Writing Blurbs That Sizzle--And Sell! Karen S. Wiesner, 2018-10-09 Make your book fly off the shelves Every author knows what a back cover blurb is but crafting an effectively good one is no easy task Many writers outright dislike writing them or dread the process because so much is at stake if the blurb fails to engage

A sizzling back cover blurb needs to convince readers they absolutely have to read the story inside the pages or they'll set the book down without ever opening it. Additionally, a powerful series blurb can sell not just one book but all of them in that set. High concept blurbs are necessary in every author's marketing to provide intriguing sound bites that sell books and series.

Writing Blurbs That Sizzle And Sell is the definitive guide on how to craft back cover series and high concept blurbs. **A Critical Companion to Tim Burton** Adam Barkman, Antonio Sanna, 2017-10-16. Misfit Children Markus Bohlmann, 2016-12-14. Misfits are often confused with outcasts. Yet misfits rather find themselves in between that which fits and that which does not. This volume is interested in this slipperiness of misfits and explores the blockages and the promises of such movements as well as the processes and conditions that produce misfits, the means that enable them to undo their denomination as misfits, and the practices that turn those who fit into misfits and vice versa. This collection of essays on misfit children produces transmissible motions across and engages in scholarly conversations that unfold betwixt and between in order to make rigid
