emotionally intimate or even warmly loving But Gerald is so laid back Brett just isn't sure what to do next Move forward and deepen their relationship Or back off and just be friends with benefits *The Bone Orchard* Abigail Roux, 2014-08-11 After leaving a trail of terror and death in his wake the notorious Missouri Boone Jennings finally meets his match in San Francisco when US marshal Ambrose Shaw catches up to him The story of his capture and the marshal's bravery has already become legend back east by the time Pinkerton inspector Ezra Johns gets off the train from New York City to testify in the murderer's trial When Ambrose is unable to give witness to the evils he's seen Ezra becomes their lone hope for putting Jennings in a noose But if Ezra thinks that's his biggest problem he's got plenty to learn about life and the afterlife in the spirited West Fortunately Ambrose is there to assist and more than happy to oblige Ezra in the courtroom or the bedroom He spent his life bringing justice to the Wild West and if he has a say in it that's how he'll be spending his death too *Touch & Geaux* Abigail Roux, 2013-04-08 After having their faces plastered across the news during a high profile case FBI Special Agents Ty Grady and Zane Garrett have become more useful to the Bureau posing for photo ops than working undercover Just as Zane is beginning to consider retirement a viable option Ty receives a distress call from a friend leading them to a city rife with echoes from the past New Orleans wears its history on its streets and it's the one place Ty's face could get him killed Surrounded by trouble as soon as they land Ty and Zane are swiftly confronted with a past from which Ty can't hide one with a surprising connection to Zane's As threats close in from all directions both men must come to terms with the lives they've led and the lies they've told They soon discover that not all their secrets are out yet and nothing lasts forever **Stars & Stripes** Abigail Roux, 2012-08-13 Special Agents Ty Grady and Zane Garrett have managed the impossible a few months of peace and quiet After nearly a year of personal and professional turmoil they're living together conflict free work is going smoothly and they're both happy healthy and home every night before dark But anyone who knows them knows that can't possibly last When an emergency call from home upsets the balance of their carefully arranged world Ty and Zane must juggle family drama with a perplexing crime to save a helpless victim before time runs out From the mountains of West Virginia to a remote Texas horse ranch harboring more than just livestock and childhood memories Ty and Zane must face their fears and their families to overcome an unlikely enemy and bring peace back into their newly shared world *Caught Running* Abigail Roux, 2025-01-13 These men bat for the other team Brandon Bartlett's plate isn't full it's overflowing Between the classes he teaches the students he tutors and the doctorate he's trying to study for he doesn't have time for the coaching position he's just gotten saddled with The coach didn't get along with him when they were students As co faculty things can only get worse Jake Campbell has always lived for the game Baseball got him a full ride to university and all it cost was a career ending injury Now he's stuck teaching PE at the same school he graduated from Jake's going nowhere fast unlike his new assistant coach who's got a runner's speed and a body to match The two men quickly grow close but neither wants to make the first move In small town Georgia striking out could cost far more than their friendship But the connection

between them can't be denied and secrets can only be kept for so long With the end of the season fast approaching they're running out of chances to knock it out of the park This is a re-release of the original without changes See this title's page on RiptidePublishing.com for content warnings

Armed & Dangerous Abigail Roux, 2024-07-08 If they don't take their shot they may miss out on each other When Special Agent Zane Garrett is tapped as backup for an undercover operation in Chicago the last person he's expecting to see is Ty Grady Ty Zane's partner in every sense of the word had vanished from Zane's bed leaving nothing but a note He'd been radio silent ever since Before they can work out what's going on between them they have to collect a particularly challenging mark Julian Cross is a retired hit man and CIA operative with a wide array of specialized skills and he's currently using all of them to achieve a singular goal get away from Ty and Zane Luckily the two agents have an ace in the hole Julian will go quietly as long as his boyfriend the doe-eyed Cameron Jacobs is brought along for protection Julian retired to love Cameron in the open and watching the two of them is putting thoughts in Ty's head He's tired of keeping his partnership with Zane a secret As the four of them are chased across the country by a cadre of mysterious killers their friends and family are pulled into the crosshairs as well Ty and Zane will have to decide where their priorities lie before it's too late This is a limited re-release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title's page on RiptidePublishing.com for content warnings

