Reappearing Characters in Nineteenth-Century French Literature Sotirios Paraschas, 2018-04-19 This book examines the phenomenon of the reappearance of characters in nineteenth century French fiction It approaches this from a hitherto unexplored perspective that of the twin history of the aesthetic notion of originality and the legal notion of literary property While the reappearance of characters in the works of canonical authors such as Honor de Balzac and mile Zola is usually seen as a device which transforms the individual works of an author into a coherent whole this book argues that the unprecedented systematisation of the reappearance of characters in the nineteenth century has to be seen within a wider cultural economic and legal context While fictional characters are seen as original creations by their authors from a legal point of view they are considered to be ideas which are not protected and can be appropriated by anyone By co examining the reappearance of characters in the work of canonical authors and their reappearances in unauthorised appropriations such as stage adaptations and sequels this book discusses a series of issues that have shaped our understanding of authorship originality and property

Mazarin a diamond ring to return to d Artagnan one which she had previously given him that d Artagnan sold The avaricious Mazarin merely uses the diamond to show d Artagnan that he is once again to enter the Queen s service He commissions d Artagnan to go in search of his friends D Artagnan is at a loss he has completely lost touch with his friends who have resumed their real names Athos the Comte de la F re had returned to his estate near Blois Porthos Monsieur du Vallon had married a lawyer s widow and Aramis became a priest the Abb d Herblay Fortune intervenes when Planchet his old servant enters d Artagnan s chambers attempting to escape arrest for aiding the escape of Rochefort Through Planchet he locates Bazin Aramis old servant now beadle at Notre Dame Though Bazin is unwilling to help d Artagnan is able to find out through an altar boy that Bazin makes frequent visits to Noisy D Artagnan and Planchet go there where they are set upon by a group who think them Frondeurs while outside the house of Madame de Longueville When this group is satisfied that d Artagnan is not the man they seek Aramis surprises Planchet by dropping onto his horse from the tree in which he had been hiding Read this complete famous novel for further story , **Les Trois Mousquetaires** Alexandre Dumas,2013-04-02 Les Trois
