After orientation, Mia's new friends invite her to the Para Psychology Club, where she meets a charismatic professor who introduces her to Astral Projection. Mia finds that her social anxiety makes her a natural at the maneuver. So when her possessive boyfriend tracks her down, hellbent on returning her home, she escapes their possessive grip by slipping into the nether. However, while out of her body, something ancient and dark from her past takes over. Forced to deal with not only the entity now using her body but also the religious extremists who have arrived to remove it, her only hope lies in the hands of her new friend Bruce and the enigmatic Professor Colista as they try to save her from a fate beyond hell.
