**Prizing Children's Literature** Kenneth B. Kidd, Joseph T. Thomas Jr., 2016-11-10 Children s book awards have mushroomed since the early twentieth century and especially since the 1960s when literary prizing became a favored strategy for both commercial promotion and canon making There are over 300 awards for English language titles alone but despite the profound impact of children s book awards scholars have paid relatively little attention to them This book is the first scholarly volume devoted to the analysis of Anglophone children s book awards in historical and cultural context With attention to both political and aesthetic concerns the book offers original and diverse scholarship on prizing practices and their consequences in Australia Canada and especially the United States Contributors offer both case studies of particular awards and analysis of broader trends in literary evaluation and elevation drawing on theoretical work on canonization and cultural capital Sections interrogate the complex and often unconscious ideological work of prizing the ongoing tension between formalist awards and so called identity based awards all the more urgent in light of the We Need Diverse Books campaign the ever morphing forms and parameters of prizing and scholarly practices of prizing Among the many awards discussed are the Pura Belpr Medal the Inky Awards the Canada Governor General Literary Award the Printz Award the Best Animated Feature Oscar the Phoenix Award and the John Newbery Medal giving due attention to prizes for fiction as well as for non fiction poetry and film This volume will interest scholars in literary and cultural studies social history book history sociology education library and information science and anyone concerned with children s literature *Moved to Murder* Gianetta Murray, 2024-06-28 Vivien Brandt loves all things British and has done since she was a child So when she moves from California to live with her gorgeous new English husband in a small Yorkshire village she doesn t foresee any problems beyond negotiating when to put milk in her tea She soon finds herself tripping over cultural differences however Oh and a body *GREAT THOUGHTS ON ROMANCE(PINK EDITION)* FOLORUNSHO MEJABI, 2015-11-14 Nothing is more curious and awkward than the relationship of two people who only know each other with their eyes who meet and observe each other daily even hourly and who keep up the impression of disinterest either because of morals or because of a mental abnormality

Between them there is listlessness and pent up curiosity the hysteria of an unsatisfied unnaturally suppressed need for communion and also a kind of tense respect Because man loves and honours man as long as he is not able to judge him and desire is a product of lacking knowledge Thomas Mann *Death in Venice and Other Tales* **GREAT THOUGHTS ON LOVE(PURPLE EDITION)** FOLORUNSHO MEJABI,2015-11-14 I no longer believed in the idea of soul mates or love at first sight But I was beginning to believe that a very few times in your life if you were lucky you might meet someone who was exactly right for you Not because he was perfect or because you were but because your combined flaws were arranged in a way that allowed two separate beings to hinge together Lisa Kleypas *Blue Eyed Devil* **Hard Living in America's Heartland** Paula vW. Dáil,2015-01-28 Despite living hard endlessly challenging lives the rural poor remain tirelessly optimistic believing things will get better next year As one struggling farmer explained Sometimes I feel like a jackass in a hailstorm I just have to stand here and take it but what the hell it ll stop hailing sooner or later The struggle to survive on the richest farmland in America has produced some of the nation s poorest people However rural poverty is not the same as urban poverty the usual definitions and criteria do not always apply the known predictors do not necessarily hold up and again and again the rural poor save themselves because they know no one else will This book refutes the common image of the poor as lazy slackers averse to work In reality fiercely independent politically astute hard working men and women who possess a wide array of useful skills populate the rural heartland and they struggle to stay afloat in small town economies that rise and fall on the whims of remote farm policy decisions a volatile world marketplace and Mother Nature who is a fickle wildly unpredictable business partner **Get Started in Writing for Children: Teach Yourself** Lisa Bullard,2014-06-27 LEARN HOW TO WRITE COMPELLING STORIES FOR CHILDREN Get Started in Writing for Children will help you at the very beginning of the creative journey to gain confidence and find inspiration and then support you in the completion of your first piece of children s literature whether it s a picture book a middle grade story or a young adult novel Each chapter includes a central writing exercise and four shorter ones while key quotes key ideas and focus points will be clearly signposted and will summarise important concepts and advice At the heart of each chapter is the Workshop a key exercise in which you will gain a deeper insight into the craft of writing for children In addition to coverage of the key categories and their conventions this book includes substantial information on getting established in the writing community gathering a fan base and pitching your work to publishers What are you waiting for This book has all you need to get started
