Alexis de Tocqueville

Alexis De Tocqueville:

Alexis de Tocqueville Hugh Brogan, 2006 It is now 200 years since the birth of Alexis de Tocqueville French aristocrat liberal politician and writer of genius whose great works *Democracy in America* and *the Ancien Regime* are ever more influential and discussed As the son of a noble family which was nearly wiped out in the Revolution and as an ambitious politician during the July Monarchy and the Second Republic he had a front seat at the revolutionary drama of his time His writings are hugely valuable for the study of French British and American society during his life he visited the US in 1831 to gather material It is Brogan's long held ambition to write this biography No one has yet attempted a biography of de Tocqueville in the English tradition and for that reason he is not fully present to the public imagination rather than an intellectual monument This superb work will put that right

Alexis de Tocqueville: Selected Letters on Politics and Society Alexis de Tocqueville, 2023-11-10 This title opens a new window into the life and thought of Alexis de Tocqueville presenting him as not only a political thinker but also a person deeply shaped by the tensions and ideals of his time Known for *Democracy in America* Tocqueville's insights into American democracy have often overshadowed his reflections on French society friendship and personal struggles This compilation of letters many unpublished in English before spans his political career his friendships and his inner conflicts revealing his ongoing battle between intellectual ideals and the harsh realities of the political landscape His letters bring to light a Tocqueville who was both drawn to political action and increasingly disillusioned by the self-serving nature of his era's middle class Tocqueville's correspondence reveals a figure influenced by both Enlightenment rationalism and Romanticism's emphasis on feeling and individuality While often critical of Romantic melancholy he was himself plagued by existential doubt and frustration over the limited impact of his political actions He viewed society's growing emphasis on materialism and self-interest as symptoms of a broader decline leaving him torn between admiration for civic virtues and disappointment in the era's lack of ambition Religion and friendship emerge as stabilizing forces in his life with his close bond with Gustave de Beaumont standing out as a source of both comfort and challenge The letters show how Tocqueville's personal relationships and ethical convictions shaped his intellectual pursuits and his concerns for France's future The editors Roger Boesche and James Toupin present these letters with careful translation and thorough contextual notes giving readers both the historical background and access to Tocqueville's unique literary style The work provides readers with a portrait of a man wrestling with the challenges of his age caught between democratic ideals and the evolving reality of French society For modern readers these letters illuminate how Tocqueville's personal struggles informed his enduring political insights highlighting his belief in community and civic duty as essential defenses against tyranny This title is part of UC Press's *Voices Revived* program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on

demand technology This title was originally published in 1985 Alexis de Tocqueville on Democracy, Revolution, and Society Alexis de Tocqueville, 1980 Alexis de Tocqueville possessed one of the most fertile sociological imaginations of the nineteenth century For more than 120 years his uncanny predictive insight has continued to fascinate thinkers and his writings have continued to influence our interpretations of history and society His analyses of many issues remain relevant to current social and political problems In this volume John Stone and Stephen Mennell bring together for the first time selections from the full range of Tocqueville's writings selections that illustrate the depth of his insight and analysis

Alexis de Tocqueville Hugh Brogan, 2010-08-06 As the son of a noble family which was nearly wiped out in the Revolution and as an ambitious politician during the July Monarchy and the Second Republic Alexis de Tocqueville had a front seat at the revolutionary drama of his time In 1831 Tocqueville made the famous voyage to the United States which led to his masterpiece *Democracy in America* one of the most vital works in the history of democratic thought One of the delights of this remarkable biography is to let its readers see the past as if it were the present through the eyes of civilised Frenchmen like Tocqueville A biography as humane learned humorous and perceptive as this extends our knowledge of ourselves and where we came from as well as painting an incomparable portrait of one of the sharpest and most sympathetic writers of all time Hilary Spurling *Observer* A magisterial book by an eminent scholar of both European and American history this will stand as the standard biography of Tocqueville for years to come *Alexis de Tocqueville and the Art of Democratic Statesmanship* Brian Danoff, L. Joseph Hebert Jr., 2010-12-13 In 1835 Alexis de Tocqueville famously called for a new political science that could address the problems and possibilities of a world itself quite new For Tocqueville the democratic world needed not just a new political science but also new arts of statesmanship and leadership In this volume Brian Danoff and L. Joseph Hebert Jr have brought together a diverse set of essays revealing that Tocqueville's understanding of democratic statesmanship remains highly relevant today The first chapter of the book is a new translation of Tocqueville's 1852 address to the Academy of Moral and Political Sciences in which Tocqueville offers a profound exploration of the relationship between theory and practice and between statesmanship and political philosophy Subsequent chapters explore the relationship between Tocqueville's ideas on statesmanship on the one hand and the ideas of Plato Aristotle Machiavelli Montesquieu the Puritans the Framers of the U S Constitution Oakeshott Willa Cather and the Second Vatican Council on the other Timely and provocative these essays show the relevance of Tocqueville's theory of statesmanship for thinking about such contemporary issues as the effects of NGOs on civic life the powers of the American presidency the place of the jury in a democratic polity the role of religion in public life the future of democracy in Europe and the proper balance between liberalism and realism in foreign policy *An Analysis of Alexis de Tocqueville's Democracy in America* Elizabeth Morrow, 2017-07-05 Alexis de Tocqueville's 1838 *Democracy in America* is a classic of political theory and of the problem solving skills central to putting forward political ideas Problem solving has several aspects identifying problems finding methodologies to deal with them and

applying the right criteria to work out how to solve them Indeed offering solutions is only the last stage in a developed process of problem solving For Tocqueville the problem at hand was how best to run a democratic state In the early 19th century it seemed clear that Europe was headed in the direction of democracy but in the wake of the French Revolution it was unclear how to avoid the many pitfalls on that road Tocqueville therefore turned to America then point the most established democracy in the world to investigate the institutions that allowed it to run as a successful state allowing people their say while preventing both the possible tyranny of the majority and the uncontrolled growth of government Tocqueville s careful analysis of the strengths of American democracy was then applied to the problems of instituting democracy in France providing a range of solutions that proved deeply influential in European political thought

Alexis De Tocqueville Introduction

In the digital age, access to information has become easier than ever before. The ability to download Alexis De Tocqueville has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Alexis De Tocqueville has opened up a world of possibilities. Downloading Alexis De Tocqueville provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Alexis De Tocqueville has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Alexis De Tocqueville. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Alexis De Tocqueville. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Alexis De Tocqueville, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Alexis De Tocqueville has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
