Lady of the Shades 18 Copy Full Bin Darren Shan, 2012-08-01 [An Other Place](#) Darren Dash, 2016-12-01 Get ready to enter the dark disturbing waters of a dystopian sci fi world in this widely praised mind bending trip to An Other Place where time and space are fluid where the moon changes colour and savage beasts run wild where teeth are used as currency and love making is a perilous proposition where cannibalism occasionally comes into fashion and the dead are swiftly forgotten where strange sandmen offer sanctuary in times of danger and a mysterious Alchemist rules over all When Newman Riplan s flight into the unknown turns into a nightmarish slide between worlds he must explore an unnamed city where unpredictable terrors are the norm By the end of his first day adrift his life has spun completely out of his control but the most mind twisting and soul crushing revelations are only beginning As he desperately searches for meaning and a way out he starts to realise that perhaps only madness can provide him with the answers while surrender might offer him his only true hope of escape

REVIEWS This is by far the best book of 2016 possibly the best book of this decade the illegitimate love child of Kafka and Rod Serling throwing in a dash of Ray Bradbury for good measure 5 5 brilliant Just brilliant Kelly Smith Reviews An Other Place sees an imaginative writer at the top of his craft It brings to mind The Twilight Zone yet even Rod Serling himself would have struggled to come up with an alternate world so completely off the wall and yet oddly meaningful as Dash has here 9 10 stars Starburst Darren Dash has opened a new artery of terror unlike any book I have ever read hints of The Twilight Zone Pines and Station Eleven The Literary Connoisseur Its luckless hero moves from ghastly scenarios to even ghastlier scenarios with such horrid reliability that his story reads like extreme black comedy 4 5 stars SFX Lewis Carroll L Frank Baum and Brett Easton Ellis may have written some weird stuff but An Other Place tops all of it both in terms of re readability and overall scope Dread Central This book really did blow my mind each page turn was both chilling and thrilling in equal measure the conclusion left me with goosebumps 5 5 Rachel Hobbs author of Shadow Stained Dash s surreal tale has its share of unsettling moments There s also an abundance of intriguing peculiarities An often baffling tale but its protagonist s wry commentary is undeniably entertaining Kirkus a Recommended Read An Other Place is a deliciously quirky novel that is surreal and powerful in equal measure This is by far Dash s best work to date It is challenging and absurd artistically brave and politically conscious but this abstract painting of a novel is

one thing above all else completely original Books Films Random Lunacy This story had me hooked from the get go an ending that sent my mind into a spin 5 stars Reviews And Randomness This book is utterly unique I was amazed at how well Dash could create this baffling world from scratch and draw me into it so completely 5 stars A Place In Which Jessie Writes If Jonathan Swift wrote horror he might have written An Other Place Powerful imaginative and occasionally disturbing An Other Place will linger in the reader s mind long after the last page is turned Safie Maken Finlay author of The Galian Spear

Midsummer's Bottom Darren Dash,2018-06-21 The Midsummer Players stage an outdoor version of A Midsummer Night s Dream every year The actors are dreadful and audience members almost never attend more than once Except for the fey folk All of the fairies named in the play are obliged to attend every performance due to a deal that they struck with a mischievous Master Shakespeare In an attempt to break up the Players on the eve of their twentieth anniversary Oberon and Puck hire a human agent of chaos to infiltrate the actors ranks and set them against one another by focusing on secret attractions and grudges that have been lying dormant up to now Sparks will fly and everyone will come to blows but it s all executed with a wink and a grin and there will be more smiles than tears by the end At least that s the plan This comedic fantasy is for lovers of Shakespeare chaos and fairies everywhere REVIEWS A clever and kinky theatrical romp with a big heart Kirkus It is comedic a little hectic and the strength of its rich cast keeps things moving at a delightfully entertaining pace this unique tale is that rare reimagination of elements of a classic story that captures all the comedy drama and emotional satisfaction of its original and in some ways exceeds them US Review of Books Recommended read Midsummer s Bottom delights with Shakespearian couplets and a cacophony of human foibles that smash up to a satisfying ending Dash has created a stellar cast of full engaging characters Tightly written and imaginative Midsummer s Bottom glides the reader through a wonderful story towards a rewarding and unexpected end Self Publishing Review Midsummer s Bottom is a delightful book with the lyrical words of the bard and the theme of his magical work intertwined into the story line Mr Dash is an accomplished wordsmith and brings the chaos to the sort of satisfying finale that had I been in a theatre I would have stood to applaud Readers Favorite Charles Remington 5 star review Dash s signature wit and humor shine on every page magical escapism at its best Midsummer s Bottom is a laugh out loud comedy a rollicking romp that will leave you with a warm satisfied feeling long after you finish Rachel Hobbs author 5 star review Darren Dash has masterfully combined Shakespeare s style and greatness with his own amazing poetic agility to create an absolutely delightful tale that will make you laugh until you cry I was skeptical of a retread of Shakespeare but this is very cleverly done and quite entertaining Bravo Readers Favorite Melinda Hills 5 star review I loved the diversity Bisexual gay questioning straight cross dressing there was a little of everything in this small cast and the representation without shame without it feeling forced was wonderful Midsummer s Bottom is engaging humorous and intricately woven Kelly Smith Reviews 5 star review *Sunburn* Darren Dash,2015-04-13 When three friends go on holiday to Bulgaria protecting themselves from sunburn is their only real concern

