A New Dawn Ellen Hopkins, 2009-11-01 Fans of the literary phenomenon known as the Twilight series can't help wanting more. *A New Dawn* gives it to them, inviting readers to join some of their favorite YA authors as they look at the series with fresh eyes and fall in love with Edward, Bella, and the rest of Forks, Wash. all over again. Edited by bestselling author Ellen Hopkins, *A New Dawn* is packed with the same debates readers engage in with friends: Should Bella have chosen Edward or Jacob? How much control do Meyer's vampires and werewolves really have over their own lives? The collection also goes further: Is Edward a romantic or a really hot sociopath? How do the Quileute werewolves compare to other Native American wolf myths? What does the Twilight series have in common with Shakespeare? With contributions from Megan McCafferty, Cassandra Clare, Rachel Caine, and many more, *A New Dawn* answers these questions and more for a teen and adult audience hungry for clever, view-changing commentary on their favorite series. **Book Clubbing!** Carol Littlejohn, 2011-04-12 Learn how to sponsor a successful student-led book club for grades K through 12 that is fun, easy to implement, and encourages reading. *Book Clubbing: Successful Book Clubs for Young People* offers practical tips on creating book clubs that involve students of all ages and reading levels, including special education students, second language learners, and reluctant readers, making it easy to have fun, productive, and educational book clubs and other reading events. The book begins with a discussion of the current research on reading and practical tips from experienced sponsors and participants, followed by suggestions on customizing book clubs to fit the students' needs and how to add sparkle to the club with field trips, readers' theatre, guest speakers, and mystery games. The book offers a wide variety of reading activities, ensuring a dynamic, lively reading group. Numerous forms, booklists, booktalks, reading lists, and resource websites offer additional help for educators and library staff. Especially unique and valuable is the reading activities chapter that includes reproducible reading games, a readers' theatre script, a folktale rap, and various booktalks and contests. *Fairy Bad Day* Amanda Ashby, 2011-06-09 While most students at Burtonwood Academy get to kill demons and goblins, fifteen-year-old Emma gets to rid the world of little annoying fairies with glittery wings and a hipster fashion sense. She was destined to be a dragon slayer, but cute and charming Curtis stole her spot. Then she sees a giant killer fairy, and it's invisible to everyone but her. If Emma has any chance of stopping this evil fairy, she's going to need help. Unfortunately, the only person who can help is Curtis. And now not only has he stolen her dragon slayer spot, but maybe her heart as well. Why does she think it's going to be a fairy bad day. **The Publishers Weekly**, 2009
