Greenspoon, 2011-10-01 Jews and humor is for most people a natural and felicitous collocation In spite of or perhaps because of a history of crises and living on the edge Jews have often created or resorted to humor But what is humor And what makes

certain types instances or performances of humor Jewish These are among the myriad queries addressed by the fourteen authors whose essays are collected in this volume And thankfully their observations always apt and often witty are expressed with a lightness of style and a depth of analysis that are appropriate to the many topics they cover The scholars who contributed to this collection allow readers both to discern the common features that make up Jewish humor and to delight in the individualism and eccentricities of the many figures whose lives and accomplishments are narrated here Because these essays are written in a clear jargon free style they will appeal to everyone even those who don t usually crack a smile

Ten Little New Yorkers Kinky Friedman,2005-03-08 Kinky Friedman has always proven himself to be a master of the offbeat and irreverent and still manages to pull off a helluva whodunit in the process Now the Kinkster may have met his match in this superbly crafted fiendishly clever tale of a murderer who s methodically killing off unsuspecting Manhattan men Gallingly all clues point toward Kinky Greenwich Village is the setting for Ten Little New Yorkers a tale of murder and mayhem as only Friedman can warble it and featuring his usual suspects including Ratso Dr Watson to Kinky s singular Sherlock Holmes As the clues and bodies pile up and the cops strong arm Kinky as their man he has to jump through hoops to find the real killer all the while maintaining his outrage and of course his innocence The murderer may be someone close to Kinky which leads to a shocker of an ending that will surely take Kinky devotees completely by surprise With a wink and a nod to Dame Agatha as in Christie after which all resemblance to those classic mysteries fades this is one of Friedman s most complex and irresistible page turners yet Cunningly tentous issues of life death guilt innocence love loss and the danger of false confessions this is Kinky Friedman at his wily suspenseful and sacrilegious best
