Whatever Gods May Be Sophia Kell Hagin,2010-10-01 Jamie Gwynmorgan doesn't believe in prayer She doesn't believe in anything much Except that people can't be trusted certainly not anyone she's ever met But Jamie knows some things From experience She knows if she died nobody would give a damn Nobody would even notice She knows the better she can fight the safer she'll be That's why she can't resist the sleek dark lethality of the weapon and the recruiter's promise that yes if she's strong enough good enough she'll get to fire that weapon in combat She doesn't care about the uniform And screw the pretend camaraderie Only Safe matters and if she can do combat then maybe she can fight her way to Safe Jamie expects a grueling fight that she might lose What she never expects is to win love Dreams Entangled Sophia Kell Hagin,2025-09-09

Both Pirin Basamendi and Gracie Olwyn have way too much to hide not to mention a virulent contagion to avoid Which is why they'd have preferred to never meet each other But Gracie has what Pirin is eager to retrieve and Gracie is desperate to get rid of the lightning stone So reluctantly they do meet and discover an instant attraction that's impossible to resist Soon despite themselves they begin to reveal their secrets and become deeply entangled in each other's lives For Pirin this means immersion in Gracie's unsettling scary vivid episodic dreams about two women Analergin and Kaldi and events that somehow eerily echo her own ancestral past For Gracie it means helping Pirin confront the very real threat of a man determined to kill her Amid self doubt cyberstealth a pandemic fear of attack and attempted murder their attraction turns to love and their lives will never be the same *Not All A Dream* Sophia Kell Hagin,2021-10-03 What do you do when the whole world breaks Like when you make it through a plague with the woman you've loved for way more than half your septuagenarian life only to watch her die leaving you alone And then just weeks later the world around you descends into relentless dark and cold Besieged desolate Hester is too numb to know what to do And even though she's lucky to have the means to endure for quite a while she's tempted really tempted to just give it up What after all is she enduring for But giving up will have to wait when she stumbles upon people who introduce her to the first rule of survival Don't try to go it alone if you don't have to

Omnipotence Enough Sophia Kell Hagin,2017-10-17 War veteran Jamie Gwynmorgan had made a sweet life for herself Then one morning on her way to work she's abducted off the street She doesn't know why Or who did it Or where she's been taken She can't even measure the passage of time Utterly alone only rarely able to hear a human voice prohibited from seeing human faces even her own Jamie endures in a sinister disorienting fog that devours her memories of before and weakens her grip on sanity until a bit of contraband darts into her imploded world with a message and with hope It's just a tiny voice recorder player no doubt unwillingly forsaken but it gives Jamie the means to measure time to remember And if she can remember before then maybe she can find her way home to reclaim the life and the deep abiding love some unknown enemy has stolen from her *Desire by Starlight* Radclyffe,2011-03-01 Best selling romance author Jenna Hardy aka Cassandra Hart sprints through life from one appearance to the next always on deadline always in demand always on the arm
