Kokie,Elisa Nader,2015-09-01 In a one of a kind collaboration seventeen of the most recognizable YA writers including Shaun David Hutchinson Neal and Brendan

Shusterman and Beth Revis come together to share the viewpoints of a group of students affected by a school shooting. It took only twenty two minutes for Kirby Matheson to exit his car, march onto the school grounds, enter the gymnasium and open fire, killing six and injuring five others. But this isn't a story about the shooting itself. This isn't about recounting that one unforgettable day. This is about one boy who had friends, enjoyed reading, playing saxophone in the band, and had never been in trouble before, became a monster capable of entering his school with a loaded gun and firing bullets at his classmates. Each chapter is told from a different victim's viewpoint, giving insight into who Kirby was and who he'd become. Some are sweet, some are dark, some are seemingly unrelated about fights or first kisses or late night parties. This is a book told from multiple perspectives with one character and one event drawing them all together by some of YA's most recognizable names. *Here We Are* Kelly Jensen, 2017-01-24

Intriguing, romantic, and wholly original, Amy Spalding's sophomore novel is the perfect blend of humor and heart. Find out why Trish Doller called it "full of compassion, humor, love, and pitch perfect authenticity." For Kellie Brooks, family has always been a tough word to define. Combine her hippie mom and tattooist stepdad, her adopted overachieving sister, her younger half brother, and her tough love dad, and average Kellie's the one stuck in the middle, overlooked and impermanent. When Kellie's sister finally meets her birth mother, and her best friend starts hanging with a cooler crowd, the feeling only grows stronger. But then she reconnects with Oliver, the sweet college guy she had a near hookup with last year. Oliver is intense and attractive, and she's sure he's totally out of her league. It'll take a new role on the school newspaper and a new job at her mom's tattoo shop for Kellie to realize that defining herself both outside and within her family is what can finally allow her to feel permanent, just like a tattoo. **All in Pieces** Suzanne Young, 2016-11-08

Savvy's struggling to take care of her brother since her mom left years ago, and her alcoholic dad can't be bothered.
