Jakob The Liar By Jurek Becker:

Jacob The Liar Jurek Becker, 1996-02-07 Cut off from all news of the war along with thousands of fellow prisoners Jacob Heym accidentally overhears a radio broadcast that reveals the Red Army's advancement and is forced to tell a series of lies in order to explain his knowledge Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Jurek Becker Sander L. Gilman, 2003-12-15 In the first biography of this figure Sander Gilman tells the story of Becker's life in five worlds the Polish Jewish middle class neighborhood where Becker was born the Warsaw ghetto and the concentration camps where Becker spent his childhood the socialist order of the GDR which Becker idealized resisted and finally was forced to leave the isolated world of West Berlin where he settled down to continue his writing and the new reunified Germany for which Becker served as both conscience and inspiration

Jakob the liar, 2000

The Works of Jurek Becker Susan Martha Johnson, 1988 An analysis of the prose writings of Jurek Becker a Polish born East German Jewish writer now living in West Berlin a survivor of the ghetto and the Ravensbrück and Sachsenhausen concentration camps Examines the themes of survival resistance and exile in his works and also his treatment of the ghetto experience particularly in his novel *Jacob the Liar*

Jewish Resistance Against the Nazis Patrick Henry, 2014-04-20 This volume puts to rest the myth that the Jews went passively to the slaughter like sheep Indeed Jews resisted in every Nazi occupied country in the forests the ghettos and the concentration camps The essays presented here consider Jewish resistance to be resistance by Jewish persons in specifically Jewish groups or by Jewish persons working within non Jewish organizations Resistance could be armed revolt flight the rescue of targeted individuals by concealment in non Jewish homes farms and institutions or by the smuggling of Jews into countries where Jews were not objects of Nazi persecution Other forms of resistance include every act that Jewish people carried out to fight against the dehumanizing agenda of the Nazis acts such as smuggling food clothing and medicine into the ghettos putting on plays reading poetry organizing orchestras and art exhibits forming schools leaving diaries and praying These attempts to remain physically intellectually culturally morally and theologically alive constituted resistance to Nazi oppression which was designed to demolish individuals destroy their soul and obliterate their desire to live

The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel

Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading *The Linguistics of Lying And Other Essays* Harald

Weinrich,2012-01-01 Can language hide thoughts This question posed by the German Academy for Language and Literature in 1965 as the topic of its first essay competition was taken up by the philologist Harald Weinrich with far ranging results The most immediate was his claiming first prize with this volume s title essay published the following year as *Linguistik der Lüge* Weinrich s influential essay now in its sixth printing in Germany is presented here for the first time in English with an updated preface by the author and additional essays selected by him With wit and clarity Weinrich brings sophisticated thinking about semantics to bear on the question of how and how much language corresponds to thought He argues that lying is a function not of words but of sentences it belongs to the semantic aspect of language His survey of the different ways in which language is untrue forges striking links between linguistic and literary categories on the one hand and ethics and even good manners on the other In contrast with scholars of an earlier generation for whom literary and cultural theory circumscribed the issue of style within a fixed aesthetic framework Weinrich demonstrates that stylistic analysis is closely linked with analysis in the domains of sociology and anthropology The essays *Jonah s Sign On the Very Large and the Very Small in Literature* *Politeness an Affair of Honor* *Politeness and Sincerity* and *The Style Is the Man Is the Devil* complement *The Linguistics of Lying* in their focus on real and false representations in literature and in life and notably on the immensely destructive lies Adolf Hitler s in particular that marked the politics of the twentieth century **Jurek Becker** David

