Lincoln Before Lincoln Brian J. Snee, 2016-05-13 Despite a wealth of biographical material relatively few full length motion pictures have taken Abraham Lincoln and his life as a primary subject In this detailed study Brian J. Snee provides a sweeping overview of the cinematic representations of the sixteenth president from the silent era up to Steven Spielberg's Lincoln 2012

Lincoln in American Memory Merrill D. Peterson, 1995-06-01 Lincoln's death like his life was an event of epic proportions When the president was struck down at his moment of triumph writes Merrill Peterson sorrow indescribable sorrow swept the nation After lying in state in Washington Lincoln's body was carried by a special funeral train to Springfield Illinois stopping in major cities along the way perhaps a million people viewed the remains as memorial orations rang out and the world chorused its sincere condolences It was the apotheosis of the martyred President the beginning of the transformation of a man into a mythic hero In Lincoln in American Memory historian Merrill Peterson provides a fascinating history of Lincoln's place in the American imagination from the hour of his death to the present In tracing the changing image of Lincoln through time this wide ranging account offers insight into the evolution and struggles of American politics and society and into the character of Lincoln himself Westerners Easterners even Southerners were caught up in the idealization of the late President reshaping his memory and laying claim to his mantle as his widow son memorial builders

and memorabilia collectors fought over his visible legacy Peterson also looks at the complex responses of blacks to the memory of Lincoln as they moved from exultation at the end of slavery to the harsh reality of free life amid deep poverty and segregation at more than one memorial event for the great emancipator the author notes blacks were excluded He makes an engaging examination of the flood of reminiscences and biographies from Lincoln's old law partner William H Herndon to Carl Sandburg and beyond Serious historians were late in coming to the topic for decades the myth makers sought to shape the image of the hero President to suit their own agendas He was made a voice of prohibition a saloon keeper an infidel a devout Christian the first Bull Moose Progressive a military blunderer and after the First World War a military genius a white supremacist according to D W Griffith and other Southern admirers and a touchstone for the civil rights movement Through it all Peterson traces five principal images of Lincoln the savior of the Union the great emancipator man of the people first American and self made man In identifying these archetypes he tells us much not only of Lincoln but of our own identity as a people

Why American History Is Not What They Say Jeff Rigenbach, 2009 Americans have been warring with each other for more than a century over the contents of the American history textbooks used in the nation's high schools and colleges Page 4 of cover

I Would Still Be Drowned in Tears: Spiritualism in Abraham Lincoln's White House Michelle L. Hamilton, 2014-06-11 In 1862 in the midst of a bloody civil war President Abraham Lincoln and his wife Mary suffered unspeakable heartache when their young son died To combat her grief First Lady Mary Lincoln became a devotee of Spiritualism making the White House a center for Washington D C's Spiritualist community For decades historians have maintained that President Lincoln only attended a few seances in an attempt to protect his mentally unstable wife This narrative is incorrect using a host of previously neglected primary sources historian Michelle L Hamilton documents the numerous seances President Lincoln attended and the interest he had for the religion Michelle L Hamilton's *I Would Still Be Drowned in Tears* sheds new light onto the Lincolns interest in Spiritualism and proves that Mary Lincoln might not have been the only Spiritualist in the White House Perhaps now we can frankly admit without ridicule or condemnation the role Spiritualism played in the lives of Abraham and Mary William Weeks Ph D San Diego State University

Abraham Lincoln's Religion Stephen J. Vicchio, 2018-03-23 This work is a summary and analysis of Abraham Lincoln's religion This study begins with a description of the earliest relations Mr Lincoln had with religion his parents dedication to a sect known as the Separate Baptists By late adolescence Lincoln began to reject his parents faith and he appears to have been a religious skeptic until his marriage to Mary Todd After his marriage he attended Protestant services with his wife and family but there was little evidence that he was deeply religious in that time Lincoln knew the Scriptures quite well but it was not until the death of his two sons Eddie in 1850 and Willie in 1862 that as the sixteenth president put it He became more intensely concerned with God's Plan for human kind

Lincoln's Gamble Todd Brewster, 2014-09-09 An account of the six month period during which Lincoln wrote the Emancipation Proclamation and changed the course of the Civil War discusses his

