**Representations of Masculinity in Literature and Film** Sara Martín, 2020-09-11 How are men represented on the printed page the stage and the screen What do these representations say about masculinity in the past the present and the future The twelve essays in this volume explore the different ways in which men and masculinity have been represented from the plays of William Shakespeare to the science fiction of Richard K Morgan passing through classic fiction by Emily Bront and Charles Dickens and popular favourites by Terry Pratchett and Isaac Asimov without forgetting the Star Wars saga Collectively these essays argue that although much has been written about men it has been done from a perspective that does not see masculinity as a specific feature in need of critical appraisal Men need to be made aware of how they are represented in order to alter the toxic patriarchal models handed down to them and even break the extant binary gender models For that it is important that men distinguish patriarchy from masculinity as is done here and form anti patriarchal alliances with each other and with women This book is then an invitation to men s liberation from patriarchy by raising an awareness of its crippling constraints

Aquest llibre és doncs una invitació a totes i tots els mestres i professors a renovar amb noves propostes educatives la didàctica i metodologia de la llengua i per extensió de qualsevol àmbit del saber. Del pròleg de Sara Blasi *La dèria del català* Rudolf Ortega, 2015-02-18 Un assaig a través de la història de la llengua catalana. Fent un cop d'ull a la història de la llengua catalana crida l'atenció que amb tot el que ha passat sobretot en els últims tres-cents anys encara es pugui parlar català. Amb aquesta afirmació contundent Rudolf Ortega enceta un assaig que ens passeja per la història de la llengua intentant resoldre què és que converteix la nostra en un cas tan curiós anormal o singular en el món de les llengües minoritàries fins al punt que en contra de les anàlisis dels apocalíptics el català supervivent no tan sols no està en perill de mort sinó que ja encara la seva restitució com a primera llengua de la població catalana. Literatura catalana de la postmodernitat II. Escrita per més de mig centenar d'especialistes s'organitza en set parts distribuïdes en dos volums: en el primer s'analitza com es construeix la literatura catalana postmoderna tant en termes de creació com d'establiment d'una xarxa institucional que respon al nou context cultural propi i internacional i tot seguit s'hi estudien els gèneres narratius. En el segon volum es tracta la no-ficció, la poesia, la dramàtica, l'experimentalisme i els principals episodis de recepció i traducció de literatura estrangera al català i es recull l'índex onomàstic de tots dos llibres. *Literatura catalana de la postmodernitat* és una obra de referència que ofereix una base sòlida per entendre la producció literària dels nostres autors contemporanis i situa per primera vegada en el marc internacional els estudis literaris catalans d'aquest període. **Prosa de combat** Manuel de Pedrolo, 2025-09-03 El primer i únic assaig polític de Pedrolo surt a la llum seixanta anys després. A banda de ser l'escriptor amb més lectors i lectors de la seva generació Manuel de Pedrolo (1918-1990) va ser durant anys el principal referent de l'independentisme a la premsa catalana, cosa que no es pot deslligar de la seva recepció crítica ni de com l'hem patit fins avui. L'assaigisme polític de Pedrolo ressenya vint-i-cinc anys decisius de la història del país des de les primeres llumetes de recuperació cultural dels anys seixanta fins als focs artificials previs a Barcelona 92. En aquest volum recuperem el primer assaig polític que va concebre l'autor censurat el 1966 i inclou fins avui i apleguem els seus millors articles que en una part substancial també es publiquen per primera vegada.
