Focus On: 100 Most Popular South Korean Male Film Actors Wikipedia contributors, *Buy Now* Emily West, 2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In *Buy Now* Emily West examines Amazon's consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand's focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand's image control strategies West considers why pushback against Amazon's ubiquity and market power has come mainly from among Amazon's workers rather than its customers or competitors arguing that Amazon's brand logic fragments consumers as a political bloc West's innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today's economy [Focus On: 100 Most Popular Television Series by Sony Pictures Television](#) Wikipedia contributors, **"That doesn't make him gay"** Jeffery P. Dennis, 2025-08-27 How do television viewers decide that characters are gay Why is one viewer convinced by a scene where two men smile at each other whereas another responds to a scene where they share a bed with I don't see how that makes them gay This book examines scenes situations and structures that permit characters to be read as LGBT including two same sex characters as a romantic couple in the dark comedy crime drama *The Righteous Gemstones* and other contemporary television series contrasted with social media posts that embrace ignore or deny their identity Some surprising strategies emerge such as if a man speaks to a woman he is always straight and they can't be a romantic couple if another character ever refers to them as friends This thoroughly researched work investigates the practices of viewers identifying gayness on television drawing conclusions about both media and audience **Pivoting and Producing for Online TV** Alexa Scarlata, 2025-05-02 The introduction and diffusion of international subscription video on demand SVOD services in the 2010s represented the most significant disruption of established national broadcast and pay TV ecologies in their long history Using an in depth Australian case

study this book narrates this profound period of proliferation It also considers how incumbent commercial networks pay TV providers and public service broadcasters developed into online TV providers albeit in assorted ways In so doing it conceives of the early impact of online TV 2015 2020 more broadly and acknowledges the role of both new and old TV players The industry wide shift towards online TV over this period also impacted existing television drama production cultures SVOD services provided a fruitful avenue for the distribution of existing archives and slowly began to support the production of new Australian content with an increasingly global focus However the formal arrival of online TV certainly did not usher in the boom in original local television drama many anticipated Pivoting and Producing for Online TV Australia s Transition advances the macro analysis of television production strategies This book will be useful to students and researchers interested in media film and cultural studies *Television's Streaming Wars* Arienne Ferchaud, Jennifer M.

Proffitt, 2023-11-03 This volume addresses contemporary debates and trends regarding the production and distribution content and audience engagement with the television streaming industry The book interrogates the economics and structure of the industry questions the types and diversity of content perpetuated on streaming services and addresses how audiences engage with content from US and global perspectives and within various research paradigms Chapters address the television streaming wars including the debates and trends in terms of its production and competition diversity and growth of programming and audience consumption focusing on multiple platforms content and users This timely and creative volume will interest students and scholars working in television studies media industry studies popular culture studies audience studies media psychology critical cultural studies and media economics **Love Is Love Is Love** Aaron C.

Thomas, 2023-03-24 The politics of Broadway musicals matter a great deal more to U S American culture than they appear to mean and they are especially important to mainstream politics surrounding sex gender and sexuality Love Is Love Is Love looks to the Broadway musicals of the past decade for help understanding the current state of LGBTQ politics in the United States Through analyses of Promises Promises Newsies Hedwig and the Angry Inch The Color Purple and Frozen this book attempts to move past the question of representational politics and asks us instead to think in more complex ways about LGBTQ identity what LGBTQ politics are and the politics of Broadway musicals themselves Producing new complex readings of all five of these musicals author Aaron C Thomas places each of them within the context of the LGBTQ politics of their day Some of the issues the book treats are controversies of casting the closetedness and openness of musical theatre LGBTQ identities adaptation from movies into musicals and the special power of the musical form by examining how these shows differ from the books and movies on which they re based Love Is Love Is Love places contemporary LGBTQ political tensions and conversations in a new light making this an essential companion for students and scholars of contemporary theatre musical theatre cultural studies Queer studies and gender studies *Focus On: 100 Most Popular Drama Films Based on Actual Events* Wikipedia contributors, **Clash** Nirmalya Kumar, 2024-03-15 Amazon and Walmart with more than half a

