As Nobel Laureate May-Britt Moser told us, "As a scientist, I feel privileged to be able to ask questions that I think are important. I hope the papers in this journal may help nurture and reinforce children's passion and curiosity for science, what a gift to humanity that would be." Let this unique Collection help you to develop your own curiosity and passion and inspire you reach for new discoveries in your own life. Check out the 10 brilliant articles in Volume 1 here, find out about key discoveries ranging from how humans find our way using special brain cells to how we might find life on planets beyond our solar system. Would you like to submit to this? *The Kids' Fun-filled Search & Find Geography Book* Tony Tallarico, 1997 *Education Mania* Joshua Flapan, 2023. Education Mania is a University. The New Doctor is about people who think that a college degree is a real degree. In fact, the doctorate is doing the goals of the college. In many ways, the full benefits of a college degree go to the doctorate. Like in the majors in the field of engineering, psychology, and English, there are a lot of college grads around the world who face the food stamp line, and it is contrary to how the university gets people a job. The scandal involves an essay and dissertation. That is an approximately five chapter essay. Also, the book has introductions to explain to the reader how a university degree becomes a new doctor. My book explores solutions to subject areas that prove the doctor is the new college. The solutions include having college to nothing, getting rid of the bus, child labor, and apprentices.