but when they run into a nightmarish beast unlike any they've ever imagined in the forested hills far from civilization their vacation becomes a savage fight for survival The beast licked its upper lip teasing dried flakes of blood remembering other bright nights when it had hunted and killed and wallowed in thick red juices The beast could manoeuvre in total darkness but preferred nights like this when it could see the blood dripping from its fingers the terror in the eyes of its victims its guts shifting sinuously as it ripped with its fangs and swallowed Not for the faint of heart or weak of stomach Sunburn will introduce you to a monster like none you've seen before The question is will you survive the encounter or will your torn flesh and splintered bones be added to the scattered remains in the creature's rat-ridden underground lair

REVIEWS The story flows like a dream and the characters are diverse, divisive and distinct Mr Dash can not only create a thrilling horror but the kinds of characters, depth and quality with which he completes the novel bring it to a much higher level Sunburn is engaging, horrific and visceral, interesting and truly well-written Matthew R Bell's Book Blog Bonanza Vivid and unrelenting Dash fully realizes the unnamed monster in all of its grotesque imposing physicality the novel offers captivating tension and brutal gory fun Kirkus Reviews I cannot go on enough about the book how great it is and how entertaining This is an author who knows how to make the readers laugh, cry and scream in terror To call this a must-read is an understatement Kelly Smith Reviews A well-written and disturbing piece of fiction that explores relationships and delves into the deepest corners of the human mind The plot reads like an international horror movie, enticing the reader with a series of detailed and comedic chapters before exploding into a vision of blood-chilling gore Books Films Random Lunacy This demonic masterpiece does not disappoint even the biggest of horror fans Crossing Pixies A violent culmination of love, friendships, hilarity, thrill, horror and sex Isn't that what we all want from a good book Sunburn literally had me completely **HOOKED** A brilliant and thrilling read Chase That Horizon The elements of classic horror are very much present here Sunburn held me firmly in the moment, demanding my full attention right to the very last page Thoughts Of An Overactive Imagination Darren Dash builds up the suspense with skillful pacing and a healthy dose of literary restraint, wisely refraining from indulging in the most horrific and grotesque elements of the plot until the reader has become invested in the characters The result is a horror novel that is suspenseful, fun to read and at times very gruesome indeed It also contains some very good reasons for never forgetting to wear sunscreen

REVIEWS The book flaunts the grim panache of a London crime saga and all the characters are engaging no matter how despicable they are. Not for the faint of heart but this novel's character studies and ever shifting plot will excite fans of English noir. Kirkus a Recommended Read. *The Evil And The Pure* is a deliciously dark delight a gritty realistic look at the depths of human depravity. The journeys of the four men are fascinating and enviably complex. The twists and turns have you reeling with shock. A glory to read. 5 5 stars. Matthew R Bell's BookBlogBonanza A thoughtful and enthralling examination of a society that is seedy corrupt and painfully uncompromising. Safie Maken Finlay author of *The Galian Spear* I found myself brilliantly horrified and captivated as I read and was taken along on a dark journey with a range of dangerous sick and even innocent characters. Chase That Horizon an amazing read a book you won't want to end. It's got the cast complexity of a Maeve Binchy novel as if written by a violent madman and I mean that as a compliment. 5 5 stars.
