Amazon Prime Broad City:

Space Oddities Stefan L. Brandt, Michael Fuchs, 2018 *Space Oddities* Difference and Identity in the American City approaches a space and place central to the American imagination the city In particular this volume discusses the paradoxes of American cities and American urban life In this way the book critically engages with the paradoxes of the American identity embodied by cultural practices in and cultural representations of urban life in the United States Series American Studies in Austria Vol 16 Subject Sociology American Studies Cultural Studies Urban Studies **Horrible White People** Taylor Nygaard, Jorie Lagerwey, 2020-11-24 Examines the bleak television comedies that illustrate the obsession of the white left with its own anxiety and suffering At the same time that right wing political figures like Donald Trump were elected and reactionary socio economic policies like Brexit were voted into law representations of bleakly comic white fragility spread across television screens American and British programming that featured the abjection of young middle class liberal white people such as *Broad City* *Casual* *You're the Worst* *Catastrophe* *Fleabag* and *Transparent* proliferated to wide popular acclaim in the 2010s Taylor Nygaard and Jorie Lagerwey track how these shows of the white left obsessed with its own anxiety and suffering are complicit in the rise and maintenance of the far right particularly in the mobilization representation and sustenance of structural white supremacy on television Nygaard and Lagerwey examine a cycle of dark television comedies the focus of which are horrible white people by putting them in conversation with similar upmarket comedies from creators and casts of color like *Insecure* *Atlanta* *Dear White People* and *Master of None* Through their analysis they demonstrate the ways these non white centric shows negotiate prestige TV's dominant aesthetics of whiteness and push back against the centering of white suffering in a time of cultural crisis Through the lens of media analysis and feminist cultural studies Nygaard and Lagerwey's book opens up new ways of looking at contemporary television consumption and the political cultural and social repercussions of these horrible white people shows both on and off screen *Broads, Sisters, Exes* Vincent L. Stephens, 2025-03-25 How a new generation of women centered dramedies has revolutionized contemporary television This timely and telling analysis identifies the formal and thematic innovations pioneered by millennial feminists between 2012 and 2020 that have shaped the trajectory of our favorite shows today Author Vincent L Stephens offers close readings of nine pivotal series including *Girls* *Orange Is the New Black* *Broad City* *Jane the Virgin* *Crazy Ex Girlfriend* *Fleabag* *Insecure* *Shrill* and *I May Destroy You* Across these series women led creative teams translated techniques from indie films inverted gendered television tropes and engaged in innovative temporal storytelling These series often including showrunners who also act write and direct are the product of a new ecology of television driven by the rise of streaming platforms and a demand for more inclusive narratives *Broads Sisters Exes* optimistically contends with women as aesthetic innovators and maps their influence on entertainment industry reforms that are slowly but surely increasing accessibility for creatives from groups historically underrepresented across media Through elegant prose deeply rooted in an intersectional

feminist perspective Stephens expands the aesthetic and narrative grammars of contemporary television *The Limits of #MeToo in Hollywood* Margaret Tally, 2021-07-12 In October 2017 actress Alyssa Milano sparked the MeToo movement The ensuing protests quickly encompassed far more than Harvey Weinstein and the entertainment industry They expressed women's outrage at male workplace behavior in every sector and social class and even helped elect a new generation of women leaders in 2018 But what has been the effect of MeToo in the entertainment industry itself This book traces the movement's influence on the stories being told on changing representations of women's lives and bodies and on the slow changes among the producers who shape the stories Analyzing a wide set of TV and film genres including crime legal and medical dramas comedies horror and reality programming this book covers the complex ways that media respond to social movements They sometimes give voice to brand new or previously silenced stories but just as often make facile references that can blunt the potential for change or even fuel cultural backlash *The Palgrave Handbook of Music and Sound in Peak TV* Janet K. Halfyard, Nicholas Reyland, 2024-12-17 The Palgrave Handbook to Music and Sound in Peak TV charts the transformation of television's sonic storytelling during the new golden age of televisual narrative from the late 1990s to the early 2020s Grounded in close analytical critical and theoretical work identifying the key traits of music and sound in this peak TV period the book casts its critical net wider to develop interpretations of significance not just for screen music studies and musicology but for screen and media studies too By theorizing peakness with respect to sound and music and by drawing together contributions from a diverse collection of prominent musicologists media scholars and practitioners this handbook provides the authoritative guide to the role music has played in creating the success of some of the most culturally and commercially significant popular art of the early twenty first century The volume contains 25 essays in three main sections Concepts and Aesthetics Practices and Production and Audiences and Interpretations Topics discussed include peakness complexity ostentatious scoring antiheroes memory franchises worldbuilding nostalgia maternity trauma actor's voices title sequences library music branding queer camp scoring kids TV captioning industry practices HBO and sound design Shows examined include *The Sopranos* *The Wire* *Game of Thrones* *Battlestar Galactica* *Westworld* *Buffy the Vampire Slayer* *Stranger Things* *The Bridge* *Dexter* *Killing Eve* *Mad Men* *American Horror Story* *Rings of Power* *Fargo* *Peaky Blinders* *Call the Midwife* *Twin Peaks* and *Twin Peaks: The Return* **New Indian Nuttals** Kavyta Kay, 2018-09-19 This book takes a journey into the new and exciting created by a the wave of Indian comedians today described affectionately here as the New Indian Nuttals and looks at what these tell us about identity Indianness censorship feminism diaspora and millennial India It provides a unique analysis into the growing phenomenon of internet comedy and into a dimension of Indian popular culture which has long been dominated by the traditional film and television industries Through a mixture of close textual readings of online comedy videos and interviews with content creators and consumers in India this book provides a fresh perspective on comedy studies in its approach to a global South context from a sociocultural perspective As a protean form of new media

this has opened up new avenues of articulation identification and disidentification and as such this book makes a further contribution to South Asian communication media cultural studies Television Sitcom and Cultural Crisis Holly Willson Holladay, Chandler L. Classen, 2024-06-21 This volume demonstrates that television comedies are conduits through which we might resist normative ways of thinking about cultural crises By drawing on Gramscian notion of crisis and the understanding that crises are overlapping interconnected and mutually constitutive the essays in this collection demonstrate that situation comedies do more than make us laugh they also help us understand the complexities of our social world s moments of crisis Each chapter takes up the televisual representation of a modern cultural crisis in a contemporary sitcom and is grounded in the extensive body of literature that suggests that levity is a powerful mechanism to make sense of and cope with these difficult cultural experiences Divided into thematic sections that highlight crises of institutions and systems identity and representation and speculation and futurism this book will interest scholars of media and cultural studies political economy communication studies and humor studies Hollywood Dealmaking Dina Appleton, Daniel Yankelevits, 2025-01-14 This book is a must have resource for anyone looking to break into Hollywood or seasoned veterans who need a quick reference guide Matt Belloni Puck founding partner and host of The Town The legal resources of studios and networks are legendary often intimidating independent producers writers actors directors agents and others as they try to navigate through the intricate maze in negotiations This invaluable reference presents the interests of talent as well as the point of view of creative executives producers entertainment attorneys agents and managers and major guilds making clear the role that each plays in the deal making process Readers will find expert insights to talent and production deals for television feature film major streaming platforms and other digital media as well as an in depth overview of net profits and other forms of contingent compensation Hollywood Dealmaking Fourth Edition also addresses changes resulting from new union agreements and the evolution in deals as worldwide streaming platforms and FAST channels erode the past dominance of cable and linear television In addition this comprehensive guide includes Basics of copyright law and impacts of recent legislation and court decisions on the deal making landscape New section on non writing executive producer NWEF deals Explanations of employment deals Details of rights acquisition Sample contracts and forms Timely new negotiating tips on the evolving landscape straight from industry insiders Deal considerations of new technologies such as generative AI Glossary of industry lingo and terminology And much more Peppered with facts on the deals of superstar players and with summaries in each section to clarify complex legal issues Hollywood Dealmaking is an essential resource for industry novices and veterans alike who want to sharpen their negotiation skills and successfully close each deal Feminist Comedy Willow White, 2024-06-14 Feminist Comedy argues that the development of modern feminist thought is closely linked to theatrical comedy Through analysis of plays by Catherine Clive Frances Brooke Frances Burney Hannah Cowley and Elizabeth Inchbald the book demonstrates that these authors turned to comedy as a site of feminist critique practice and experimentation

