Naked Stacey Trombley,2015-07-07 The best place to hide is in a lie I could never fit in to the life my parents demanded By the time I was thirteen it was too much I ran away to New York City and found a nightmare that lasted three years A nightmare that began and ended with a pimp named Luis Now I am Dirty Anna Broken like everything inside me has gone bad Except that for the first time I have a chance to start over Not just with my parents but at school Still the rumors follow

me everywhere Down the hall In classes And the only hope I can see is in the wide brightly lit smile of Jackson the boy next door So I lie to him I lie to protect him from my past I lie so that I don't have to be The Girl Who Went Bad The only problem is that someone in my school knows about New York Someone knows who I really am And it's just a matter of time before the real Anna is exposed

The Sound of Us Julie Hammerle, 2016-06-07 Kiki Nichols might not survive music camp She's put her TV loving nerdy self aside for one summer to prove she's got what it takes she can be cool enough to make friends she can earn that music scholarship and she can get into Krause University's music program Except camp has rigid conduct rules which means her thrilling late night jam session with the hot equally geeky drummer can't happen again even though they love all the same shows and fifteen minutes making music with him meant more than every aria she's ever sung But when someone starts reporting singers who break conduct rules music camp turns survival of the fittest and people are getting kicked out If Kiki's going to get that scholarship her chance to make true friends and her first real chance at something more might cost her the future she wants more than anything

Love and Other Unknown Variables Shannon Lee Alexander, 2014-10-07 Charlie Hanson has a clear vision of his future A senior at Brighton School of Mathematics and Science he knows he'll graduate go to MIT and inevitably discover solutions to the universe's greatest unanswered questions He's that smart But Charlie's future blurs the moment he reaches out to touch the tattoo on a beautiful girl's neck The future has never seemed very kind to Charlotte Finch so she's counting on the present She's not impressed by the strange boy at the donut shop until she learns he's a student at Brighton where her sister has just taken a job as the English teacher With her encouragement Charlie orchestrates the most effective prank campaign in Brighton history Now Charlie is falling hard for Charlotte and faster than 32 feet per second squared Her gravitational pull is quickly becoming irresistible But Charlotte has a few secrets of her own and it's only a matter of time before Charlie's carefully executed future comes crashing down

Modern Monsters Kelley York, 2015-06-02 Vic Howard never wanted to go to the party He's the Invisible Guy at school a special kind of hell for quiet nice guys But because his best friend is as popular as Vic is ignored he went And wished he hadn't Because something happened to a girl that night Something terrible unimaginable and Callie Wheeler's life will never be the same Plus now Callie has told the police that Vic is responsible Suddenly Invisible Vic is painfully visible on trial both literally with the police and figuratively with the angry kids at school As the whispers and violence escalate he becomes determined to clear his name even if it means an uneasy alliance with Callie's best friend the beautiful but aloof Autumn Dixon But as Autumn and Vic slowly peel back the layers of what happened at the party they realize that while the truth can set Vic free it can also shatter everything he thought he knew about his life
