

The book cover features a complex steampunk illustration. At the top, two mechanical wings with multiple blades and gears are spread out. Below them, a large gear is centered. The background is dark with intricate patterns of gears, pipes, and mechanical components. The title 'LEVIATHAN' is prominently displayed in a large, metallic, serif font. Below the title, a line of text identifies the author as a New York Times bestselling author of 'Ungods'. The author's name 'SCOTT WESTERFELD' is written in a similar metallic font. At the bottom, a large, ornate mechanical structure, possibly a clock face or a large gear, is shown with various smaller gears and components. The overall color palette is dark, with highlights of gold, brass, and red.