Peak TV's Unapologetic Jewish Woman Samantha Pickette, 2022-12-19 Peak TV's Unapologetic Jewish Woman Exploring Jewish Female Representation in Contemporary Television Comedy analyzes the ways in which contemporary American television with its unprecedented choice diversity and authenticity is establishing a new version of the Jewish woman and a new take on American Jewish female identity that challenges the stereotypes of Jewish femininity proliferated on television since its inception Using case studies of streaming cable and network comedy series from the past decade written and created by Jewish women including *Broad City* *Crazy Ex Girlfriend* *The Marvelous Mrs Maisel* among others this book illustrates how this new Jewish woman has been given voice and agency by the bevy of Jewish female showrunners interested in telling stories about Jewish women for wider audiences

The Impossible Woman Kristen Hoerl, 2025-11-11 Although it may seem like the proliferation of strong women on television is a feminist achievement a deeper look into their stories tells us otherwise *The Impossible Woman* examines a variety of scripted US television series across multiple genres to show how the cultural value of television's extraordinarily talented female characters often rests upon their ability to endure but not overcome sexism Looking at *Parks and Recreation* *The Unbreakable Kimmy Schmidt* *The Marvelous Mrs Maisel* *The Queen's Gambit* *Game of Thrones* and *Queen of the South* Hoerl argues that these series contribute to sexist realism or the cultural assumption that there is no alternative to patriarchy Situating impossible women's struggles in the context of contemporary feminist politics Hoerl explains how the problems facing television's strongest women illustrate mainstream feminism's paradoxical dependence upon on cultural misogyny neoliberal individualism and racism *The Impossible Woman* encourages readers to seek out alternative stories that might help them envision more just feminist futures

Difficult Women on Television Drama Isabel Pinedo, 2021-02-15 *Difficult Women on Television Drama* analyses select case studies from international TV dramas to examine the unresolved feminist issues they raise or address equal labor force participation the demand for sexual pleasure and freedom opposition to sexual and domestic violence and the need for intersectional approaches Drawing on examples from *The Killing* *Orange Is the New Black* *Big Little Lies* *Wentworth* *Outlander* *Westworld* *Being Mary Jane* *Queen Sugar* *Vida* and other television dramas with a focus on complex female characters this book illustrates how female creative control in key production roles direct authorship together with industrial imperatives and a conducive cultural context indirect authorship are necessary to produce feminist texts Placed within the larger context of a rise in feminist activism and political participation by women the growing embrace of a feminist identity and the ascendance of post feminism this book reconsiders the unfinished nature of feminist struggle s and suggests the need for a broader sweep of economic change This book is a must read for scholars of media and communication studies television and film studies cultural studies American studies sociology of gender and sexualities women and gender studies and international film media and cinema studies

The Procrastination Economy Ethan Tussey, 2020-04-01 2018 Outstanding Academic Title given by Choice Magazine How mobile devices make our in between moments valuable to media companies while also

providing a sense of control and connection In moments of downtime waiting for a friend to arrive or commuting to work we pull out our phones for a few minutes of distraction Just as television reoriented the way we think about living rooms mobile devices have taken over the interstitial spaces of our everyday lives Ethan Tussey argues that these in between moments have created a procrastination economy an opportunity for entertainment companies to create products apps platforms subscription services micropayments and interactive opportunities that can colonize our everyday lives But as businesses commoditize our free time and mobile devices become essential tools for promotion branding and distribution consumers are using these devices as a means of navigating public and private space These devices are not just changing the way we spend and value our time but also how we interact with others and transform our sense of the politics of space By examining the four main locations of the procrastination economy the workplace the commute the waiting room and the connected living room Ethan Tussey illuminates the relationship between the entertainment industry and the digitally empowered public

Indie TV James Lyons,Yannis Tzioumakis,2023-03-27 This edited collection is the first book to offer a wide ranging examination of the interface between American independent film and a converged television landscape that consists of terrestrial broadcasters cable networks and streaming providers in which independent film and television intersect in complex multifaceted and creative ways The book covers the long history of continuities and connections between the two sectors as seen in the activities of PBS HBO or Sundance It considers the movement of filmmakers between indie film and TV such as Steven Soderbergh Rian Johnson the Duplass brothers Joe Swanberg Lynn Shelton and Gregg Araki details the confluence of aesthetic and thematic elements seen in shows such as *Girls* *Breaking Bad* *Master of None* or *Glow* points to a shared interest in regional sensibilities evident in shows like *One Mississippi* or *Fargo* and makes the case for documentaries and web series as significant entities in this domain Collectively the book builds a compelling picture of indie TV as a significant feature of US screen entertainment in the 21st Century This interdisciplinary landmark volume will be a go to reference for students and scholars of Television Studies Film Studies and Media Studies *Bad Sex* Billy