battles with his generals and cabinet his struggles with depression and his private doubts about his cause Jack the Ripper and Abraham Lincoln Tony McMahon,2024-05-28 This book reveals how a member of the gang that assassinated President Abraham Lincoln went on to be a leading suspect in the Jack the Ripper killings of 1888 It tells the gripping story of a celebrity American doctor in America s Gilded Age who had a dark murderous secret he was linked to the two greatest crimes of the 19th century **Recollected Words of Abraham Lincoln** Don Fehrenbacher,Virginia Fehrenbacher,1996-11-01 This is the first comprehensive collection of remarks attributed to Abraham Lincoln by his contemporaries Much of what is known or believed about the man comes from such utterances which have been an important part of Lincoln biography About his mother for instance he never wrote anything beyond supplying a few routine facts but he can be quoted as stating orally that she was the illegitimate daughter of a Virginia aristocrat Similarly there is no mention of Ann Rutledge in any of his writings but he can be quoted as saying when he was president elect I did honestly and truly love the girl and think often often of her now Did Lincoln make a conditional offer to evacuate Fort Sumter in April 1861 Did he personally make the decision to restore General McClellan to army command in September 1862 To whom did he first reveal his intention to issue an emancipation proclamation Did he label the Gettysburg address a failure right after delivering it Did he just a few days before his assassination dream of a president lying dead in the White House All of these questions and many others arise from recollective quotations of Lincoln and the answer in each instance depends upon how one appraises the reliability of such recollection **Lincoln and the Sioux Uprising of 1862** Hank H. Cox,2005-07-01 On the bright Sunday morning of August 17 1862 four Sioux warriors emerged from the Big Woods northwest of St Paul Minnesota on their way home from an unsuccessful hunt When they came upon the homestead of Robinson Jones a white man who ran a post office and general store and offered lodging for travelers the Indians opened fire on the settlers killing almost all of them Soon bands of Sioux were rampaging across southwestern Minnesota attacking farms and trading posts and murdering everywhere they went splitting the skulls of men clubbing children to death raping daughters and wives before disemboweling them cutting off hands breasts and genitals and looting whatever could be taken before setting fire to what remained Perhaps as many as two thousand settlers were brutally massacred although the number has never been firmly established Once the uprising was suppressed 303 Sioux warriors were sentenced to death The people of Minnesota called for their immediate execution a sentiment that matched the national mood Abraham Lincoln suspected that most of those convicted were marginal players in the rebellion and that the worst culprits had escaped and he carefully reviewed each case before selecting the 39 later reduced to 38 men to hang whom he believed to be guilty of the worst crimes The remainder were committed to life in prison I could not hang men for votes he later explained On December 26 the 38 were simultaneously hanged on a gallows construction especially for them The Sioux Uprising of 1862 also known as the Dakota War sounded the first shots of a war that continued for another 28 years culminating in the massacre of Indian women and

children at Wounded Knee in 1890 Lincoln's death at the hands of John Wilkes Booth ended his intention to reform the government's Indian policy and both political parties continued to use the system to reward their supporters a practice that largely continues to this day **The Health of the Presidents** John R. Bumgarner, M.D., 2024-10-11 Surrounded by well meaning aides physicians sworn to confidentiality and in some cases sycophants the president of the United States usually keeps the state of his health well guarded from the American public Though the intention of the 25th Amendment is to provide for the removal of an impaired president the level of discretion involved in such a decision has caused many to question whether it serves the national interest In large part the men who have served as president have been past middle age and susceptible to the same maladies as the rest of the aged population The complete medical history of each of the first 41 U S presidents emphasizing illnesses that affected them during their administrations is here set out for the lay reader by a physician The presidents health care regimens diet exercise home remedies etc and physicians treatments are also discussed

Faith and the Presidency From George Washington to George W. Bush Gary Scott Smith, 2006-10-12 Publisher description Not Even Past Cody Marrs, 2020-03-24 How the Civil War endures in American life through literature and culture Recipient of the Eric Hoffer Award's Montaigne Medal The American Civil War lives on in our collective imagination like few other events The story of the war has been retold in countless films novels poems memoirs plays sculptures and monuments Often remembered as an emancipatory struggle as an attempt to destroy slavery in America now and forever it is also memorialized as a fight for Southern independence as a fratricide that divided the national family and as a dark cruel conflict defined by its brutality What do these stories myths and rumors have in common and what do they teach us about modern America In this fascinating book Cody Marrs reveals how these narratives evolved over time and why they acquired such lasting power Marrs addresses an eclectic range of texts traditions and creators from Walt Whitman Abram Ryan and Abraham Lincoln to Margaret Mitchell D W Griffith and W E B Du Bois He also identifies several basic plots about the Civil War that anchor public memory and continually compete for cultural primacy In other words from the perspective of American cultural memory there is no single Civil War Whether they fill us with elation or terror whether they side with the North or the South whether they come from the 1860s the 1960s or today these stories all make one thing vividly clear the Civil War is an ongoing conflict persisting not merely as a cultural touchstone but as an unresolved struggle through which Americans inevitably define themselves A timely evocative and beautifully written book Not Even Past is essential reading for anyone interested in the Civil War and its role in American history **Judging Lincoln** Frank J. Williams, 2007-03-28 Judging Lincoln collects nine of the most insightful essays on the topic of the sixteenth president written by Frank J Williams chief justice of the Rhode Island Supreme Court and one of the nation's leading authorities on Abraham Lincoln For Judge Williams Lincoln remains the central figure of the American experience past present and future Williams begins with a survey of the interest in and influence of Lincoln both at home and abroad and then moves into an analysis of Lincoln's personal

character with respect to his ability to foster relationships of equality among his intimates Williams then addresses Lincoln's leadership abilities during the span of his career with particular emphasis on the Civil War Next he compares the qualities of Abraham Lincoln Franklin Delano Roosevelt and Winston Churchill The final essay cowritten with Mark E Neely Jr concerns collecting Lincoln artifacts as a means of preserving and fostering the Lincoln legacy
