Judgment Day Islam Israel And The Nations By Dave Hunt:

Judgment Day! Dave Hunt, 2016-10-01 Is a global military aSSAULT on Israel MERELY an ominous wild eyed prophecy or an imminent world wide reality In what is possibly the most comprehensive and clear cut examination of ancient biblical prophecy and modern day Middle East politics regarding Islam Israel and the nations Judgment Day is an eye opening page turner for scholars analysts pastors professors politicians and laypeople alike Amazing historical facts and first hand insight make this book a thrilling sometimes troubling read but one that is necessary for an accurate understanding of the prophetic times in which we live DRAWING PARALLELS between the land for peace appeasement of Hitler prior to his systematic extermination of more than 6 million Jews and today s strategy of the nations united against Israel is not at all difficult but Dave Hunt goes much deeper than that With painstaking clarity and detail Judgment Day reveals the ancient agenda against the Jews and traces its twisted trail to modern day deceptions of U S Presidents foreign ambassadors covert and overt military operations businesspeople educators and world leaders alike In this no holds barred documentary Dave Hunt skillfully dissects the myth of Palestinian claims to the Promised Land and exposes the fraud deceit and treachery of an international community allied against the Jewish nation As the author writes In the final analysis the battle over Israel is a battle for the souls and destiny of mankind If Islam and the nations siding with her should accomplish their goal of destroying Israel then mankind from a biblical perspective is eternally lost

The Case for Zionism Thomas Ice, 2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day

The Truth About Islam Steve Urick, 2014-07-25 Islam which began fourteen hundred years ago in Arabia claims to be the one true religion given to mankind by the one true God Allah and his lone messenger Muhammad It has since grown to almost 1.5 billion followers today and is quickly growing Islam claims to be a peaceful religion but is often known to be violent and threatens the freedom of the entire world What are the teachings of Islam and how does it compare to the Bible The Truth About Islam examines the Quran Koran the God of Islam its pagan origin the Jesus of Islam its salvation plan Sharia law and slavery and its violent ideology of Jihad against all infidels non Muslims in light of the Bible and world history This concise and easy to

It also clearly presents the gospel of grace to any Muslim who is searching for the truth and desires to know how to have assurance of eternal life. *Major Cults and False World Religions* Steve Urick, 2011-03 Cults and false religions are dangerous. They preach a false gospel and lead people into a false spirituality. Their victims are kept blinded from the true gospel of Christ while they are held in bondage to whatever false belief system and legalistic practices they must maintain. *Major Cults and False World Religions* reveals several key characteristics that make them unbiblical. It also exposes several major false cults and religions that have the majority of the world's population deceived and headed for Hell. This book is the result of thirty-one years of evangelism work studying comparative religions and apologetic research and debate. It will equip you with a basic understanding of what each group believes and how to clearly discern and refute many of their unscriptural teachings and attacks. *In the Name of Education* Jonas E. Alexis, 2007 Alexis convincingly examines the crisis in education from a Christian perspective. *Social Issues*

Signs of the Second Coming of Jesus Christ and the End of the World Steve Urick, 2009-08 One of the most interesting topics in the Bible is the doctrine of the Second Coming of Christ. God has not left us in the dark concerning the details of Christ's future coming but has given us several clear prophetic signs to watch for. *Signs of the Second Coming of Jesus Christ and the End of the World* looks at key events the Bible says will lead to the glorious return of the Lord Jesus at the end of the age. If you ever wondered why the world is the way it is and where it is headed then you need to read this book. Whether you are a Christian or not, this revealing work will give you the vital information you need to prepare for what may come in the near future and for eternity itself. This book gives much historical information, compares worldviews, and provides several charts for a better understanding of historical developments. **Practical Christian Living** Steve Urick, 2011-11-30 Christians face many issues after they have been saved by God's grace. Knowing God, loving Him, and people living holy lives, questions about sex, dating, marriage, divorce, and the role of civil government and the local church are just a few. *Practical Christian Living* discusses these life topics and teaches Christians how to deal with overcoming sin. It also gives advice on how to live under God-ordained authority. Whether you are an old or new believer, this popular book will equip you with a basic understanding of God's plan and help you grow in grace and knowledge of Christ in order to live a life that is wise, fruitful, and pleasing to God. It will also help you to do the work of discipling others. **Evangelism and Christian**