Jakob the Liar Jurek Becker,1990-01-01 Acclaimed as the most remarkable novel of the Holocaust ever written in Germany Jacob the Liar breaks with the genre s tradition of unrelenting realism to offer a suspenseful and masterfully crafted tale of hope desire and the life giving force of fiction In the ghetto the possession of a radio is punishable by death Like thousands of his fellow prisoners Jacob Heym is cut off from all news of the war until he is arrested one evening and brought to the German military office where he overhears a broadcast report of the Red Army s advance to a city some 300 miles away Miraculously he is allowed to return to his quarters but when he tries to spread the good news he discovers the only way to make people believe him is to tell a lie How do I know I have a radio Inevitably one lie leads to another and before long Jacob finds himself feeding the entire ghetto fabricated reports of the Russians advance reports that save lives when under the shock of renewed hope suicides cease and the people of the ghetto take heart Jacob is a hero and a liar But how long can his web of lies hold Here for the first time is Leila Vennewitz s authorized translation of this classic novel which won the Heinrich Mann Prize for fiction and Switzerland s Charles Veillon Award *The Concise Cinegraph* ans-Michael Bock,,im Bergfelder,2009-09-01 This comprehensive guide is an ideal reference work for film specialists and enthusiasts First published in 1984 but continuously updated ever since CineGraph is the most authoritative and comprehensive encyclopedia on German speaking cinema in the German language This condensed and substantially revised English language edition makes this important resource available to students and researchers for the first time outside its German context It offers a representative historical overview through bio filmographical entries on the main protagonists from the beginnings to the present day Included are directors and actors writers and cameramen composers and production designers film theorists and critics producers and distributors inventors and manufacturers An appendix includes short introductory essays on specific periods and movements such as Early Film Weimar Nazi Cinema DEFA New German Cinema and German film since unification as well as on cinematic developments in Austria and Switzerland Sections that crossreference names around specific professional groups and themes will prove equally invaluable to researchers **The Portrayal of Jews in GDR Prose Fiction** Paul O'Doherty,2023-04-12 This volume is the first comprehensive single study of Jewish themes in any

of the post 1945 German literatures It presents literature on Jewish themes by Jewish and non Jewish authors in the cultural social and political context of the Soviet Zone GDR during the entire 45 years of its history from 1945 to 1990 It offers a brief history of Jews in the GDR before looking in four chronologically ordered chapters at the history of publishing on Jewish themes in the GDR Some 28 texts by 19 different authors including Anna Seghers Stephan Hermlin Arnold Zweig Franz Fhmann Johannes Bobrowski Jurek Becker Stefan Heym G nter Kunert Christa Wolf and Helga K nigsdorf are then singled out for closer analysis Such themes as historical anti Semitism the Holocaust Jewish resistance Jewish assimilation Heine Marx Moses Mendelssohn Jewish survival and Jews in the GDR are all discussed in the book The volume also offers evidence of the political influences on publishing on Jewish themes at various stages in the GDR s history In addition a structured bibliography of some 1100 items is offered approximately 750 of which were published in the GDR with a Jewish content or theme The study should be of interest to students of contemporary German literature and politics the GDR and of Jewish studies in the wider context

Jacob & Esau Malachi Haim Hacohen, 2019-01-10 Accommodates both the cosmopolitan narrative of the Jewish diaspora with traditional Jews and their culture *Rereading East Germany* Karen Leeder, 2016-01-14 This volume is the first to address the culture of the German Democratic Republic GDR as a historical entity but also to trace the afterlife of East Germany in the decades since the fall of the Berlin Wall An international team of outstanding scholars offers essential and thought provoking essays combining a chronological and genre based overview from the beginning of the GDR in 1949 to the unification in 1990 and beyond with in depth analysis of individual works A final chapter traces the resonance of the GDR in the years since its demise and analyses the fascination it engenders The volume provides a rereading of East Germany and its legacy as a cultural phenomenon free from the prejudices that prevailed while it existed offering English translations throughout a guide to further reading and a chronology

What is Expression? Alex Scott, 2010-02 What are the elements of expression What are the origins aims and functions of expression An adequate theory of expression can help us to address these questions and to recognize the diversity of the many modes of expression scientific ethical aesthetic religious and sociocultural Alex Scott describes the interdependence of the modes of expression showing that a theory of expression can promote social understanding by illuminating the nature of our interdependence as individuals in society Expression theory as described by Scott is not merely a theory of art It is a theory of the ethics aesthetics psychology logic language and politics of expression It is a theory that enables us to examine in a more comprehensive way the question of whether there are any logical limits to the expressive capacity of language Expression theory is also a theory that enables us transcend the dialectics of the said and the unsaid the sayable and the unsayable It enables us to address the question of whether the communicability of a person s thoughts or feelings is determined solely by that person s communicative competence or whether there are some kinds of thoughts and feelings that are truly ineffable and incommunicable

Humanity at the Limit Michael Alan Signer, 2000 Five decades after the end of

World War II issues relating to the history and meaning of the Holocaust far from fading from social consciousness have if anything intensified New generations probe the past and its implications for understanding human behavior As fresh information about the particularities of the Holocaust comes to light we know more and more about how these events happened but the deeper question of why remains unanswered In this compelling volume Jewish and Christian thinkers from Israel Germany and Eastern Europe as well as the United States and Canada among them scholars from the fields of history theology ethics genetics the arts and literature confront the legacy of the Holocaust and its continuing impact from the perspectives of their disciplines The issue of religion is central as the Vatican s 1998 statement We Remember Reflections on the Shoah prompts Jewish and Christian contributors to address issues of responsibility evil and justice within their concrete historical and social settings The essays in this important interfaith international and interdisciplinary volume will leave readers pondering the unavoidable question what in view of the crimes of the Holocaust is the nature of human nature

