrays Democracy in America for example as a theory of discovery that emerged from Tocqueville's contrasting experiences of America and of France's constitutional monarchy He shows us how Tocqueville used *Recollections* to reexamine his political commitments in light of the revolutions of 1848 and the threat of socialism He portrays *The Old Regime and the French Revolution* as a work of theoretical history designed to throw light on the Bonapartist despotism he saw around him Throughout Wolin highlights the tensions between Tocqueville's ideas and his activities as a politician arguing that despite his limited political success Tocqueville was perhaps the last influential theorist who can be said to have truly cared about political life In the course of the book Wolin also shows that Tocqueville struggled with many of the forces that constrain politics today including the relentless advance of capitalism of science and technology and of state bureaucracy He concludes that Tocqueville's insights and anxieties about the impotence of politics in a postaristocratic era

speak directly to the challenges of our own postdemocratic age A monumental new study of Tocqueville this is also a rich and provocative work about the past the present and the future of democratic life in America and abroad Tocqueville and His America Arthur Kaledin,2011-08-23 Kaledin offers an original combination of biography character study and wide ranging analysis of Toqueville s Democracy in America bringing new light to that classic work Introduction to Sociological Theory Michele Dillon,2009-09-22 Combining carefully chosen primary quotes with extensive discussion and everyday illustrative examples this book provides an in depth introduction to classical and contemporary theory Uses a wide range of newspaper examples to illustrate the relevance to sociological theory Contains excerpts from theorists primary texts Includes chapter specific glossaries of all theoretical concepts discussed in the book Short biographies and historical timelines of significant events provide context to various theorists ideas Incorporates a range of pedagogical features Supporting website includes multiple choice and essay questions PowerPoint slides a quotation bank and other background materials Visit www.wiley.com/go/dillon for additional student and instructor resources Alexis de Tocqueville ,1954* *The Psychology of Inequality* Michael Locke McLendon,2018-12-14 In *The Psychology of Inequality* Michael Locke McLendon looks to Jean Jacques Rousseau s thought for insight into the personal and social pathologies that plague commercial and democratic societies He emphasizes the way Rousseau appropriated and modified the notion of self love or amour propre found in Augustine and various early modern thinkers McLendon traces the concept in Rousseau s work and reveals it to be a form of selfish vanity that mimics aspects of Homeric honor culture and in the modern world shapes the outlook of the wealthy and powerful as well as the underlying assumptions of meritocratic ideals According to McLendon Rousseau s elucidation of amour propre describes a desire for glory and preeminence that can be dangerously antisocial as those who believe themselves superior derive pleasure from dominating and even harming those they consider beneath them Drawing on Rousseau s insights McLendon asserts that certain forms of inequality especially those associated with classical aristocracy and modern day meritocracy can corrupt the mindsets and personalities of people in socially disruptive ways *The Psychology of Inequality* shows how amour propre can be transformed into the demand for praise whether or not one displays praiseworthy qualities and demonstrates the ways in which this pathology continues to play a leading role in the psychology and politics of modern liberal democracies *What They Saw in America* James L. Nolan (Jr.),2016-05-17 Chronicling the visits of four important figures this book will help Americans better understand themselves and how outsiders perceive them *Classical Debates for the 21st Century* Thomas Hueglin,2008-02-01 *Classical Debates for the 21st Century* distinctively reconsiders the canon of political thought in the context of current world events by presenting debates between the ideas of classical theorists It is through these debates that Thomas O Hueglin argues that exclusive state sovereignty individual citizenship and majority rule have become questionable categories of political theory and practice in a globalizing world To a large extent the classical canon of political thought has been constructed in order to give legitimacy to these categories but it is time to rethink the

validity of that canon and to search for alternative voices and traditions that emphasize plurality shared sovereignty and complex patterns of representation and decision making This does not mean that the familiar names in the classical canon have to disappear But they should be examined more critically for their continued importance and additional theorists thus far neglected should complement them Each chapter is organized as a debate between two theorists with contrasting views and approaches At the end of each chapter there is a critical evaluation of these political theorists continued or renewed relevance

Tocqueville, Jansenism, and the Necessity of the Political in a Democratic Age David Selby, 2025-10-01 Before being declared heretical in 1713 Jansenism was a Catholic movement focused on such central issues as original sin and predestination In this engaging book David Selby explores how the Jansenist tradition shaped Alexis de Tocqueville's life and works and argues that once that connection is understood we can apply Tocqueville's political thought in new and surprising ways Moving from the historical sociology of Jansenism in seventeenth and eighteenth century France to contemporary debates over the human right to education the role of religion in democracy and the nature of political freedom Selby brings Tocqueville out of the past and makes him relevant to the present revealing that there is still much to learn from this great theorist of democracy

The Lives of the Constitution Joseph Tartakovsky, 2019-10-08 In a fascinating blend of biography and history Joseph Tartakovsky tells the epic and unexpected story of our Constitution through the eyes of ten extraordinary individuals some renowned like Alexander Hamilton and Woodrow Wilson and some forgotten like James Wilson and Ida B Wells Barnett Tartakovsky brings to life their struggles over our supreme law from its origins in revolutionary America to the era of Obama and Trump Sweeping from settings as diverse as Gold Rush California to the halls of Congress and crowded with a vivid Dickensian cast Tartakovsky shows how America's unique constitutional culture grapples with questions like democracy racial and sexual equality free speech economic liberty and the role of government Joining the ranks of other great American storytellers Tartakovsky chronicles how Daniel Webster sought to avert the Civil War how Alexis de Tocqueville misunderstood America how Robert Jackson balanced liberty and order in the battle against Nazism and Communism and how Antonin Scalia died warning Americans about the ever growing reach of the Supreme Court From the 1787 Philadelphia Convention to the clash over gay marriage this is a grand tour through two centuries of constitutional history as never told before and an education in the principles that sustain America in the most astonishing experiment in government ever undertaken