trillion in revenues annually are the two largest companies in the world They have not only redefined the retail industry Walmart in the 1980s 1990s and Amazon since 2000 but have also been the benchmark for business best practices e g the use of IT supply chain data analytics customer orientation This year it is anticipated that Amazon will dethrone Walmart as the world s largest company a position that Walmart has occupied for more than two decades By examining these two companies and their business models in depth Professor Nirmalya Kumar elucidates on the more general phenomenon of incumbents competing with disruptors e g Volkswagen vs Tesla Marriott vs Airbnb as well as the move to omnichannel retail where physical stores must coexist with online retailers From Networks to Netflix Derek Johnson,2022-07-26 Now in a second edition this textbook surveys the channels platforms and programming through which television distribution operates with a diverse selection of contributors providing thorough explorations of global media industries in flux Even as legacy media industries experience significant disruption in the face of streaming and online delivery the power of the television channel persists Far from disappearing television channels have multiplied and adapted to meet the needs of old and new industry players alike Television viewers now navigate complex choices among broadcast cable and streaming services across a host of different devices From Networks to Netflix guides students instructors and scholars through that complex and transformed channel landscape to reveal how these industry changes unfold and why they matter This second edition features new players like Disney HBO Max Crunchyroll Hotstar and more increasing attention to TV services across the world An ideal resource for students and scholars of media criticism media theory and media industries this book continues to offer a concrete tangible way to grasp the foundations of television and television studies even as they continue to be rewritten **American Cinema of the 2010s** Dennis Bingham,2021-12-10 The 2010s might be remembered as a time of increased polarization in American life The decade contained both the Obama era and the Trump era and as the nation s political fissures widened so did the gap between the haves and have nots Hollywood reflected these divisions choosing to concentrate on big franchise blockbusters at the expense of mid budget films while new players like Netflix and Amazon offered fresh opportunities for low budget and independent filmmakers As the movie business changed films ranging from American Sniper to Get Out found ways to speak to the concerns of a divided nation The newest installment in the Screen Decades series American Cinema in the 2010s takes a close look at the memorable movies visionary filmmakers and behind the scenes drama that made this decade such an exciting time to be a moviegoer Each chapter offers an in depth examination of a specific year covering a wide variety of films from blockbuster superhero movies like Black Panther and animated films like Frozen to smaller budget biopics like I Tonya and horror films like Hereditary This volume introduces readers to a decade in which established auteurs like Quentin Tarantino were joined by an exceptionally diverse set of new talents taking American cinema in new directions **Focus On: 100 Most Popular American 3D Films** Wikipedia contributors, Focus On: 100 Most Popular 2010s Fantasy Films Wikipedia contributors, **Focus On: 100 Most Popular Nonlinear**

Narrative Films Wikipedia contributors, **Restrictions of EU Competition Law in the Digital Age** Bernadette Zelger, 2023-06-28 This book offers an in depth legal analysis concerning the notion of restrictions of competition be it by object restrictions according to Article 101 TFEU or prima facie abusive practices treated according to the form based approach under Article 102 TFEU Although extensive research has been conducted on the notion of object infringements of competition there is no systematic review of this topic covering both competition provisions namely Articles 101 and 102 TFEU This book fills that gap by providing an extensive analysis of the relevant case law while also covering new phenomena stemming from the digital revolution and its impact on the functioning of traditional markets In this regard particular attention is paid to the concept of prima facie infringements and the analysis necessary for their successful establishment Object restrictions and object abuses are not infringements per se in the sense that they can be established in the abstract and without consideration of the actual legal and economic context context analysis within which a measure is implemented Hence the indispensable context analysis is informed by the potential economic effects of a given measure Examining the changes regarding the economic reality and how markets work in the digital economy this book makes a valuable contribution to the current debate about whether our competition law toolkit is fit and proper to deal with the challenges posed by digitalization The author argues that while there is a coherent framework covering both Treaty competition provisions as regards object restrictions of competition the increased use of an actual effect analysis and thus the concept of a restriction of competition by effect represents an underestimated and underused weapon for combating measures that are ambivalent from a competition law perspective as regards their anticompetitive or non detrimental nature in a digital economy

Social TV Cory Barker, 2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV Multi Screen Content and Ephemeral Culture* author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally

marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life

The Top Books of the Year Amazon Prime July 2015 Releases The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Amazon Prime July 2015 Releases :

Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Amazon Prime July 2015 Releases Introduction

In the digital age, access to information has become easier than ever before. The ability to download Amazon Prime July 2015 Releases has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Amazon Prime July 2015 Releases has opened up a world of possibilities. Downloading Amazon Prime July 2015 Releases provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate

access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Amazon Prime July 2015 Releases has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Amazon Prime July 2015 Releases. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Amazon Prime July 2015 Releases. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Amazon Prime July 2015 Releases, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Amazon Prime July 2015 Releases has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
