Regular Haunts Gerald Costanzo, 2018-03 Gerald Costanzo, long known as one of the best contemporary poets of satire, focuses specifically on American themes that though presented as parables, fables, jokes, and put-ons, remain darkly serious in tone. His subject is the mythic landscape of America itself: the transitory popular consumer culture of late twentieth and early twenty-first century life. Costanzo evokes a sense of having arrived on the scene too late, of having missed the heyday of American innocence and possibility, and now in the present is forced to live with diminished experience. He mourns a culture where genuine emotion cannot be found but where its semblance can be endlessly marketed. *Regular Haunts* is a retrospective collection of Costanzo's work that also includes nearly thirty new poems. *Regular Haunts*, 1984
