Union Guardians Of The Word 5 By Jolea M Harrison:

Union Jolea M. Harrison,2013 **Legend** Jolea M. Harrison,2012-06-05 Dynan Telaerin lives within a shell of his own making a place devoid of light Every moment is a struggle to rediscover who he is After barely surviving the loss of his twin brother Dynan is forced to run farther and submerge his identity deeper than ever before Legend is the story of his survival how he discovers a reason to want to live and where he learns that dreams can be real But there are no guarantees for with each action an equal and opposite reaction occurs There are nightmares to consider and souls to be lost To protect him and give him time to heal Dynan is sent to a place that is forbidden by the laws he s supposed to uphold It s a calculated risk that he needs the anonymity Cadal can provide The danger is weighed against the odds he ll be discovered by the people of this backward planet by allies who would use this infraction against him or by an enemy who would see him dead The plans so carefully arranged soon start to unravel when Dynan meets the girl of his dreams dreams that he doesn t remember until they walk up to him living breathing and beautiful Preordained by the Gods their attraction to each other is unstoppable From the moment of acceptance the difficulties set before them stand in the way of their desire to be together There are enemies known and unknown lurking in the outer reaches and one who as promised intends to destroy everyone Dynan cares about Maralt Adaeryn has plans of his own and none of them end with happily ever after **Union** Jolea

Harrison,2012-10-21 There are no holes in space None to hide in None where it s safe Life onboard a space ship pursued through the void is precarious at best where the difference between living and dying is measured one instant to the next On the run Dynan Telaerin s responsibilities increase to the breaking point while he s the only one capable of flying the ship and making one repair after the other to his almost crippled craft at the same time as trying to be a husband to his new wife Loren Bringing her and Marc Talryn into the terrifying danger that is Dynan s life hardens his resolve to protect them at all cost Making it back to the fold of the Brittallia System doesn t guarantee safety as betrayals abound where he least expects it They come from people he has trusted nearly the whole of his life That life of peace held for a brief moment in time is abruptly shattered Loren is taken from him in an attempt to forestall a terrible vision of death The specter of evil haunts every thought and guides every action in the attempt to find her and keep her safe The man who would take her and make the vision a reality is stalking him driving him ever onward leading him to the envisioned slaughter Maralt Adaeryn sees the cruel end of an ancient prophecy and he holds a dreadful secret There are some things worse than death *Chosen* Jolea Harrison,2011-08-29 Chosen is a fantasy adventure location Hell Purgatory the Demon s Lair and Hell is everything it s cracked up to be especially when you re sixteen and running for your soul Dynan Telaerin finds himself on a corpse strewn hillside uncertain if he s dead or alive charged with saving his ancestor the most powerful telepath to ever exist Dynan has telepathic powers of his own only he doesn t know how to use them With monsters and minions hunting him down the demon s lair isn t the place to learn anything except how to run and how to hide Will courage alone be enough to face the greatest

evil to exist Will he lose his soul to save everyone else The running starts and doesn't stop to the end of this action packed adventure of a young man coming to terms with his life while he's barely a spirit through horrors he thought existed only in dreams Chosen is for mature young adults Chosen is the first book of the series The Guardians of the Word The Chronicles are Chosen Myth Telepath Legend Union Seer Adept and King Telepath Jolea M. Harrison, 2012-03-23 A ruthless killer hunts them He'll stop at nothing to see his vision fulfilled and his hunger satiated He has the ability to seek them out through the power of his mind on the barest strand of thought If he finds them he will consume their souls Dynan and Dain Telaerin are forced into exile unable to stay in one place for long They set out on a journey of survival barely staying a step ahead of their enemies while they must build an attack force large enough to defeat the massive Cobalt military and retake the throne of their father They must find a way to increase their telepathic abilities to defeat the greatest evil the Kingdoms have ever known that follows an evil design and seeks to destroy the world But nothing is at it seems and a single mistake could mean death where both must live **Union** Jolea M Harrison, 2025-04-18 There are no holes in space None to hide in None where it's safe The difference between living and dying is measured one instant to the next On the run Dynan Telaerin's responsibilities increase to the breaking point Even the slightest mistake could end in death for everyone he cares for Bringing the woman of his dreams into the unrelenting danger that is his life hardens his resolve to protect her at all cost Betrayals come from people he has trusted nearly the whole of his life The specter of evil haunts every thought and guides every action in the attempt to keep Loren safe The man who would take her from him and make a terrible vision reality is stalking him driving him onward leading him to the envisioned slaughter Maralt Adaeryn sees the cruel end of an ancient prophecy And he holds a dreadful secret Standing against fear with acts of courage make Union an intriguing study of human nature and a worthy addition to the Broken Seal series Don't wait to find out what's next
