*Under a Watchful Eye* Adam Nevill, 2016-12-22 Seb Logan is being watched He just doesn't know by whom When the sudden appearance of a dark figure shatters his idyllic coastal life he soon realizes that the murky past he thought he'd left behind has far from forgotten him What's more unsettling is the strange atmosphere that engulfs him at every sighting plunging his mind into a terrifying paranoia To be a victim without knowing the tormentor To be despised without knowing the offense caused To be seen by what nobody else can see These are the thoughts which plague his every waking moment Imprisoned by despair Seb fears his stalker is not working alone but

rather is involved in a wider conspiracy that threatens everything he has worked for For there are doors in this world that open into unknown places Places used by the worst kind of people to achieve their own ends And once his investigation leads him to stray across the line and into mortal danger he risks becoming another fatality in a long line of victims **Lost Girl** Adam Nevill,2015-10-22 Set amidst the devastation of climate change and global pandemics Lost Girl is a dystopian nightmare from the master of horror Adam Nevill How far will he go to save his daughter How far will he go to get revenge It's 2053 and climate change has left billions homeless and starving easy prey for the pandemics that sweep across the globe scything through the refugee populations Easy prey too for the violent gangs and people smugglers who thrive in the crumbling world where King Death reigns supreme The father's world went to hell two years ago His four year old daughter was snatched from his garden when he should have been watching The moments before her disappearance play in a perpetual loop in his mind But the police aren't interested amidst floods hurricanes and global chaos who cares about one more missing child Now it's all down to him to find her him alone *Apartment 16* Adam Nevill,2010-05-21 Some doors are better left closed In Barrington House an upmarket block in London there is an empty apartment No one goes in no one comes out And it has been that way for fifty years Until the night watchman hears a disturbance after midnight and investigates What he experiences is enough to change his life forever A young American woman Apryl arrives at Barrington House She's been left an apartment by her mysterious Great Aunt Lillian who died in strange circumstances Rumours claim Lillian was mad But her diary suggests she was implicated in a horrific and inexplicable event decades ago Determined to learn something of this eccentric woman Apryl begins to unravel the hidden story of Barrington House She discovers that a transforming evil force still inhabits the building And the doorway to Apartment 16 is a gateway to something altogether more terrifying Apartment 16 is another gripping novel full of suspense and horror from Adam Nevill twice winner of the August Derleth award *The Theological Turn in Contemporary Gothic Fiction* Simon Marsden,2018-09-21 This study examines theological themes and resonances in post 1970 Gothic fiction It argues that contemporary Gothic is not simply a secularised genre but rather one that engages creatively and often subversively with theological texts and traditions This creative engagement is reflected in Gothic fiction's exploration of theological concepts including sin and evil Christology and the messianic resurrection eschatology and apocalypse Through readings of fiction by Gothic and horror writers including Stephen King Joyce Carol Oates Peter Straub William Peter Blatty and others this book demonstrates that Christianity continues to haunt the Gothic imagination and that the genre's openness to the mysterious numinous and non rational opens space in which to explore religious beliefs and experiences less easily accessible to more overtly realist forms of representation The book offers a new perspective on contemporary Gothic fiction that will be of interest to students and scholars of contemporary Gothic and of the relationship between literature and religion more generally **End of the Road** Jonathan Oliver,2013-11-26 ON THE ROAD TO NOWHERE Each step leads you closer to your destination but who or what
