Some kids say Mason Avrett is slow What they don't know is that he also has a terrifying power that he's just beginning to understand But that's not his worst problem Mason lives with a sadist His older brother Gene doles out punishments so brutal that all Mason can do is cover his head for the beating and try to forget the horrific things he's seen Rene Denton one of Mason's only friends knows that Gene is evil but she doesn't know how evil until the terrible night she becomes a victim of Gene's cruelty Suddenly Mason's power raging beyond his control becomes the only thing that might just be as frightening as Gene Horror revenge and the twisted images born of a lifetime of pain are woven into a masterful tale of suspense and redemption *Official Register* United States Civil Service Commission,1881 Genealogies of the Families and Descendants of the Early Settlers of Watertown, Massachusetts, Including Waltham and Weston Henry Bond,1855