Amazon com *A State of Secrecy* Alison Lewis, 2021-10 Secret police agencies such as the East German Ministry for State Security kept enormous quantities of secrets about their own citizens relying heavily on human modes of data collection in the form of informants To date little is known about the complicated and conflicted lives of informers who often lived in a perpetual state of secrecy This is the first study of its kind to explore this secret surveillance society its arcane rituals and the secret lives it fostered Through a series of interlocking in depth case studies of informers in literature and the arts *A State of Secrecy* seeks answers to the question of how the collusion of the East German intelligentsia with the Stasi was possible and sustainable It draws on extensive original archive research conducted in the BStU Stasi Records Agency as well as eyewitness testimony literature and film and uses a broad array of methods from biography sociology cultural studies and literary history to political science and surveillance and intelligence studies In teasing out the various kinds of entanglements of intellectuals with power during the Cold War Lewis presents a microhistory of the covert activities of those writers who colluded with the secret police

German-Jewish Life Writing in the Aftermath of the Holocaust Helen Finch, Helen Cleugh Finch, 2023 Shows how Adler Wander Hilsenrath and Kl uger intertwine transgressive political criticism with the shadow of trauma revealing new perspectives on canon formation and exclusion in postwar German literature How did German speaking Holocaust survivors pursue literary careers in an often indifferent postwar society How did their literary life writings reflect their postwar struggles This monograph focuses on four authors who bore literary witness to the Shoah H G Adler Fred Wander Edgar Hilsenrath and Ruth Kl uger It analyzes their autofictional critical and autobiographical works written between the early 1950s and 2015 which depict their postwar experiences of writing publishing and publicizing Holocaust testimony These case studies shed light on the devastating aftermaths of the Holocaust in different contexts Adler depicts his attempts to overcome marginalization as a writer in Britain in the 1950s Wander reflects on his failure to find a home either in postwar Austria or in the GDR Hilsenrath satirizes his struggles as an emigrant to the US in the 1960s and

after returning to Berlin in the 1980s Finally in her 2008 memoir Ruth Kluger follows up her earlier highly impactful memoir of the concentration camps by narrating the misogyny and antisemitism she experienced in US and German academia Helen Finch analyzes how these under researched texts intertwine transgressive political criticism with the shadow of trauma Drawing on scholarship on Holocaust testimony transnational memory and affect theory her book reveals new perspectives on canon formation and exclusion in postwar German literature In the Shadow of the Holocaust Thomas C. Fox, 2022 This study investigates six German Jewish writers negotiation of Jewish German Communist identity in post Holocaust East Germany This study investigates the negotiation of Jewish German Communist identity in post Holocaust Germany specifically East Germany After an introduction to the political historical context it highlights the conflicted writings of six East German Jewish writers Anna Seghers 1900 1983 Stefan Heym 1913 2001 Stephan Hermlin 1915 1997 Jurek Becker 1937 1997 Peter Edel 1921 1983 and Fred Wander 1917 2006 All were Holocaust survivors All lost family members in the Holocaust All were important writers who played a leading role in East German cultural life and all were loyal citizens and committed socialists although their definitions of and maneuvers regarding Party loyalty differed greatly Good soldiers they viewed their writing as contributing to the social political revolution taking place in East Germany Informed by Holocaust and trauma studies as well as psychology and deconstruction this study looks for moments when Party discipline falters and other repressed thoughts and emotions surface decentering the works Some recurring questions addressed include What is the image of Germans Do the works evidence revenge fantasies How does the negotiation of ostensibly mutually exclusive identities play out Is there acknowledgment of the insufficiency of Communist theory to explain antisemitism as well as recognition of Stalinist or other forms of Communist antisemitism Although these writers ultimately established themselves in East Germany attaining positions of privilege and even power their best works nonetheless evince an acute sense of endangerment and vulnerability they are documents both created and marked by trauma **East German Cinema** S. Heiduschke, 2013-10-10 East Germany's film monopoly Deutsche Film Aktiengesellschaft produced a films ranging beyond simple propaganda to westerns musicals and children's films among others This book equips scholars with the historical background to understand East German cinema and guides the readers through the DEFA archive via examinations of twelve films
