R. Richmond, 2015-10-08 Alice Salmon young smart ambitious with her whole life ahead of her Until the night she mysteriously drowns Nobody knows how or why But Alice left a few clues her diary texts emails and presence on social media Alice is gone but fragments of the life she led remain and in them might lie the answer to what really happened to her if only someone can piece it all together before it vanishes for ever **The Epistolary Renaissance**

Maria Löschnigg, Rebekka Schuh, 2018-09-10 Since the late twentieth century letters in literature have seen a remarkable renaissance The prominence of letters in recent fiction is due in part to the rediscovery by contemporary writers of letters as an effective tool for rendering aspects of historicity liminality marginalization and the expression of subjectivity vis vis another it is also due however to the artistically challenging inclusion of the new electronic media of communication into fiction While studies of epistolary fiction have so far concentrated on the eighteenth century and on thematic concerns this volume charts the epistolary renaissance in recent literature entering new territory by also focusing on the aesthetic implications of the epistolary mode In particular the essays in this volume illuminate the potential of the epistolary including digital forms for rendering contemporary sensitivities The volume thus offers a comprehensive assessment of letter narratives in contemporary literature Through its focus on the aesthetic and structural aspects of new epistolary fiction the inclusion of various narrative forms and the consideration of both conventional letters and their new digital kindred *The Epistolary Renaissance* offers novel insight into a multi-faceted re-newed genre *Stories in Letters - Letters in Stories* Rebekka Schuh, 2021-10-04 This book deals with letters in Anglophone Canadian short stories of the late twentieth and the early twenty-first century in the context of liminality It argues that in the course of the epistolary renaissance the letter which has often been deemed to be obsolete in literature has not only enjoyed an upsurge in novels but also migrated to the short story

thus constituting the genre of the epistolary short story **Federal Communications Commission Reports** United States. Federal Communications Commission,1972 **FCC Record** United States. Federal Communications Commission,1989