Apologetics Steve Urick, 2012-03-09 Evangelism and making disciples of Christ go together and make up the most important work on earth. Why? Because the eternal destiny of people depends upon hearing the gospel of Christ. But many Christians lack basic training to be able to do soul-winning work, defend the faith, and refute false teachings. *Evangelism and Christian Apologetics* contains vital information that can give any Christian the knowledge and confidence to effectively explain the gospel one-on-one and gives clear answers to questions most commonly asked by skeptics and truth seekers alike. Whether

you are an older Christian or a new believer this powerful book will give you the nuts and bolts of evangelism training needed to equip and motivate you to go out and labor in the great harvest of souls while there is still time **American Christians and Islam** Thomas S. Kidd, 2018-06-05 In the wake of the September 11 terrorist attacks many of America's Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other Christian conservatives who wish to present a more appealing message to the world's Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today's evangelicals have deep roots in American history Tracing Islam's role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation's founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals' fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians' anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America's immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals' unwillingness to acknowledge Islam's theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to blame for the failure of evangelism in the Muslim world **American Christians and Islam** is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today **Living in the Times of the Signs** David Barnhart (R.), 2007 This book explains Bible prophecy as it applies to events unfolding in the 21st century The foundations of our culture our churches and our nation are being shaken by those who would have us all worship at the altar of the politically correct god But the Lord calls His people to walk in love obedience and faithfulness David R Barnhart pastor evangelist and prophecy teacher For the past twenty four years he has served as the director of Abiding Word Ministries an organization that promotes revival and reformation in the churches of America The author has devoted his life to calling Christians back to the foundational truths of Scripture **Financial Armageddon** John Hagee, 2011-09-19 Everything prophesied in the Bible is coming to pass It is no secret that we are living in a time of global crisis The financial meltdown of Wall Street bank failures the subprime lending crisis and uncontrollable gasoline prices are creating enormous stress for Americans And now we are facing an economic crisis that many are comparing to the events leading up to the Great Depression People everywhere are asking themselves critical questions like What is happening Where are we headed What can I do to protect myself and safeguard my family You can be assured that God is not surprised by these issues in fact all of these events are clearly documented in the Bible as signals pointing to the end of the age as we know it In **Financial Armageddon** Pastor John Hagee a master teacher on Bible prophecy and an astute and successful businessman clearly demonstrates Why our current economic crisis is happening

What will ensure your financial freedom in the face of any crisis How world events are lining up with Bible prophecy What the Bible says will happen next And much much more As you read remember that God has promised to bless His people You can rest assured that He is in control You will be encouraged to put your trust in God our Master Investment Counselor with the assurance that He will never let you down *Painted into a Corner - Black and White Version* Faysal

Mikdadi,2014-05-17 These are poems and paintings which reflect the poet s struggle to make order out of chaos For years Mikdadi has struggled for peace between Israelis and Palestinians At different junctures in his life his despair at the intransigence of both sides and at the sheer cruelty of what Palestinians have had to endure led him to write poetry and occasionally to paint in watercolours These are some of the poems and paintings that he produced during his life They speak for themselves Maeve Binchy felt that Faysal Mikdadi s passion makes his poetry impossible to ignore This is a black and white version of the colour book also published by Lulu It has been printed because the colour version being printed entirely in colour was deemed a trifle expensive This black and white version allows readers to afford a copy The colour version has also been published as an e book Science, Origins, & Ancient Civilizations , **Christianity and Rabbinic Judaism**

