Notebooks Aimee Buckner, 2023-10-10 In my classroom I have found that through the support of notebook work students can grow their writing and strengthen their ideas With strong ideas they can write better first drafts The work we do in

notebooks before rushing into a draft gives us time to envision our work to find mentor texts we love and to study those texts In doing so we actually are doing a lot of the revision on our vision before we write the draft Nonfiction Notebooks Aimee Buckner has introduced writer s notebooks to hundreds of classrooms through her popular book Notebook Know How thereby helping students everywhere learn to improve their overall writing by focusing on essential prewriting strategies Now using the same format Aimee explains how writer s notebooks can help students improve their nonfiction writing reports articles memoirs essays and so forth which has taken on even greater importance because of the emphasis the Common Core State Standards place on informative explanatory writing As Aimee explains the prewriting work a student does is particularly important when writing informational pieces Writer s notebooks help students capture their thoughts develop ideas explore mentor texts refine a research strategy and play with multiple outcomes all of which lead to stronger concepts and better first drafts Greater emphasis on the front end of the writing process also saves time and energy at the revision and editing stages From exploring topics to gathering information to assessment Nonfiction Notebooks takes teachers step by step through the process of how best to use notebooks for informational writing Helpful reproducible forms are included both in the book and as downloads online

An Open Book: What and How Young Children Learn From Picture and Story Books Jessica S. Horst, Carmel Houston-Price, 2016-01-21 Looking at and listening to picture and story books is a ubiquitous activity frequently enjoyed by many young children and their parents Well before children can read for themselves they are able to learn from books Looking at and listening to books increases children s general knowledge understanding about the world and promotes language acquisition This collection of papers demonstrates the breadth of information pre reading children learn from books and increases our understanding of the social and cognitive mechanisms that support this learning Our hope is that this Research Topic eBook will be useful for researchers as well as educational practitioners and parents who are interested in optimizing children s learning
