Contemplative Vision Juliet Benner, 2025-08-11 While working as a docent in an art gallery Juliet Benner began showing people how to meditate on Christian art treasures that are rooted in a passage of Scripture She taught a way of encountering the Word behind both the words of Scripture and the artist's meditation on Scripture This became a way of seeing art as an aid to contemplative prayer This process resulted in her much beloved O Taste and See columns that appeared in the spiritual formation journal Conversations now expanded into this book In each chapter you'll encounter a passage of Scripture and a corresponding piece of art You'll be guided into deeper levels of meaning and reflection through the text and the questions at the end of each chapter In the process you'll find yourself entering into a new experience of prayer and meditation in God's presence *Acceptable Words* Gary D. Schmidt, Elizabeth Stickney, 2012-08-31 Acceptable Words offers prayers that correspond with each stage of the writer's work from finding inspiration to penning the first words to offering it to God at completion Gary Schmidt and Elizabeth Stickney experienced writers themselves introduce each chapter of prayers with pithy pastoral reflections that will encourage writers in their craft This welcome spiritual resource for writers includes both ancient and contemporary poems and prayers some of which were written especially for this volume A thoughtful gift for any writer Acceptable Words will accompany writers on their spiritual journey lending words of praise and petition

broadside a *The Message of John* Bruce Milne, 2020-04-23 John's Gospel has had an incalculable impact on human history. Its pages contain a moral and spiritual potency which over the centuries has transformed communities, brought about political change and remade human character on a scale without precedent. The power remains in the Gospel today. At its centre, as at the centre of his exposition, is Jesus Christ in his glory and grace, majesty and tenderness. Bruce Milne believes that we can experience his presence even today for the Gospel was written that you may have life in his name. The Gospel of John is a witness to the King as much a tract for our times as for John's. Bruce Milne's exposition focuses on the ministry of Jesus before his incarnation during his life on earth and after his resurrection. The centrepiece of this Gospel is the cross and its background, the solemnity of God's judgment of the world.