Jonas Alexis,2013-01-10 Our way must be never knowingly support lies Having understood where the lies beginstep back from that gangrenous edge Let us not glue back the flaking scale of the Ideology not gather back its crumbling bones nor patch together its decomposing garb and we will be amazed how swiftly and helplessly the lies will fall away and that which is destined to be naked will be exposed as such to the world Alexander Solzhenitsyn Enlightenment writer Voltaire was amazed that twelve fishermen some of them unlettered from an obscure place in the world called Galilee challenged an empire through self denial and patience and eventually established Christianity He seriously thought that twelve philosophers or intellectuals himself included would do the opposite and crush Christianity Voltaires self appointed cheerleaders such as Diderot Helvitius dHolbach DAlembert Lametrie and Baron Cloots among others tried to do just that and wrote volumes of work trying to tear down the basis of Christianity and erect an edifice of their own Diderot in particular declared I would sacrifice myself perhaps if I could annihilate forever the notion of God Cloots wrote We shall see the heavenly royalty condemned by the revolutionary tribunal of victorious Reason Lametrie produced Man A Machine and an entire French encyclopedia was written between 1751 and 1772 by those philosophers because Christianity to a large degree had to go Voltaire would send letters to his disciples and friends saying crasez linfme Rousseau of course was a disciple of Voltaire and declared that Voltaires work inspired me The French Revolution failed Yet like all significant revolutions before and after that period the French Revolution indirectly had a theological root which was then a categorical and metaphysical rejection of Logos That theological substratum has jumped from one era to the next and had and still has historical political economic and spiritual ramifications This book is about the historical and theological struggle of that conflict which had its inception at the foot of the cross **A Biblical Home Education** Ruth Beechick,2007-01-01 An immensely respected leader

in today's homeschool movement Dr Ruth Beechick encourages families to center all aspects of their children's learning on God's Word in A Biblical Home Education Beechick begins by showing how the subjects of worldview science and history have been pulled apart from the Bible and how they can be sensibly reconnected In the author's words Since the fear of the Lord is the beginning of wisdom that anti God teaching can lead only to foolishness Also included are chapters on thinking reading writing and study skills learning methods curriculum tips and extensive teaching helps *Evangelical Christian Responses to Islam* Richard McCallum,2024-02-08 Explores what the Evangelical micro public sphere has to say about key issues in Christian Muslim relations today Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **The Beast and Babylon** J.B. Whitelaw-Stevens,2017-07-06 The Beast and Babylon answers some age old questions about the two symbolic entities featured in the book of Revelation These symbols have historically been typified as a revived Roman Empire and its God opposing religious counterparts that rise up in Europe prior to the Second Coming of Jesus Christ In contrast this informative and timely study reveals that the latter day beast power rises out of not one but out of three defunct previous empires in the Middle East known via Daniels metaphors as the lion bear and leopard kingdoms It appears from Daniel 7 1112 that long after the last manifestation of the Roman Empire is destroyed these three dormant empires are revived for a season and a time During their rejuvenation they reappear in Revelation 13 and 17 in the form of a tripartite seven headed political religious beast power that emerges from the topographies of the ancient Grecian leopard Persian bear and Babylonian lion kingdoms Furthermore these combined territories encompass ten sovereign Islamic horn nations that were revealed after the Ottoman Empire was abolished ninety five years ago Today many of these Islamic nations contain embedded terrorist groups whose fanatical Jihadist leaders are determined to resurrect a radical pan Islamic Caliphate by which to establish Sharia law

throughout the World To achieve these objectives the latter day nascent imperial beast power in conjunction with ten like minded insurgent leaders must initiate a global Jihad to incite war on the people of God and conspire to destroy a religious city called Mystery Babylon the Great *Biblical Eschatology*: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emery wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book Christian Discipleship and the Local Church Steve Urick, 2012-11-09 When a person becomes a Christian the ongoing work of discipleship continues The intake of sound Bible doctrine into the soul is vital in order to grow spiritually strong and mature This is where the crucial role of the local church comes in Every believer needs to be taught by qualified leaders evangelists pastor teachers etc and be ministered to by various other gifted members of the body of Christ Christian Discipleship and the Local Church gives basic knowledge to find a good church discover one s spiritual gift s and advance in the Christian life It also equips Christians with concise and easy to read material to use when

doing the life changing work of discipling others It can even be used for church planting or strengthening existing churches
