Or, Acting Lessons from the Eighteenth Century** James Harriman-Smith, 2024-01-25 The stage of the 1700s established a star culture with the emergence of acting

celebrities such as David Garrick Susannah Cibber and Sarah Siddons It placed Shakespeare at the heart of the classical repertoire and offered unprecedented opportunities to female actors This book demonstrates how an understanding of the practice and theories circulating at the time can generate new ways of studying and performing plays of all kinds today Offering theatre professionals a model for active engagement with stage history this book provides stage historians with an approach to past performance practice that is centred on process and preparation rather than product Initially this book vividly introduces readers to the 18th century stage and the ideas that governed it through a study of the vast amount of writing about acting that appeared at the time including letters diaries treatises and anthologies The author then presents a series of exercises developed in collaboration with professional actors and directors informed by this literature These exercises can be employed singly or combined into an iterative rehearsal process they are also open to further adaptation and analysis as part of a work that treats theatre writers of the past as potential collaborators for those interested in theatre today A truly unique offering What would Garrick Do Or Acting Lessons from the Eighteenth Century offers a fascinating deep dive into this important time in theatre history to illuminate practices and processes today

**The Romantic Literary Lecture in Britain** Sarah Zimmerman, 2019-01-17 At the beginning of the nineteenth century the literary lecture arrived on London's cultural scene as an influential critical medium and popular social event It flourished for two decades in the hands of the period's most prominent lecturers Samuel Taylor Coleridge John Thelwall Thomas Campbell and William Hazlitt Lecturers aimed to shape auditors reading habits burnish their own professional profiles and establish a literary canon Auditors wielded their own considerable influence since their sustained approbation was necessary to a lecturer's success and independent series could collapse midway if attendance waned Two chapters are therefore devoted to the auditors whose creative responses to what they heard often constituted cultural works in their own right Auditors wrote poems and letters about lecture performances acted as patrons to lecturers and hosted dinners and conversation parties that followed these events Prominent auditors included John Keats Mary Russell Mitford Henry Crabb Robinson Catherine Maria Fanshawe and Lady Charlotte Bury The Romantic public literary lecture is a fascinating cultural phenomenon in its own right but understanding the medium has significant implications for some of the period's most important literary criticism such as Coleridge's readings of Shakespeare and Hazlitt's Lectures on the English Poets 1818 The book's two main aims are to chart the emergence of the literary lecture as a popular medium and to develop a critical approach to these events by drawing on an interdisciplinary discussion about how to treat historical speaking performances
