man on the thriller beat calls this revolution the triumph of the thriller and lists among its stars Thomas Harris Michael Connelly George Pelecanos Dennis Lehane Sue Grafton and Elmore Leonard In his provocative caustic and often hilarious survey of today's popular fiction Anderson shows us who the best thriller writers are and the worst He shows how Michael Connelly was inspired by Raymond Chandler how George Pelecanos toiled in obscurity while he mastered his craft how Sue Grafton created the first great woman private eye and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers He casts a cold eye on Tom Clancy's militaristic techno thrillers and praises Alan Furst and Robert Littell as world class spy novelists He examines the pioneering role of Lawrence Sanders the offbeat appeal of Dean Koontz the unprecedented success of *The Da Vinci Code* and the emergence of the literary thriller Most of all Anderson demands that the best of these novelists be given their due not as genre writers but as some of the most talented men and women at work in American fiction Don't trust the literary elites to tell you what to read he warns make up your own minds *The Triumph of the Thriller* will convince many readers that we've entered an important new era in popular fiction This book can be your guide to it [Drama City](#) George Pelecanos, 2005-03-01 Lorenzo Brown loves his work In his job as an officer for the Humane Society he cruises the city streets looking for dogs that are being mistreated underfed unclean trained to kill He takes pride in making their lives better And that pride helps Lorenzo resist the pull of easier money doing the kind of work that got him a recent prison bid Rachel Lopez loves her work too By day she is a parole officer helping people Lorenzo Brown among them along a path to responsibility and advancement At night she heads for the city's hotel bars where she can always find a man who will let her act out her damage She loses herself in sex and drink and more But Rachel's nights are taking a toll on her days Lorenzo knows the signs The trouble is he truly needs her right now There's an eruption coming in the streets he left behind the kind of territorial war that takes down everyone even near it Lorenzo needs every shred of support he can get to keep from being sucked back into that battleground He reaches out to Rachel but she may be too far gone to help either of them Writing with the grace and force that have earned him praise as the poet laureate of the crime world George Pelecanos has created a novel about two scarred and fallible people who must navigate one of life's most brutal passages It is an unforgettable moving even shocking story that will leave no reader unchanged **Race, Ethnicity and Publishing in America** C. attempts to explain deviant behaviour whether it be crime terrorism or riots in terms of motivations and desires separate and distinct from those of the normal Young critiques the process of othering whether of a liberal or conservative variety and develops a theory of vertigo to characterise a late modern world filled with inequality and division He points toward a transformative politics which tackle problems of economic injustice and build and cherish a society of genuine diversity This major new work engages with some of the most important issues facing society today *The Vertigo of Late Modernity* is essential reading for academics and advanced students in the areas of criminology sociology cultural studies anthropology and the social sciences more broadly