The Wiley-Blackwell Companion to Major Social Theorists George Ritzer, Jeffrey Stepnisky, 2011-03-31 Reflecting emerging research and ongoing reassessments of social theory The Wiley Blackwell Companion to Major Social Theorists offers significant updates and revisions to the original Blackwell Companion published a decade ago Volume 1 Features updates and revisions to all essays from original volume plus the addition of 11 new authors Includes six new essays featuring coverage of theorists not included in original volume Ibn Khaldun de Tocqueville Schumpeter Mannheim Veblen and Adorno Supplemented with comprehensive bibliographies on primary and secondary

sources with a brief reader's guide accompanying each essay Addresses continuing relevance of most theories and their importance to contemporary scholarship Volume 2 Features updates and revisions to all essays from original volume plus the addition of 16 new authors Includes 11 new essays featuring coverage of theorists not included in original volume including Deleuze Bauman Smith Luhmann Agamben and others Supplemented with comprehensive bibliographies on primary and secondary sources with a brief reader's guide accompanying each essay Essays placed in social and historical context to allow readers to see how theorists have responded to pressing contemporary social and political issues **The Cambridge Companion to Democracy in America** Richard Boyd, 2022-03-24 These essays explore important themes and contemporary legacies of Alexis de Tocqueville's classic work *Democracy in America* *French Revolutionary Lives* David A. Bell, Colin Jones, 2024-09-12 Historians have long used biography and life narratives as a means of understanding the French Revolution as classic studies on major figures such as Robespierre and Napoleon attest At the current moment however many of the most creative such studies are focusing on relatively minor revolutionary figures Such work which combines the techniques of classic biography and microhistory reveals how the great political social cultural and religious transformations of the revolutionary era were refracted through the prism of individual experience This work often links to research and writing taking place in adjacent disciplines notably around the ideas and practices of life writing These studies themselves often grounded in the history of emotions resist the biographical illusion that an individual's essence can be inferred unproblematically from their words and actions and they also transcend the tendency to see those words and actions as merely symptoms of broader political processes By focusing on individual life stories in their own right and insisting on the slipperiness of individual identity this book explores emergent forms of subjectivity *The Palgrave Handbook of Religion and State Volume I* Shannon Holzer, 2023-10-11 The Palgrave Handbook of Religion and State Volume I Theoretical Perspective deals with the relationship between Religion and its long history that has played out throughout time and across the globe Countries in Africa the Middle East and Europe approach the subject of religion and the state in various ways While the word religion to westerners usually brings Christianity to mind in Japan it is Shintoism and Buddhism Volume II offers chapters on the relationship of both Shintoism and Buddhism to the Japanese state It is very easy to see how the deeply traditional Japanese citizens may come into conflict with the strictly secular Japanese state It also contains chapters about mosque and state as well as synagogue and state *Tocqueville and the Old Regime* Richard Herr, 2015-12-08 Professor Herr's brief and attractively presented *Tocqueville and the Old Regime* is to be commended to all who are interested in Tocqueville and his great hook on The Ancien Regime and the Revolution Originally published in 1962 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase

access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **A Life's Decision** Thomas William Allies, 1880 Tocqueville, Covenant, and the Democratic Revolution Barbara Allen, 2005-01-01 Tocqueville Covenant and the Democratic Revolution examines the intellectual and institutional context in which Alexis de Tocqueville developed his understanding of American political culture with its profound influence on his democratic theory American democracy Tocqueville maintained had emerged from the covenant tradition of Reformed Protestantism The covenant or foederal theology of New England Puritans provided the ideational basis for federated church and civil government which directly influenced the American constitutionalism and the republican institutions that Tocqueville later observed Tocqueville suggested that the principles underlying American constitutionalism offered broader lessons in the art and science of self government An important book for scholars of Tocqueville as well as American political thought this book suggests that an understanding of the American covenant tradition is critical to our interpretation of Tocqueville s analysis of the democratic revolution and the new science of politics it necessitated

Alexis De Tocqueville A Life Introduction

In today's digital age, the availability of Alexis De Tocqueville A Life books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Alexis De Tocqueville A Life books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Alexis De Tocqueville A Life books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Alexis De Tocqueville A Life versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Alexis De Tocqueville A Life books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Alexis De Tocqueville A Life books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Alexis De Tocqueville A Life books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Alexis De Tocqueville A Life books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Alexis De Tocqueville A Life books and manuals for download and embark on your journey of knowledge?

FAQs About Alexis De Tocqueville A Life Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Alexis De Tocqueville A Life is one of the best book in our library for free trial. We provide copy of Alexis De Tocqueville A Life in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Alexis De Tocqueville A Life. Where to download Alexis De Tocqueville A Life online for free? Are you looking for Alexis De Tocqueville A Life PDF? This is definitely going to save you time and cash in something you should think about.
