Madame Roland John Stevens Cabot Abbott,1878 **Madame Roland** John Abbott,2017-12-05 Many characters of unusual grandeur were developed by the French Revolution Among them all there are few more illustrious or more worthy of notice than that of Madame Roland The eventful story of her life contains much to inspire the mind with admiration and with enthusiasm and to stimulate one to live worthily of those capabilities with which every human heart is endowed No person can read the record of her lofty spirit and of her heroic acts without a higher appreciation of woman s power and of the mighty influence one may wield who combines the charms of a noble and highly cultivated mind with the fascinations of female delicacy and loveliness To understand the secret of the almost miraculous influence she exerted it is necessary to trace her career with some degree of minuteness from the cradle to the hour of her sublime and heroic death **History of Madame Roland** ,1851 **History of Madame Roland. History of Madame Roland John Stevens Cabot Abbott,1869 **Makers of History Madame Roland - John S. C. Abbott** John S. C. Abbott,2010-02-16 A passage from the book The history of Madame Roland embraces the most interesting events of the French Revolution that most instructive tragedy which time has yet enacted There is perhaps contained in the memoirs of no other woman so much to invigorate the mind with the desire for high intellectual culture and so much to animate the spirit heroically to meet all the ills of this eventful life Notwithstanding her experience of the heaviest temporal calamities she found in the opulence of her own intellectual treasures an unfailing resource These inward joys peopled her solitude with society and dispelled even from the dungeon its gloom I know not where to look for a career more full of suggestive thought **Madame Roland, Makers of History** John S. John S. C. Abbott,2017-09-08

The astonishing story of one of the leading women of the French Revolution and of her own ironic but grisly end at the guillotine is told with typical intensity and passion by master storyteller John Abbott in this gripping account of the events leading up to the infamous Reign of Terror Marie Jeanne Phlippon Roland better known as Madame Roland and her husband Jean Marie Roland de la Platiere were leading supporters of the initial ideals of equality and freedom which they presumed the French revolutionaries sought As such they became the leaders of what was known as the Girondist faction during those tumultuous events The Girondists campaigned for the end of the monarchy but then found themselves at odds with the increasing violence and extremist nature of the radicals In June 1793 Madame Roland and her husband were arrested by the radical faction under the leadership of Robespierre charged with treason and thrown into prison Although there were no real grounds for the charge a guilty sentence was inevitable as it became clear that the trial was part of Robespierre s plot to destroy his Girondist opposition In November 1793 Madame Roland suffered the fate of so many other innocent people of the time and was beheaded in public on the Place de la Revolution uttering the famous remark for which she is remembered O Liberte que de crimes on commet en ton nom Oh Liberty what crimes are committed in thy name

Robespierre's plot to destroy his Girondist opposition In November 1793 Madame Roland suffered the fate of so many other innocent people of the time and was beheaded in public on the Place de la Revolution uttering the famous remark for which she is remembered O Liberté que de crimes on commet en ton nom Oh Liberty what crimes are committed in thy name
