information about the wine maker as well as descriptions of the wines The Wines and Foods of Piemonte Tom Hyland, 2017-01-11 Piemonte in northwestern Italy is one of the world's greatest wine and food regions. This book, written by Tom Hyland, a specialist in Italian wines for more than twenty years, is divided into two parts: the first is the author's overview of the region's wines, from the great reds such as Barolo and Barbaresco to the whites, sparkling, and dessert wines. The second part contains interviews with twenty of the region's leading winemakers, winery owners, and chefs. There is also an appendix that covers the leading restaurants of Piemonte along with a list of more than 200 local wines recommended by the author. There are more than 40 photos, many of them in color, all taken by the author, encompassing the landscape and the foods. The maps illustrating the wine districts of the region were created especially for this book by famed cartographer Alessandro Masnaghetti.

Grandi Vini Joseph Bastianich, 2010-11-09 Travel through the Italian countryside with Joseph Bastianich in search of the country's eighty-nine finest wines. Joseph Bastianich is steeped in Italian wines like no one else. Not only is he the co-owner with Mario Batali of some of America's premier Italian restaurants, but he also produces wine on four separate estates, three in Italy, and is responsible for bringing Eataly, the groundbreaking artisanal Italian food and wine marketplace to New York. His thoughtfully honed list of favorite wines makes for a fascinating journey that brings Italian wines to life. Grandi Vini introduces readers to the greatest wines in Italy by bringing them to the vineyards and introducing the winemakers behind the bottles. More than simply appealing to the palate, the wines on Joe's list have made an impact on the industry. In Central Italy, he recommends a stunning Sangiovese in Emilia Romagna produced at San Patrignano, the largest drug rehabilitation center in Europe. The island of Sicily is typically known for bulk commercial wine, but now, in the unique terroir of Mount Etna, wine lovers can discover the perfectly fresh dry white Pietramarina produced by the forward-thinking Benati family. And we can't forget the great Barolos. Bastianich selects a specific list of wines from this legendary production region, some of which come from family outfits like Barolo Rocche dell'Annunziata Riserva of Paolo Scavino, by the son of the winery's founder, and others that have emerged only recently, like the Barolo Cannubi Boschis made by Luciano Sandrone, a winemaker who only started producing great wine in the 1990s. Grandi Vini also includes a wine list in the back of the book that shares vinification, production, and website information for every wine. With lovely hand-illustrated maps locating the wineries in their various regions, Grandi Vini is a rich exploration of eighty-nine Italian wines that rank among the world's best, a wonderful read for any wine enthusiast.

The Wine List Grant Reynolds, 2023-11-07 A one-of-a-kind exploration of the relationship between culture, politics, history, and wine. Vintage refers to the year grapes are harvested, and that vintage holds meaning. You can look up the weather in any almanac, but some stories are known only to insiders until now. In this wine book, Grant Reynolds, award-winning sommelier, deciphers these signatures to reveal the impact of marketing and mentorship, technology and trends, and influencers old and new. Beginning in the late eighteenth century with a tale about Thomas Jefferson's secret White House stash and spanning over a quarter of a millennium to social media's

effect on chenin blanc's popularity The Wine List explores both the chemistry and sociology that have made vintages taste a certain way fetch a certain price or go extinct altogether Featuring sidebars on topics like the taste of climate change mini timelines capturing significant historical moments and collage style illustration these entries solidify the idea that every bottle is a product of a particular moment in time A must read for fans of wine books like Wine Folly or The World Atlas of Wine The Wine List is a fresh new wine bible perfect for anyone looking for bar cart books or gifts for wine lovers