Fish & Chips Abigail Roux, 2024-06-24 Their romance is entering rough waters After almost dying on their hiking trip Special Agents Ty Grady and Zane Garrett have a moratorium on the word vacation This makes it hard to discuss their newest case an undercover operation aboard a cruise ship in the Caribbean Their mission is to collect information by posing as Corbin and Del Porter a pair of wealthy international smugglers who also happen to be happily married It takes less acting than either man expects and not just because both smugglers are out and proud Del is a coddled trophy husband with a penchant for short shorts while Corbin is possessive and jealous happiest with cards in one hand and an expensive drink in the other As they settle into their roles the lines around what's pretend and what's real begin to blur Even undercover Corbin and Del have big problems They have an enemy aboard the ship though whether it's their criminal connections the authorities or some mysterious third party isn't clear No one on this ship trusts anyone else and if Ty and Zane can't change that they're going to end up dead This is a limited re-release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title's page on RiptidePublishing.com for content warnings

Cut & Run Abigail Roux, 2024-06-10 When by the book meets off the record the story's just starting Special Agent Ty Grady is pretty sure he's about to get fired His last perp skipped town before he could make an arrest leaving him with a lot of means and precious few ends When he's called into the boss's office he expects the worst And he isn't exactly wrong Chained to a desk in cybercrimes Special Agent Zane Garrett dots his i's and crosses his t's He doesn't have much of a choice in the matter his record can't handle another black mark When he learns he

s getting reassigned he doesn't miss the ironic pronunciation on promotion. Wherever he's going it's nowhere good. When they're partnered to solve a series of murders their chances of success look low. They're fantastic agents but the case seems more like a punishment than an assignment. They can't stop driving each other crazy and not just in a bad way. This killer already took out the previous agents assigned to the case and it's not long before he's on Ty and Zane's trail as well. They'll have to set their frustrations aside before it's too late. This is a limited re-release of the original series without changes. Robberies, bombings, and violent crimes are on the rise. The public wants something done and even the FBI is catching blame. When Special Agents Ty Grady and Zane Garrett accidentally become the handsome faces of the counter-offense they find themselves the center of attention from the media and a dangerous band of criminals. Being respectable is busy work and the added attention makes it harder than ever to keep their blossoming relationship a secret. Neither man is quite sure where they stand or where they want to stand. Zane can't seem to say those three little words and Ty is too mired in his past to notice. The bombings throughout the city are getting worse. Without any leads Ty and Zane find themselves taking their frustrations out on each other. Being together in the shadows but hiding in the spotlight is one more stressor when they're already taxed to the limit. As a mysterious bomber closes in it starts to look like neither they nor their relationship has much hope for survival. This is a limited re-release of the original series without changes. Some aspects of the story are now dated and an updated version will be published at a later date. See this title's page on RiptidePublishing.com for content warnings.

Ball & Chain Abigail Roux, 2014-03-17. Home from their unexpected deployment the former members of Marine Force Recon team Sidewinder rejoin their loved ones and try to pick up the pieces of the lives they were forced to leave behind. Ty Grady comes home to Zane Garrett only to find that everything around him has changed even the men he went to war with. He barely has time to adjust before his brother Deuce asks Ty to be his best man. But that isn't all. Deuce asks Ty to do and Ty must call for backup to deal with the business issues of Deuce's future father-in-law. Nick O'Flaherty and Kelly Abbott join Ty and Zane at the wedding on an island in Scotland thinking they're there to assuage Deuce's paranoia. But when bodies start dropping and boats start sinking the four men get more involved with the festivities than they'd ever planned to. With the clock ticking and the killer just as stuck on the isolated island as they are Ty and Zane must navigate a veritable minefield of family, friends, and foes to stop the whole island from being destroyed.

Sticks & Stones Abigail Roux, 2024-06-17. In order to survive in the wilderness they'll have to survive each other. After the case they just closed it's unsurprising FBI Special Agents Ty Grady and Zane Garrett are having trouble passing their psych evaluations. The only thing worse than a near-death experience is trying to lie to a shrink about it. And the only thing worse than that is being stuck on desk duty after failing. The two of them are soon ordered to take a

vacation before their exasperated coworkers finish what the serial killer started Hoping to bolster their partnership in every sense of the word Ty invites Zane to visit his family in West Virginia and Zane accepts The mountains can't be that different from Texas right Snakes are snakes When they join Ty's father and brother for a hike deep into the woods the Grady family's dysfunction quickly becomes the least of their worries The weather is bad the wildlife is bloodthirsty and their fellow hikers are ready to break out the banjos Zane and Ty still have each other but whether that will make the trip or break it remains to be seen This is a limited re-release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title's page on RiptidePublishing.com for content warnings
