Abandonment to Divine Providence [Abridged Edition] Jean-Pierre de Caussade,2017-05-21 In Abandonment to Divine Providence Jean Pierre de Caussade wrote that the present moment is holy and that people should abandon themselves to present a stance that is in stark contrast to the Catholic focus on the future and life after death For de Caussade living in the moment meant having a complete trust and faith in God for God s will defined and guided all things The practical advice contained in his guidebook for the faithful was originally a series of letters written for the Nuns of the Visitation of Nancy meant to help them navigate the confusing and difficult work of spiritual enlightenment and comes together here in two distinct parts one for the theoretical foundations of abandoning oneself to the present moment and one with practical advice on how to live such a life Though a departure from the standard Christian perspective Abandonment to Divine Providence remains a deeply spiritual work with a message that many Christians may find freeing and inspiring The
