Letters to a Shooting Star Keith Hale, 2013-11-20 Letters to a Shooting Star follows Arkansas country boy Ben Goodman through childhood and adolescence focusing primarily on the period when he crosses paths with the book's other protagonists Pennsylvania raised brothers Ethan and Daniel Henry Letters to a Shooting Star is both a humorous coming of age novel and a sensitive love story told in fine understated style *Shooting Stars* Sheridan Morley, 1983 **The Spectator**, 1837 A weekly review of politics literature theology and art **What Daniel Did with His Life** Keith Hale, 2015-05-15 What Daniel Did With His Life follows Arkansas country boy Ben Goodman through childhood and adolescence focusing primarily on the period when he crosses paths with the book's other protagonists Pennsylvania raised brothers Ethan and Daniel Henry Each boy has a compelling story and when the stories are set side by side then merged the result is both heartwarming and hopeful The book is both a coming of age novel and a love story told in fine understated Southern tradition reminiscent of Eudora Welty and Flannery O'Connor Excerpt Daniel gently ran a hand across Ben's stomach considering the possibilities Ben shivered slightly and Daniel wondered again if he was awake They lay body to body in physical uncertainty until eventually Daniel asked You sleeping Ben didn't answer And he didn't move when Daniel snuggled closer to him and slid his head just below Ben's chin resting on his chest Daniel could hear Ben's heartbeat **The Literary World**, 1874 **The Illustrated London News**, 1844 **The English Catalogue of Books**, 1948 *Billboard*, 1959-04-20 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends The Publishers' Circular and Booksellers' Record of British and Foreign Literature, 1899 Sonnets to a Young Man William Shakespeare, Keith Hale, 2013-07-10 By the beginning of the Twentieth Century almost anyone in England who knew anything about Shakespeare knew that he had written his famous love sonnets to a beautiful adolescent male who was fifteen when the first sonnet was written The debate was not about what gender the poems addressed but what specific young man had been the object of Shakespeare's affection Read in sequence the sonnets tell a story Shakespeare was instructed by his patron to try to get the patron's son to marry and pass along his lineage and beauty The first seventeen sonnets are therefore called the procreation sonnets because this is precisely Shakespeare's message to the boy Beginning with Sonnet 18 however we see an abrupt turn Shakespeare has clearly fallen in love with the fifteen year old Furthermore and this cannot have pleased his patron Shakespeare suggests there is really no need for the boy to marry and procreate in order to live beyond his time for Shakespeare is immortalizing him for eternity through the sonnets *Billboard*, 1959-10-05 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital
