Love The One You're With By Emily Giffin:

Love the One You're With Emily Giffin, 2010-09-09 Giffin's talent lies in taking relatable situations and injecting with enough wit and suspense to make them feel fresh. The cat and mouse game between Ellen and Leo lights up these pages; their flirtation as dangerously addictive as a high speed car chase. People, if you can't forget the one who got away, can you truly love the one you're with? Ellen and Andy's first year of marriage doesn't just seem perfect, it IS perfect. There is no question how deep their devotion is and how naturally they bring out the best in each other. Then one fateful afternoon, Ellen runs into Leo for the first time in eight years. Leo, the one who brought out the worst in her, Leo, the one who left her heartbroken with no explanation, Leo, the one she could never quite forget. When his reappearance ignites long dormant emotions, Ellen begins to question whether the life she's living is the one she's meant to live. **LOVE THE ONE YOU'RE WITH** is a powerful story about one woman at the crossroads of true love and real life. Blonde, blue-eyed, smart, and beautiful, Giffin writes about heroines with deep flaws that drive the story, but on the surface, at least, Giffin's own life seems charmed, even close to perfect. After years of making the smart, risk-averse decisions that often mark overachievers, Giffin took a major leap of faith in herself, leaving the stressful world of high stakes litigation to try writing novels full time. For many lawyers, following their dreams would have been too risky. For many lawyers, that do take a risk, the leap would have been a mere break that led to returning to legal practice. But not for Emily Giffin, whose risk paid off with enormous measurable success and the adoration of her fans. *Something Blue* Emily Giffin, 2005 Thirty years old, successful, and stunning, Darcy Rhone used to think that being down and out meant not finding a size four at the Barney's Warehouse Sale. Now she is pregnant, unmarried, and recovering from a broken engagement to Dex and the betrayal of her ex-best friend Rachel, who stole Dex's affections. For the first time in her life, she is completely alone. Frantically casting around for help, she calls upon Ethan, an old high school friend, and convinces him to let her stay with him in London for a few weeks to get her act together. Little does she know what she's in for when she boards

the plane to cross the Atlantic but as weeks turn into months Darcy makes a surprising discovery Preparing for motherhood and settling into a new career she builds herself a new life from scratch finally finding romance in the most unexpected place
