Abandonment To Divine Providence 1921:

Abandonment To Divine Providence (1921) Jean-Pierre De Caussade, 2006 The Rev Jean Pierre de Caussade was one of the most remarkable spiritual writers of the Society of Jesus in France in the 18th Century His death took place at Toulouse in 1751 His works have gone through many editions and have been republished and translated into several foreign languages The present book gives an English translation of the tenth French Edition of Fr de Caussade's *Abandon a la Providence Divine* edited to the great benefit of many souls by Fr H Ramiere S J A portion of this remarkable work in English has already appeared in America but many readers to whom this precious little book has become a favourite will welcome a complete translation especially as what has already appeared in the English version may be considered as merely the theoretical part whilst the Letters of Direction which form the greater portion of the present work give the practical part They answer objections solve difficulties and give practical advice The book thus gains considerably in value and utility
