Asian Children's Literature and Film in a Global Age Bernard Wilson, Sharmani Patricia Gabriel, 2020-03-06 This volume provides a key analysis of Asian children's literature and film and creates a dialogue between East and West and between the cultures from which they emerge within the complex symbiosis of their local national and transnational frameworks In terms of location and content the book embraces a broad scope including contributions related to the Asian American diaspora China India Indonesia Iran Japan Malaysia the Philippines South Korea Sri Lanka and Taiwan Individually and collectively these essays broach crucial questions What elements of Asian literature and film make them distinctive both within their own specific culture and within the broader Asian area What aspects link them to these genres in other parts of the world How have they represented and shaped the societies and cultures they inhabit What moral codes do they address underpin or contest The volume provides further voice to the increasingly diverse and fascinating output of the region and emphasises the importance of Asian art forms as depictions of specific cultures but also of their connection to broader themes in children's texts and scholarship within this field

Common Core Curriculum Maps in English Language Arts Great Minds, 2011-10-13 The first books to present specific guidance for teaching the Common Core State Standards Forty three states plus D C and the U S Virgin Islands have signed on to adopt the Common Core State Standards CCSS The need for curriculum guides to assist teachers in helping students meet these standards has become imperative Created by teachers for teachers the research based curriculum maps in this book present a comprehensive coherent sequence of

thematic units for teaching the skills outlined in the CCSS for English language arts in Grades 6-8. Each grade is broken down into six units that include focus standards, suggested works, sample activities, and assessments, lesson plans, etc. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.

Talk about Books! Liz Knowles, Martha Smith, 2003-07-30 Book clubs, literature circles, and reading groups are great ways to promote literacy and books to young readers. Asian American Literature Keith Lawrence, 2021-08-25 *Asian American Literature: An Encyclopedia for Students* is an invaluable resource for students curious to know more about Asian North American writers, texts, and the issues and drives that motivate their writing. This volume collects in one place a breadth of information about Asian American literary and cultural history, as well as the authors and texts that best define it. A dozen contextual essays introduce fundamental elements or subcategories of Asian American literature, expanding on social and literary concerns or tensions that are familiar and relevant. Essays include the origins and development of the term Asian American, overviews of Asian American and Asian Canadian social and literary histories, essays on Asian American identity, gender issues, and sexuality, and discussions of Asian American rhetoric and children's literature. More than 120 alphabetical entries round out the volume and cover important Asian North American authors. Historical information is presented in clear and engaging ways, and author entries emphasize biographical or textual details that are significant to contemporary young adults. Special attention has been given to pioneering authors from the late 19th century through the early 1970s and to influential or well-known contemporary authors, especially those likely to be studied in high school or university classrooms.
