Just Another Sucker By James Hadley Chase:

Just Another Sucker James Hadley Chase, 2012-09-20 A man will do almost anything when a rich and beautiful woman offers him fifty thousand dollars just to make a telephone call But when that telephone call is part of a fake kidnap plan to extract five hundred thousand dollars from one of the richest men in the world only a sucker would gamble on the deal paying off in his favour Harry Barber is a sucker After three and a half years in jail for a crime he didn't commit with no job and no money he is the perfect target of a brilliant plan to frame him for the brutal murder of a young girl **Volker**

Schlöndorff's Cinema Hans Bernhard Moeller, George L. Lellis, 2012-10-31 Volker Schlöndorff's Cinema Adaptation Politics and the Movie Appropriate examines the work of major postwar German director Volker Schlöndorff in historical, economic and artistic contexts Incorporating a film-by-film twenty-eight chapter study Hans Bernhard Moeller and George Lellis reveal a complexity and formal ambition of Schlöndorff that is comparable to that found in Wenders, Herzog and Fassbinder In spite of Schlöndorff's successes with films like *The Lost Honor of Katharina Blum* and *The Tin Drum* as well as his acclaimed work in the U.S. with *Death of a Salesman*, *Gathering of Old Men* and *The Handmaid's Tale* this is the first in-depth critical study of the filmmaker's career In the context of film and television history this book relates Schlöndorff's oeuvre to the New German Cinema to his formative years as a student and production assistant in France and to his roots in the Weimar cinema's tradition It reveals how Schlöndorff entered into the German film production system in the 1960s how he came to rely on German public television in the 1970s and then moved to international and American financing in the 1980s attempting to redevelop the Babelsberg studios in 1990s post-Wall Germany while continuing to make his own films into the 21st century The book captures how Schlöndorff's nearly half-century of ongoing creativity and productivity ties together The authors analyze the artistry of each Schlöndorff movie arguing that his output as a whole embodies a provocative and sometimes contradictory set of balances Schlöndorff combines commercial interest with significant artistic ambition blends the kinesthetic pleasures of moving images with the seriousness of fine literature links the intensity of individualized personal experience to an awareness of broader political issues and represents a specifically German sensibility even as he reaches out to international audiences The authors demonstrate the cyclical recurrence in his cinema of certain themes: individual and collective rebellion, fascist suppression, masochistic love, narrative patterns, the Western, the thriller, the subjective mood piece and stylistic approaches Brechtian *Verfremdung*, the creation of careful leitmotif structures, the use of the grotesque In over thirty years of filmmaking Schlöndorff has produced a remarkable unified body of work that deserves the attention of a book-length study Authors Hans Bernhard Moeller and George Lellis offer the first such study of its kind Volker Schlöndorff's Cinema Adaptation Politics and the Movie Appropriate features forty-one illustrations **The Erotic Thriller in Contemporary Cinema** Linda Ruth Williams, 2005 This bold and original book examines in detail a relatively new genre of film: the erotic thriller Linda Ruth Williams traces the genre's exploitation of pornography and noir, discusses

mainstream stars including Michael Douglas and Sharon Stone as well as genre branded direct to video stars charts the work of key producers and directors and considers home videos as a distinct form of viewing pleasure She maps the history of the genre analyzing hundreds of movies from blockbusters such as Basic Instinct Fatal Attraction and In the Cut to straight to video film titles such as Carnal Crimes Sins of Desire and Night Eyes Williams s witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex and its censorship at the beginning of the 21st century She shows that as the erotic thriller plays out the sexual fantasies of contemporary America it also provides a vehicle for marketing those fantasies globally

The Literary Filmography Leonard Mustazza,2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens s A Christmas Carol and Hawthorne s The Scarlet Letter were adapted to film in the silent era as were such books as Thomas Dixon s Jr s The Klansman basis for the film Birth of a Nation In recent years Nick Hornsby s About a Boy and each of Helen Fielding s Bridget Jones s Diary novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles Each entry includes the original work s title author year of first publication literary prizes and a brief plot summary Information on film adaptation s of the work including adaptation titles director screenwriter principal cast and the names of the characters they portray major awards and availability in the most common formats DVD VHS is also offered
